1.4 Executive Session

At 4:08 p.m., the Board adjourned to go into executive session with Dr. Cooder in the Superintendent’s Office.  

At 4:40 p.m., the regular meeting of the Board of Trustees of Santa Barbara Junior College District reconvened in regular session in the Board Room of Santa Barbara City College. Mr. Fillippini stated that the executive session had been confined to the discussion of salary schedules and fringe benefit adjustments.

1.5 Minutes of Regular Meeting of May 13, 1971

Upon motion of Mr. Garvin, seconded by Mr. Wells, the Board unanimously approved the Minutes of the Regular Meeting of May 13, 1971, as delivered.

1.6 Hearing of Citizens

None

1.7 Communications

a. Letters of Appreciation and Commendation of the MECHA and BSU Students in the Tutoring Program at Santa Barbara City College

The Superintendent informed the Board that Attachment 1.7-a contained two letters received expressing appreciation for the voluntary work of SBCC students—members of BSU and MECHA at Lincoln School and Wilson Elementary School.
(ADDENDUM) b. **Recommended Approval of Resolution No. 23, Endorsing the Concept of a Feasibility Study to Determine the Potential of this Community for a Medical School**

The Superintendent advised the Board of a letter received from the Santa Barbara County Medical Society requesting support, in the form of a resolution by the Board of Trustees, for an early feasibility study to determine the potential of a possible medical school in the Santa Barbara community and its potential impact upon medical practice and facilities. Endorsement by the Board of Trustees was requested because of the interest and involvement of Santa Barbara City College in paramedical education.

Considerable discussion was devoted to the need for adequately trained medical and paramedical personnel in the community and what an endorsement of such a feasibility study proposal would mean to the District. It was noted that no District funds would be involved, only support of the concept. The financial support required for the feasibility study, some $10-15,000, is to be solicited from foundations and other groups by the Santa Barbara County Medical Society.

Upon recommendation of the Superintendent, it was moved by Mr. Garvin, seconded by Mr. Wells, and carried unanimously by the Board to approve Resolution No. 23, endorsing the concept of an early feasibility study to determine the potential of a medical school in the Santa Barbara community and to determine the potential impact upon medical practice and facilities, and recommending that a search for funds to finance such a feasibility study be carried out at once. On poll of the Board, the vote was as follows:

Ayes: Mrs. Alexander, Mr. Fillippini, Mr. Frank, Mr. Garvin, Mrs. Gutshall, Mr. Wells

Noes: None

Absent: Mrs. Meigs

(ADDED ITEMS) The Superintendent commented on the following two items:

(1) Mrs. Meigs returned home from the hospital last Wednesday, May 26, and is recovering nicely from surgery. She is feeling much better and is planning to attend the next Board Meeting on June 10.
(2) The Superintendent addressed the President of the Board of Trustees, Mr. Fillippini, and on behalf of the members of the staff and the students of SBCC congratulated him on being named to head a new $3.5 million national Management-Union Training Program in Washington, D.C. The Superintendent stated that they were proud of his selection and pleased for him but that he would be missed, his great dedication and his wise counsel to Santa Barbara City College and the community. The Superintendent expressed the hope of showing more adequately SBCC's appreciation on June 23 at the reception to be held in the Campus Center to honor both Mr. and Mrs. Fillippini.

Mr. Fillippini said that he was indebted to the College and felt that his service on the Board played a vital role in his new appointment. He indicated he would reserve additional comments for the reception.

2. PERSONNEL

2.1 Certificated Personnel

a. Recommended Approval of Instructors for 1971 Summer Session

Upon motion of Mrs. Alexander, seconded by Mr. Wells, the Board unanimously approved the certificated instructors listed in Attachment 2.1-a for the 1971 summer session.

b. Recommended Appointment of P.E. Coaching Assistants

Upon motion of Mr. Wells, seconded by Mrs. Gutshall, the Board approved the appointment of the P. E. Coaching Assistants in Football for the 1971-72 college year, as indicated in Attachment 2.1-b.

c. Recommended Appointment of Additional Continuing Education Instructors

Upon motion of Mr. Garvin, seconded by Mr. Frank, the Board approved the appointment of the additional instructors for the Continuing Education Division as indicated in Attachment 2.1-c.

d. Recommended Authorizations of Travel and Conference Attendance

Upon motion of Mrs. Alexander, seconded by Mrs. Gutshall, the Board approved the travel and conference attendance as indicated in Attachment 2.1-d.
e. **Recommended Change in Sabbatical Leave Policy**

The Superintendent advised the Board that Attachment 2.1-e contained the sabbatical leave policy for non-administrative certificated personnel which they had approved on January 9, 1970. The Board was informed that the Representative Council on February 16, 1971, requested that the policy be amended by changing the compensation for one academic year from 50% to 75% of normal salary. It was noted that the commitment of district resources would remain at the previously agreed upon maximum. Proposed costs for sabbaticals for next year have been calculated and indicate that except for any increase in hourly pay, costs to the District to implement the new compensation policy for next year would be about one-half the amount set as a maximum.

