To: Santa Barbara County School Board Trustees and School Administrators

From: Ben Wells, President

Re: Annual Meeting of the Association

The Annual Meeting of the Santa Barbara County School Boards Association will be held Monday May 26, 1969 in Santa Maria.

BUSINESS MEETING

A slate of Officers and Directors will be presented by the nominating committee.

PROGRAM

The program is being planned as an entertaining and educationally exciting evening. The heaviest item on the agenda is the election of officers as noted above.

Allan Hancock College is proud of its Performing Arts Center which is less than one year old but already has created tremendous interest in professional and educational circles on the West Coast. Since opening, the drama program has attracted 37,000 audience members. Last summer saw the inauguration of the Pacific Conservatory of the Performing Arts as a vital center of creative art. The enclosed brochure gives some few facts about the theatre and the plans for the coming summer.

For your enjoyment the Drama Department has prepared a special performance of Androcles and the Lion. It is urged that you attend and learn how Allan Hancock College is using this unique theatre as a powerful educational tool to involve and stimulate the creative life of the community.

Date --- May 26, 1969

Place --- Student Center of Allan Hancock College, Santa Maria (leave 101 at Stowell Road)

Dinner --- Santa Maria Style Barbecue $3.25

Time --- 7:00 P.M. - No social hour.

As always, husbands and wives of members and administrators are cordially invited. Please make your reservations through the clerk of the board or your administrator.

Reservations should be in the county office by May 21, 1969. As you know, we must pay for the number of dinners we guarantee.

PROGRAMMER ANALYST
(Data Processing)
Range 23 - $746-901

Definition
Under minimum supervision, to participate in the initial planning and to write difficult and complex programs for major projects to be processed by an electronic data processing machine and related equipment; to make necessary program proof tests, revisions, and corrections; to write electronic data processing machine and supporting electric accounting machine operating instructions; and to do other work as required.

Examples of Duties
Analyze problems outlined by Supervisor in terms of such factors as type and extent of information to be transferred from storage units, variety of items to be processed, extent of sorting, and format of final printed results. Designs detailed programs, flow charts, and diagrams indicating mathematical computations and sequence of machine operations necessary to copy and process data and print solution. Verifies accuracy and completeness of programs by preparing sample data, and testing data on computer by operating console. Corrects program errors by revising instructions or altering sequence of operations. Prepares instruction sheet to guide Console Operator during production run. Evaluates and modifies existing programs to take into account changes in procedures or types of reports desired. Translates detailed flow charts into coded machine instructions. Assists in determining causes of machine stoppages. Will be required to confer with technical personnel in planning and changing applications. Assist with the training of personnel and may supervise a group of electronic data processing assistants.

Desirable Qualifications
Knowledge and Abilities:
Thorough knowledge of clerical processing and mechanical punched card processing techniques and procedures, operation of an electronic computer system and program requirements for conversion of mechanical and clerical processing to the system.
Working knowledge of modern office methods and procedures.
Ability to analyze data and draw sound conclusions; code data flow plan in machine language; speak and write effectively; work cooperatively with others and gain their respect and confidence.

Experience:
Two years of progressively responsible experience in programming data processing applications for electronic computers.

Education:
Equivalent to graduation from college. (Additional qualifying experience may be substituted for the required education on the basis of one year experience being equivalent to one year of college.)

Special personal characteristics:
Willingness and ability to accept work requiring a high degree of mental concentration.

RESOLUTION OF THE BOARD OF TRUSTEES
OF THE SANTA BARBARA JUNIOR COLLEGE DISTRICT
SANTA BARBARA, CALIFORNIA

WHEREAS, on May 5, 1969, Governor Ronald Reagan proclaimed May 25 through May 31, 1969 as "Classified School Employees Week" for the State of California, and

WHEREAS, in so doing Governor Reagan and the State Legislature have recognized the contributions of classified school employees and the California School Employees' Association in furthering education in the State, and

WHEREAS, the Board of Trustees of the Santa Barbara Junior College District has always appreciated the efforts of its classified staff in providing the services which are so very essential if the goals of the College and the Adult Division are to be achieved, and

WHEREAS, the Board recognizes the true value and worth of its clerks, secretaries, teacher aides, custodians, gardeners, bookstore, data processing, and laboratory personnel, food service personnel, and all other classified employees,

NOW, THEREFORE, BE IT RESOLVED: That the Board of Trustees of the Santa Barbara Junior College District joins Governor Reagan and the State Legislature in honoring classified school employees throughout the State, and

BE IT FURTHER RESOLVED: That the Board especially extends its sincere appreciation to the members of its classified staff and to members of Chapter 289 of the California School Employees' Association for their contribution to City College and the Adult Division; and calls attention to the many necessary functions performed by classified school employees, some of which are generally unheralded and often unnoticed.

6. STUDENT PERSONNEL

6.1 Request for Approval of Candidates for Associate in Arts and Associate in Science Degrees

The Acting Superintendent-President recommends that the Board confer upon each of the students listed below the Associate in Arts and the Associate in Science degrees subject to completion of the State and local requirements of such degrees. These are additions to those listed on attachments 6.1-a through 6.1-e and 6.1-f of the agenda for today's meeting.

The Acting Superintendent-President further recommends that the above recommendation be applicable to any students who are certified by him to have completed the State and local requirements for the Associate in Arts and Associate in Science degrees between May 22, 1969 and the day of Commencement, June 12, 1969.
