

CSU CERTIFICATION REQUEST FORM

Please follow the instructions and complete all questions. Fill out the mailing label attached to this form with your name and address. It will be used to notify you of the approval of your CSU GE certification or to request any additional information.

Santa Barbara City College strongly recommends completion of the CSU lower division GE requirements (39 units minimum) prior to transfer. Completion of these requirements is not required for admission to CSU. However, students who do not complete all the lower division GE requirements will not be "fully certified." As a result, such students will be "partially certified" and subject to additional GE requirements after transfer.

Please follow the instructions and complete all questions. GE certification will be completed by Transfer Center personnel only after official final grades are posted for the completion of the student's last semester in attendance at SBCC, prior to transferring to the CSU.