Upon recommendation of the Superintendent, it was moved by Mr. Frank, seconded by Mrs. Alexander, and unanimously carried by the Board to approve the sabbatical leave policy amendment effective the 1971-72 college year which changes the compensation to 75% of the normal salary for one academic year.

2.2 **Classified Personnel**

a. **Recommended Acceptance of Resignation**

Upon motion of Mr. Garvin, seconded by Mr. Wells, the Board voted to accept the resignation of Mr. James Staples, as indicated in Attachment 2.2-a. (Note: Effective Date should be corrected to read "May 31, 1971").

b. **Recommended Approval of Six-Month and Yearly Salary Increments**

Upon motion of Mr. Wells, seconded by Mr. Frank, the Board approved the six-month and yearly salary increments listed in Attachment 2.2-b.

c. **Recommended Replacement Appointments**

Upon motion of Mr. Garvin, seconded by Mr. Wells, the Board approved the replacement appointments for the Custodial and Grounds Departments as indicated in Attachment 2.2-c.
d. **Recommended Hourly Appointment**
   
   Upon motion of Mr. Wells, seconded by Mrs. Gutshall, the Board approved the substitute hourly appointment in the Custodial Department as indicated in the Attachment 2.2-d.

e. **Recommended Hourly Appointment - Continuing Education**
   
   Upon motion of Mr. Garvin, seconded by Mr. Frank, the Board approved the hourly appointment of a professional accompanist for the Continuing Education Division as indicated in Attachment 2.2-e.

f. **Recommended Student Appointments**
   
   Upon motion of Mr. Frank, seconded by Mr. Wells, the Board approved the hourly appointments of the students listed in Attachment 2.2-f.

g. **Recommended Authorization of Travel and Conference Attendance**
   
   Upon motion of Mr. Garvin, seconded by Mrs. Gutshall, the Board approved the travel and conference attendance as indicated in Attachment 2.2-g.

3. **STUDENT PERSONNEL**

3.1 **Recommended Approval of Candidates for the Associate in Arts Degree**
   
   Upon recommendation of the Superintendent, it was moved by Mrs. Gutshall, seconded by Mr. Wells, and unanimously carried by the Board to approve the 513 students listed in Attachment 3.1 for the Associate in Arts Degree, subject to the completion of the State and local requirements.

3.2 **Recommended Approval of Candidates for the Associate in Science Degree**
   
   Upon recommendation of the Superintendent, it was moved by Mr. Garvin, seconded by Mr. Wells, and unanimously carried by the Board to approve the 83 students listed in Attachment 3.2 for the Associate in Science Degree, subject to the completion of the State and local requirements.

(ADDENDUM) a. **Recommended Approval of Honorary Associate in Science Degree**
   
   The Superintendent informed Mr. Fillipponi of this addendum item and recommended that the gavel and chairmanship be turned over to another member for discussion and consideration of this item.
Mr. Garvin accepted the chairmanship for this particular item. He read the proposed resolution which outlined Mr. Fillippini's career, his record of superior service to the community, his record of service to education, and expressed the Board of Trustees' respect and appreciation for his "extraordinary and exceptional service to his fellow citizens", and stated that the Board of Trustees wished to confer upon Mr. Wilbur L. Fillippini the honorary degree of Associate in Science. Upon motion of Mr. Garvin, seconded by Mr. Wells, Mr. Fillippini's fellow Board members unanimously adopted Resolution No. 24 conferring upon Board President, Wilbur L. Fillippini, Santa Barbara City College's honorary degree of Associate in Science. On poll of the Board, the vote was as follows:

Ayes: 5 Mrs. Alexander, Mr. Frank, Mr. Garvin Mrs. Gutshall, Mr. Wells

Noes: None

Absent: 1 Mrs. Meigs

Abstained: Mr. Fillippini

Mr. Huglin added that the Division Chairmen Committee, representing the faculty members (135), enthusiastically endorsed the conferring of an Associate in Science Honorary Degree on Mr. Fillippini.

