SANTA BARBARA SCHOOL DISTRICT

1.6 Communication from Mrs. Emmanuel Vasta: Following is the text of a letter dated August 20, 1962, from Mrs. Emmanuel Vasta, 3219 Calle Cedro:

"We are the parents of Gregory Vasta, who is profoundly deaf. He will be four years old Oct. 13, 1962. Gregory wears a Vicon aid, one of the high powered aids.

"He hasn't spoken his first word yet, as he needs special training in a class for the deaf. We have recently learned, with regret, the proposed program for pre-school deaf children has been dropped. We would like to know what will be done to give our child the training he needs?"

Mr. White will report further details at the Board meeting.

4.3 Resolution of Intent to Convey Sewer Easement: Proposed conveyance to the City of an easement for sewer purposes across the lower end of the Jefferson school site was discussed at the Board meetings of July 19 and August 2. We have now received from the City a legal description of the easement and notice of their willingness to accept it. The Superintendent recommends adoption of the prescribed resolution of intent to grant the City said sewer easement, with public hearing thereon to be Thursday, September 6, 1962, on or about the hour of 4:00 p.m.

The Superintendent also recommends continuance of the matter of a road easement on property owned by Dr. J. W. Newton to a time when the workload of the Business Division staff is somewhat lighter.
