Addenda to Agenda for Regular Board Meeting
August 20, 1964

SANTA BARBARA HIGH SCHOOL DISTRICT

4 SCHOOL PLANTS AND PROPERTY

4.8a Topographical Survey of Administration Center: A topographical survey map is needed of the parcels of land being acquired from the City of Santa Barbara and others for the new administration center before the architects can proceed with planning. Dr. Woodfin will present additional information and recommendations.

4.9 Change Order #1, La Colina Junior High School Paving: On July 16, 1964, the Board awarded a contract to C. W. Berry Construction, Inc., for repaving the bus loading area at La Colina Junior High School. During excavation of the old materials, it was discovered that all utility lines to the school crossed the driveway area. Arendt/Mosher/Grant were consulted for recommendations; and they indicated that, in order to provide protection to the utility lines and install the new roadbed in a proper manner, it is necessary to remove an additional 3 inches of soil, replace the soil removed with Boron pit material, and encase the utility lines in cement. Mr. Berry has given us a quotation of $8,286. for the additional work involved. The Superintendent recommends that Change Order #1 to La Colina Junior High School paving contract be approved with the additional amount of $8,286., making the total cost to date $14,486.

5 BUSINESS AND FINANCE

5.b Payment of Additional Claim: The Superintendent recommends authorization and/or ratification of the payment of annual premiums for liability and fire insurance as follows for 1964-1965:

7 GENERAL INFORMATION

7.1 Report re. Unification Proposal Submitted to State Board of Education by County Committee on School District Organization: The State Board of Education meets in Los Angeles on September 10 and 11, and at that time will discuss the proposal recommending formation of two unified districts in the territory comprising the Santa Barbara High School District, as submitted by the County Committee on School District Organization. It is anticipated that formal action will be taken by the State Board on this matter on September 10 or 11. The Santa Barbara Board of Education needs to determine definitely if a minority report is to be presented, in order to be placed on the agenda of the State Board meeting. Copies of the County Committee's report to the State Board have been distributed to the Santa Barbara Board of Education members for their information.