Mr. Fillippini stated he was speechless and absolutely overwhelmed by the honor which he never anticipated. He was extremely pleased at the wording of the resolution. He related that when he was being considered for his new position, he was concerned about not having any degrees since his formal education consisted of graduation from Santa Barbara High School. He indicated that education can be obtained in many ways. Addressing those present, he said "Let's keep our students in school because gaining education through practical experience the way I did it was doing it the hard way."

He stated that having the degree bestowed on him is something he will be very proud of and plans to hang it in his new office in Washington, D.C. He conveyed his deepest appreciation by saying that "this is one of the most beautiful things that has ever happened to me."
3.3 Notice of Initial Award of $12,672 for Operation of SBCC Work-Study Program

The Superintendent informed the Board that Attachment 3.3 contained the notice of the first installment on the College's Work-Study grant for the coming year, in the amount of $12,672. A total of $39,143 is expected for fiscal year, 1972, which represents two-thirds the level of funding received last year.

4. CURRICULUM AND INSTRUCTION

4.1 Report on College Abroad Program

Dr. Martin Bobgan, Assistant Dean of Continuing Education and Coordinator for the College Abroad Program presented a brief progress report on SBCC's 1971 schedule for the College Abroad Program. He said that two 41-day credit program study groups and one 31-day non-credit program are being offered. A humanities study group will be led by Mr. Jack R. Ullom, SBCC Fine Arts Instructor; the art travel group by Mrs. Priscilla Bender-Shore, Fine Arts Lecturer; and the non-credit class by Mr. Vern Swanson, Santa Barbara Museum of Arts Official.

Dr. Bobgan reported that 45-50 students have signed for the three College Abroad Programs and that more are expected to sign up. The College conducted a similar program last year. The students pay all costs; there is no District expense.

Mr. Fillippini, on behalf of the Board, thanked Dr. Bobgan for his fine report and stated they were proud of the program and recognized the work that has gone into making up the tours.

(ADDENDUM) 4.2 Report on the Improvement of Instruction Committee Recommendations for Special Innovative Project Funding

Dr. Thomas F. MacMillan, Director of Research & Development, reported on the final recommendations of the Improvement of Instruction Committee for Special Innovative Project Funding. He informed the Board that Mr. Conrad Weiler was chairman of the faculty committee that reviewed the 16 proposals submitted. Attachment 4.2 contained information on all the proposals.

Seven out of the 16 proposed projects will need released-time authorization to develop instructional materials and develop instructional programs using the equipment previously approved
under Title VI of the Higher Education Act of 1965. Only those projects with a direct relationship to being funded were recommended. Recommended instructional proposals are in the Social Science Division (2), Foreign Language Division (3), Business Division (1), and Physical Science-Geology (1). All materials and supplies will be taken from the District's A. V. Budget. Such items, already requested and budgeted, will represent no new cost beyond what has already been planned. New items will be purchased with Title VI funds unexpended after priority items are purchased.

5. BUSINESS SERVICES

5.1 Recommended Authorization and/or Ratification of Purchase Order Numbers for Supplies, Equipment, and Services

Upon motion of Mr. Garvin, seconded by Mr. Wells, the Board authorized and/or ratified the purchase of supplies, equipment, and services as indicated on Attachment 5.1.

5.2 Recommended Authorization and/or Ratification of Payment of Claims

Upon motion of Mr. Garvin, seconded by Mrs. Gutshall, the Board voted to authorize payment of claims listed on Attachment 5.2 and all similar claims presented prior to the Board meeting.

5.3 Recommended Approval of Authorization to Make Inter-Budget Transfers

Upon motion of Mr. Wells, seconded by Mrs. Alexander, the Board unanimously voted to grant authorization to the County Superintendent of Schools to make financial transfers in the District's accounts as are necessary.

5.4 Recommended Approval of Appropriation Transfer #71-035 in the Amount of $300 to Meet Operational Needs

Upon motion of Mr. Garvin, seconded by Mr. Wells, the Board approved an appropriation transfer in the amount of $300 to cover supplies for the nursery school program, as indicated in Attachment 5.4.

5.5 Notification of Proposed Increase in Costs for Blue Cross Premiums

The Superintendent informed the Board that Attachment 5.5 contained notification of the increase in premium rates for medical coverage for employees, effective October 1, 1971.
The rate increases, approximately 28 percent, from $18.05 to $23.10 per employee per month and will be paid by the District.

(Item 5.12 was taken out of order at this time.)

