2. 1a Reassignment of Lloyd E. Albright: Mr. Lloyd E. Albright, Principal of Lincoln Elementary School, has requested assignment to another position, effective July 1, 1963. The Superintendent recommends that Mr. Albright be assigned as Assistant in the Instructional Materials and Special Education Department, beginning July 1, 1963, his assignment in this certificated position to be for 11 calendar months during the 1963-1964 school year. A recommendation on Mr. Albright's salary in this position will be submitted to the Board at a later meeting.

2. 1b Acceptance of Resignation of Miss Marie E. O'Hagan: The Superintendent recommends acceptance of the resignation of Miss Marie E. O'Hagan, Principal of Jefferson Elementary School, effective June 30, 1963. Miss O'Hagan is retiring from public school service after an educational career of approximately 36 years. She came to the Santa Barbara City Schools as an elementary teacher in 1937, and was assigned as the Principal at Jefferson School in 1949. Her services as teacher and educational administrator have been exceptionally outstanding. It is recommended that Miss O'Hagan be given a certificate of service, together with an appropriate letter, as tokens of appreciation for her interest in and services to young people of Santa Barbara.

Recommendations will be submitted to the Board at a later meeting regarding filling the vacancies in these two elementary school principalships.

SANTA BARBARA HIGH SCHOOL DISTRICT

1. 7 Communications re. Recommended Pupil Transportation Policies:

Four letters have been received from the following persons expressing their reactions to the pupil transportation policies recommended by the Advisory Committee on Pupil Transportation Services:

Mr. and Mrs. R. F. Duncan
Mrs. B. Marcus

Mrs. J. Stassinos
Mrs. G. L. Wikel

Two of these letters express opposition to the proposals that parents pay for transportation; the other two stress the advisability of either providing free transportation for all students, or having all parents share in the expense.
