a) The Sabbatical Leave committee shall reconvene, pending I.A. agreement ratification. In the agreement there is an allocation for a total of four, year-long leaves (8 one semester or configured accordingly – even cross year e.g. spring/fall) and to begin Spring 2014.
b) President Neufeld reported on the very important topic of faculty responsibility and the legal requirement to accurately report positive attendance in a timely manner. Due to inaccuracies or failure to report, the college will not be receiving the equivalent of 100 FTES for the past year.
c) The annual all day Senate retreat will be held on 8/21/2013, at Antioch University (breakfast and lunch served). Contact President Neufeld if there is something you would like to have on the agenda.
d) In June, the EVP held a Student Success Business Process Analyses (BPA) workshop to form a Student Success model that creates an overarching structure for the multitude of in place initiatives oriented to Student Success available across campus. A workshop will also be held end of August.
e) The Coastal Commission is slated to be on the July 25, 2013 BOT agenda.
f) Non Credit has been renamed Continuing Education and a BPA is in progress on how to integrate these courses into the curriculum process and Banner. Everything should be available on Banner with the exception of CLL and that will not happen for another year or more.

h) The football field will have a new scoreboard funded by Union Bank.
i) The wireless lock project will be in progress from now and until completion in January 2014.

President Neufeld explained the Board Policies that are identified in agenda item 4.1 were heard and discussed by the Academic Senate; however, no vote was taken on these policies last semester. Note for the current vote: BP2315 was not a part of the vote – there was a question about the Brown Act and a roll call vote with regard to closed sessions and the reporting of the vote out of closed session. After the follow up reports for clarity on BP2315 have been received, President Neufeld stated he would address the Senate concerns to the Board, if the Brown Act clearly states they must do otherwise.

7.0 Discussion
7.1 Timeline for Hiring Replacement Faculty (Attachment C)
President Neufeld reported the retiring faculty timeline was moved up. Due to the expected high volume of job openings, the hiring window will be closed earlier to gain access to a stronger faculty pool. For the October Senate hearings, there may also be new positions and another meeting may need to be added. To be discussed at the retreat or the 9/11/2013 meeting: the process/procedure for hiring replacement faculty.

7.2 Categorically-Funded Positions
President Neufeld explained the college, for years, has funded temporary contract positions with categorical funds e.g. Matriculation. Superintendent/President Gaskin would like to do away with ongoing temporary contracts and have these positions filled with permanent tenure track faculty, funded with categorical funds and, not counted toward our FON. Option 1: Create an MOU explicitly stating these positions would not be counted, in perpetuity, toward the FON. Option 2: No, categorically funded positions should be temporary contracts only. Option 3: Categorically funded positions need to go through the ranking process like other faculty positions.

For the past few years categorically funded positions have been backfilled out of the general fund.
President Gaskin explained that as an institution we have misused temporary contracts. Ed. Code provides two reasons only (approved leave or documented growth from previous semester) for offering a temporary contract and, a temporary contract cannot exceed one year. There is a special provision in the Ed. Code that does not allow for temporary contracts in EOPS and DSPS. We are in violation of the Ed. Code in those areas.

Request for information on: a) temporary contract rules and how they are assigned; b) identify the full time positions being requested; c) how all the categorically funded positions fit into the matriculation process.

President Neufeld restated the issue under discussion for the Academic Senate: To allow full time tenure track faculty to be hired outside of the established ranking process; funding is an issue; FON is an issue.
