Santa Barbara City College

Interior Design

2017-18

Certificate of Achievement in Interior Design

Interior Design focuses on the creation of interior environments that are both functional and pleasing. The field offers a variety of employment opportunities in interior design and architectural firms, kitchen and bath design studios, as well as in interior materials and furniture stores. A combination of education, work experience and passing the National Council for Interior Design Qualification (NCIDQ) exam is required for interior design professionals.

The SBCC Interior Design Program, offered within the Drafting/CAD Department, provides comprehensive training for entry-level interior design positions. Certificated, professionally experienced instructors teach all program courses. Successful completion of each Interior Design (ID) course earns full college credit. Courses are offered with an open enrollment policy; they are open to both ID majors and non-majors.

Certificates & Degrees Awarded

A Certificate of Achievement in Interior Design and an Associate in Arts Degree in Interior Design are offered. Students who complete the 45-46 units of required Interior Design, Arts, Art History and Drafting courses and the controlled electives earn a Certificate of Completion in Interior Design. Those who also complete institutional and General Education course requirements earn the Associate in Arts Degree in Interior Design.

SBCC: Your Open Door to Educational Excellence
