5.4 Distribution of Teleconomy Telephone Survey Report

A report covering the results of the telephone service study made by Teleconomy will be distributed to Board members today. This report is being made available as an information item. A representative of Teleconomy will be available at a future date to make an in-person analysis if the Board should so desire.

5.5 Request for Approval of Financial Aid Contract with the Division of Real Estate

The Santa Barbara Junior College District is entitled to a grant of $500 from the State Division of Real Estate. This money is to be used to initiate or expand and/or improve the real estate curriculum at City College. The Superintendent recommends approval of the contract which makes this grant possible.

5.6 Renewal of Work-Study Agreement with UCSB

The Superintendent recommends renewal of the agreement with UCSB, under terms of which University student readers are made available to the City College. These readers will be utilized during the regular college year. The rate of District participation in this program during the 1968-69 year is 20 per cent. Funds have been budgeted for this purpose.
