SANTA BARBARA HIGH SCHOOL DISTRICT

2 PERSONNEL

2.4 Assistant Principal - Goleta Valley Junior High School: The Superintendent recommends the appointment of Mrs. Frances Woodfin as Assistant Principal at Goleta Valley Junior High School at a salary classification of III-L-3, effective 1964-1965 (salary of $11,429 on salary schedule for 1963-1964). Mr. White will give further details at the meeting.

2.5 Representative of District at Hearing on Senate Bill 10: Senator Alvin C. Weingand has asked that the District be represented at the hearing on Senate Bill 10, which concerns the transfer of bond money from the High School District to the newly-organized Junior College District. This hearing is to be held on Wednesday, March 11, in Sacramento, and the Superintendent recommends that Dr. Charles A. Woodfin be sent to represent the District, with his actual and necessary expenses paid.

4 SCHOOL PLANTS AND PROPERTY

4.8 Proposed Exchange of Property with City of Santa Barbara: On February 6, 1964, the Board authorized the Superintendent to negotiate with Mayor MacGillivray regarding the exchange of City-owned property on Ortega Street, between Santa Barbara and Garden Streets, for a portion of the present Administrative Site, the exchange to be made on a long-term lease basis. Both properties have been appraised by Mr. J. MacDougall Howard, representing the District, and Mr. John A. Lindbery, representing the City. Each appraised both properties and agreed that the City property on Ortega Street be exchanged for approximately 226 feet of the westerly portion of the present Administrative Site. The City Council has approved this in principle on a 99-year lease basis and has authorized the Mayor to proceed with negotiation to complete the exchange of property. Mr. Stanley Tomlinson, City Attorney, is assisting Mayor MacGillivray.

The Superintendent recommends that Mr. George F. Browne and Mr. Robert Curiel, County Counsel be authorized to proceed with the negotiations and drawing up of legal documents in conjunction with the Mayor and City Attorney. It is hoped that this will be ready for presentation to the Board for action on April 2.

4.9 Authorization to Purchase Privately-Owned Property on Santa Barbara Street: If the site bounded by Santa Barbara, Ortega, Garden, and De la Guerra Streets is to be used for administrative purposes, it is imperative that the School District acquire five privately-owned parcels located on Santa Barbara Street. The Superintendent recommends that Mr. Browne be authorized to enter into negotiations with the respective owners to purchase this property.
4.10 Preliminary Planning on Educational Center - Selection of Architectural Firm: Much preliminary planning can be done by the architects on the educational center before the site is legally acquired. This includes working with the staff to determine needs and the writing of the design specifications to be presented to the Board. The Superintendent recommends that the Board select the architectural firm with the understanding that a contract be negotiated after the site is legally acquired.

5 BUSINESS AND FINANCE

5.b Payment of Additional Claim: Upon the recommendation of the architect, the Superintendent recommends authorization of progress payment to Greynald Construction Co., Inc., general contractor on Goleta Valley Junior High School project, in the amount of $153,748.77, payable from the Bond Fund.
