Addenda to Agenda for Adjourned Meeting of Board of Trustees
March 29, 1966

SANTA BARBARA JUNIOR COLLEGE DISTRICT

4. PLANTS AND PROPERTY

4.1 Request for Board Approval of a Change Order to Extend Underground Electrical Conduit to Sprinkler Control Clock at Southeast Corner of Campus Center Building

The following change order to the Santa Barbara City College Landscape Contract, Phase II, is presented for Board approval.

CHANGE ORDER NO. 2

Provide labor, material and equipment to accomplish the following:

a. Mount underground junction box on stub at north side of Campus Center Building.

b. Install underground conduit (approximately 150 feet) around the building to the southeast corner.

c. Mount second underground junction box (southeast corner), connect conduits, install wiring and connect to sprinkler system controller.

Charge for this item ........................................ plus $176.00

The Superintendent recommends approval of this change order.

Summary of the expenditures on Santa Barbara City College Landscape Job, Phase II, is as follows:

5. BUSINESS AND FINANCE

5.2 Request for Approval to Enter into Agreement with U.S. Grant and Son for Up-dating of Campus Topographical Survey.

The architectural firm of Daniel, Mann, Johnson, & Mendenhall has indicated that planning for future campus expansion is contingent upon the up-dating of topographical survey information. Specifications for this up-dating have been drawn up by DMJM. U.S. Grant and Son, the firm retained to provide the original topographical survey, has submitted an estimate of the cost to cover the work involved. The Superintendent recommends that U.S. Grant and Son be authorized to proceed with this necessary work at a cost to the District not to exceed $3,900.00.
