Petition for Waiver of College Regulations

STEP 1: READ the following options carefully and INITIAL the box that applies to your request for waiver of college regulations. Incomplete petitions will not be accepted.

☐ Late Withdrawal

A student may petition for consideration of a late withdrawal after the end of the ninth week of the semester (Fall/Spring) for full semester length classes and after the 60% length of the course for all other courses (including Summer) due to extenuating circumstances. Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the control of the student.

Official documentation supporting the extenuating circumstances is required for consideration of requests for late withdrawals.

TIP: You must explain how the extenuating circumstances prevented you from officially withdrawing from the course(s) by the deadline or from successfully completing the course(s). If you are requesting consideration of one or more, but not all semester courses, be sure to explain how the extenuating circumstances only affected the course(s) being requested.

☐ Late Pass/No Pass Grading

A student may petition for consideration of a late pass/no pass grading option after the end of the fifth week of the semester (Fall/Spring) for full semester length classes and after the 30% length of the course for all other courses (including Summer) due to extenuating circumstances. Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the control of the student.

Official documentation supporting the extenuating circumstances is required for consideration of requests for late pass/no pass grading. Additionally, you must attach the completed Pass/No Pass Petition signed by the instructor.

TIP: You must explain how the extenuating circumstances prevented you from submitting your petition for pass/no pass grading by the stated deadline.

☐ Late Refund

A student may petition for consideration of a refund after the end of the second week of the semester (Fall/Spring) for full semester length classes and after the 10% length of the course for all other courses (including Summer) due to extenuating circumstances. Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the control of the student.

Official documentation supporting the extenuating circumstances is required for consideration of requests for late refunds. Additionally, you must attach the completed Refund Request Form available at www.sbcc.edu/forms.
