Santa Barbara City College

Early Childhood Education for Transfer

2017-18

Associate in Science Degree in Early Childhood Education for Transfer

Students who complete the AS-T in Early Childhood Education will achieve the following competencies: Child Development and Learning; Culture, Diversity, and Equity; Relationships, Interactions, and Guidance; Family and Community Engagement; Dual-Language Development; Observation, Screening, Assessment, and Documentation; Special Needs and Inclusion; Learning Environments and Curriculum; Health, Safety and Nutrition; Leadership in Early Childhood Education; Professionalism; and Administration and Supervision.

The Associate in Science degree in Early Childhood Education for Transfer will provide the foundational knowledge in Early Childhood Education to students who want to earn a Baccalaureate Degree in Early Childhood Education. This degree is in compliance with the Student Transfer Achievement Reform Act {Senate Bill 1440, now codified in California Education Code sections 66746-66749} and guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer,” a newly established variation of the associate degrees traditionally offered at a California community college. Upon completion of the transfer associate degree, the student is eligible for transfer with junior standing into the California State University (CSU) system. Students will be given priority consideration when applying to a particular program that is similar to the student’s community college area of emphasis. Visit www.sb1440.org for the latest information about these degrees.

NOTE: Program first offered Fall 2014.