5.6 Recommended Approval of Salary and Personnel Benefits for Certificated and Classified Employees for the 1971-72 College Year

The Superintendent referred to Enclosure 1, "Recommended Salary and Personnel Benefit Adjustments, Certificated and Classified Staffs, 1971-72 College Year", and stated that the document summarized the discussions and agreements between himself and the salary committee representatives from the classified and certificated employee organizations. He noted that the salary recommendations had been discussed fully with the Salary Committee of the Board of Trustees, comprised of Mr. Frank (chairman), Mr. Garvin, and Mrs. Alexander.

The Superintendent called the Board's attention to the "Table of Contents", the "Summary of Cost to the District for Implementing the Recommendations", and the page of signatures of all the members of the employee salary committees indicating their agreement with the salary and personnel benefit recommendations contained in the enclosure. The proposed salary schedules and personnel benefits were outlined and explained, and it was recommended that the proposed adjustments in the amount of $203,125 be approved, with the following breakdown: (Percentage Increases)

| Certificated Salary Schedule |  
|------------------------------|---|
| 0.2% Differential to 67th percentile |  
| 5.6% Adjustment for Cost of Living and to maintain 67th percentile |

(Dollar Amount: $44,469)

Personnel Benefits

Health Insurance Improved Benefits for all District Employees - Change to Blue Cross Plan-Code 8077
(Dollar Amount: $4,738)

In answer to a question by Mr. Wells, Dr. Sorsabal indicated that undistributed reserve would cover the salary proposal increases.

Col. Temple, Executive Secretary of the Santa Barbara County Taxpayers' Association, Inc., stated that the Association wanted to go on record, for the Board's consideration, by saying that they hoped the District would retain the tax rate at within the 58¢ and would be careful with the reserves in light of the fact that the teachers' retirement would likely be increased 1% this year.

Mrs. Alexander responded by saying that as a member of the salary committee the question about the reserve had been of great concern to them in their discussions. She asked to go on record as saying that keeping an adequate reserve will be one of the top areas of consideration. In addition, she voiced the Board's awareness of the economic situation in the community and of their obligation to serve the various educational and vocational needs of the community. She felt a commitment to keep the City College at a level that will assist them in doing the job the community demanded in the past and will demand in the future.

Mr. Frank, as chairman of the Board Salary Committee, thanked his fellow committee members for their time spent analyzing the salary and benefit proposals, with the prime objective of maintaining the high quality in the staff. He noted the high morale and the committee involvement of the staff and referred to the difficult economic situation they are faced with. In addition, he thanked
the salary committee for their cooperation and understanding
the situation and expressed his appreciation to Dr. Gooder for
handling of the interviews and negotiations. He stated his
satisfaction with the salary package presented and recommended
the Board accept the proposed salary and benefit recommendations
as indicated in Enclosure 1.

Upon motion of Mr. Frank, seconded by Mr. Wells, the Board
unanimously approved the adoption of the "Recommended Salary and
Personnel Benefit Adjustments for 1971-72" as presented by the
Superintendent - Enclosure 1.

The Chairmen and representatives of the various salary
committees thanked the Board for their acceptance of the proposal
and voiced their appreciation to Dr. Sorsabal and Dr. Gooder for
their cooperation.

Mr. Fillippini briefly commented on the fact that there was
no Board more concerned with the employment situation in the
community and stated from his experience in working with these
unemployed persons there was only one way for a Board to justify
increases under these circumstances to the general public,
based on the College's continuing the excellence of the education
offered by the teaching staff to the students in the community.

Mr. Fillippini stated that the Board in Executive Session
by unanimous motion approved the increase of the Superintendent-
President's salary from $28,000 to $28,500, approximately a 5.1%
increase.

Upon call for a vote, it was moved by Mr. Garvin, seconded
by Mrs. Alexander, and unanimously approved to grant the
Superintendent-President the 5.1% salary increase for the 1971-72
college year. The Superintendent thanked the Board for their
action.

5.7 Recommended Acceptance of Estimate of Cost for Construction of
Stairway - O. K. Industries - $4,987

The Superintendent stated that the staff at the last meeting
reported on the need for construction of a stairway from Parking
Lot 2-A to the entrance drive and requested authorization to seek
estimates for the work. An estimate under $5,000 was received. Other bids were: Don Greene, Contractor, Inc., $5,730, and Tye Construction, Inc., $6,300.

Upon recommendation of the Superintendent, it was moved by Mrs. Gutshall, seconded by Mr. Garvin, and unanimously carried by the Board to accept the estimate of $4,987 from O. K. Industries and to authorize the issuance of a contract to them for the construction of the stairway from Parking Lot 2-A to the entrance drive.

