

## Vocational Nursing

Leslene Sagisi

Submitted by Rosette Strandberg

Leslene has displayed excellence throughout the vocational nursing program. She has achieved high academic grades in all the 15 program courses, shown diligence and competence in the lab setting, and consistently shows outstanding performance in the clinical setting. Leslene is compassionate, ethical, and professional. She has excellent clinical reasoning skills, communications skills, and is a strong patient advocate. Leslene is well-liked and respected by her peers and faculty. The faculty is very proud of Leslene, and we wish her the best as she graduates this semester!
