SANTA BARBARA HIGH SCHOOL DISTRICT

2.1 Election of New Teacher: The Superintendent recommends the election of Mrs. Ilse R. Hance as teacher for 1959-1960 at a classification of II-6 P-1, salary of $2025. (1/3 time).

3.1 Application for Grant of Funds under Title V, National Defense Education Act of 1958: Attached is a form of application for matching funds from the Federal Government with which to continue a project begun last year in evaluating our program of guidance and counseling. The Superintendent will discuss further details at the Board meeting.

The Superintendent recommends that:

a) the application be authorized;

b) Board action on February 5, 1959, in granting Nicholas R. Montesano a sabbatical leave of absence for the first semester of 1959-1960 be rescinded;

c) Mr. Montesano be employed full-time for the 1959-1960 school year at a salary of $7950. (II-12 plus $250. ((1/2 of full-time Counselor's differential))).

4.1 Request for Reconsideration of Rental Fee for Use of Peabody Stadium: At its last meeting, the Board granted the request of Bishop Garcia Diego Catholic High School for use of Peabody Stadium and La Playa Field for football games this fall. The request was granted on the basis that there would be a rental fee for Peabody Stadium of $75., plus actual costs of our personnel services; and that the actual operating expenses for La Playa Field would be paid to the School District.
Attached is a copy of a letter from Father O'Gara requesting reconsideration of the rental charge of $75./use for Peabody Stadium.

For your information, the Santa Barbara Catholic High School was granted the use of Peabody Stadium in 1954 and in 1957 at a charge of $75./use plus operating expenses (the 1957 request was subsequently cancelled). The school district's charge was based on legal interpretations of the U.S. Constitution and California Constitution, particularly an Attorney General's Opinion in 1948 relating to use of a public school district stadium by a parochial high school for football games.

The Superintendent presents this matter without recommendation.

4.4 Change Order No. 7, La Colina Junior High School:
Present plans and specifications on La Colina Junior High School call for development by the school district of a cul de sac on school property at the end of Carroll Way. The estimated cost of this development is $1600 - $2000. In order to eliminate possible safety hazards, the Superintendent recommends that provision of this cul de sac be deleted from the general contract, and that the amount of the credit, which will be more definitely determined, be applied toward installation of a "crusher run base" under the asphaltic concrete of the gymnasium play area.

5.5 Payment of Claims: The Superintendent recommends that payment of the following claims be authorized on warrants numbers B-639 and B-640:

General Fund: Regents of University of California - 1st lease payment on Riviera Campus property - $50,000.

Bond Fund: Charles T. Richardson - top soil for San Marcos High School - $5108.14