5.8 Recommended Approval of Change Order No. 10, P. E. Complex
Don Greene, Contractor, Inc. - $1,172

Upon recommendation of the Superintendent, it was moved by Mr. Garvin, seconded by Mrs. Gutshall, and carried by the Board to approve Change Order No. 10 for the additional amount of $1,172 to the contract with Don Greene, Contractor, Inc., authorizing repair of an existing sidewalk, and waterproofing of a drainage area to correct hazardous and leaking conditions at the existing locker and shower building, as delineated in Attachment 5.8. The new contract price total is $1,858,509.

5.9 Progress Report - P. E. Complex

The Superintendent called the Board's attention to Attachment 5.9, Inspector’s Report No. 58 for the period ending May 15, 1971, which indicated that 77.60 percent of the contract time had elapsed with 87.50 percent of the work completed.

5.10 Recommended Approval of Contract with Daniel, Mann, Johnson & Mendenhall (DMJM) Architects for Remodeling and Rehabilitation

5.11 Recommended Approval of Contract with Daniel, Mann, Johnson & Mendenhall (DMJM) Architects for Plans and Specifications for Relocatable Facilities

Upon recommendation of the Superintendent, it was moved by Mr. Garvin, seconded by Mrs. Alexander, and carried by the Board to approve additional contracts with DMJM for the following construction items: (1) development of plans and specifications for the remodeling of selected campus facilities, not to exceed

***(Mr. Wells was excused from the meeting at 6:31 p.m. due to a prior commitment at the Goleta Boys Club.)***
12 percent of the remodeling cost; and (2) development of plans and specifications for additional modular, relocatable building facilities on the campus.

5.12 Presentation of Preliminary Budget for 1971-72

The Board members were presented with copies of the "Preliminary Budget, Santa Barbara Community College District, 1971-72", along with a letter from the Superintendent which summarized the $6,118,025 Preliminary Budget.

The Superintendent informed the Board that the Preliminary Budget represented the educational program for the District in fiscal terms, is 9 percent below original budget requests of $6,691,587, and a 15 percent ($804,968) increase compared to the budgeted expenditures for the 1970-71 college year. The tentative budget, as presented, does not include the salary adjustments or the increase in medical insurance benefits discussed at the meeting (Items 5.5 and 5.6) which will be taken from the reserves. It was pointed out that the "Income" portion of the budget document was the most tentative portion because total funding support from Federal and State sources are not yet fixed. Although the program is not optimal, the tentative budget presents a balanced educational program within the confines of the District's financial ability for 1971-72, expenditures outlined will be further refined, and additional resources will be sought to maintain the educational program of the District.

Dr. Sorsabal, Administrative Dean of Business Services, noted the highlights of the budget presented. Included in the budget were the 8-2/3 certificated positions and 4 classified employees, previously approved, which represented an increase of $125,000 in salaries. The major expenditure areas noted were: (1) Phase I construction expenses for Pershing Park, $350,000 has been budgeted; and (2) Increased maintenance and operating expenses for campus buildings, 3.1 percent has been budgeted; and (3) Minimum staff increases to meet a rapidly rising enrollment and related building construction.
Dr. Sorsabal indicated that the balanced budget presented at this preliminary stage would be more balanced as time goes on because of expected duplications in the figures which will increase the reserves. There is presently $273,000 in the reserves due to unanticipated income in State apportionment.

During the next several weeks, additional budget review meetings between the College staff, the Board, and the Administration will be held to develop a tentative budget for presentation to the County Superintendent by July 1, 1971. The final budget adoption by the Board of Trustees will be completed by August 7.

6. GENERAL INFORMATION

6.1 SBCC Alumni Follow-Up Study

Dr. Thomas MacMillan, Director of Research & Development, scheduled to summarize the findings of an alumni survey from classes covering the last 15 years, delayed his report until the next Board meeting because of the lateness of the hour.

6.2 Report on Coming Events

Mr. James Williams, Director of College Information, reported on items of interest which had been scheduled by Santa Barbara City College and its Continuing Education Division for the period of May 28 to June 10, 1971.

7. ADJOURNMENT

Upon motion by Mrs. Alexander, seconded by Mr. Frank, the Board voted to adjourn the meeting at 6:45 p.m.

Upon recommendation of the Superintendent, the Board agreed to hold the next regular meeting of the Board of Trustees at 3:00 p.m. on Thursday, June 10, 1971, in the Board Room of Santa Barbara City College, due to the fact that Commencement would be held at 5:00 p.m. on that date.

Attest:

Wilbur L. Fillippani
President, Board of Trustees
Santa Barbara Junior College District

Glenn G. Gooder
Superintendent-President & Secretary-
Clerk to the Board of Trustees
Santa Barbara Junior College District
