STATEMENT OF ASSURANCES
WORK-STUDY PROGRAM

Santa Barbara Community College

The District hereby gives the following assurances:

1. All programs, services, and activities covered by this application will be operated in accordance with the Act, Regulations, and the California Plan for Vocational Education.

2. This assurance of compliance with Title VI of the Civil Rights Act of 1964, dated and filed February 18, 1965, applies to this application.

3. The accuracy of the financial information contained in this application has been reviewed by the fiscal office of this school district.

4. The necessary records consistent with those suggested under Files and Documentation, page 9, will be maintained to document total vocational education expenditures, programs, services, and activities set forth in this application. These records will be available for use in the preparation and submission of annual reports as required by the state, and for the regular post-audit of the district.

5. The employer shall provide adequate, responsible supervision of Work-Study students on the job.

6. Employment under such Work-Study programs shall not supplant regular full-time or part-time employees in the schools, agencies, or institutions involved.

7. Students employed in Work-Study programs shall not, by reason of such employment, be deemed employees of the United States, or their work deemed Federal Service, for any purpose.

8. Employment under the Work-Study program will be for the local school district or for some other public agency or institution (federal, state, or local) pursuant to a written arrangement between the local school district and such other agency or institution.

9. Workmen's Compensation Insurance will be provided for each and every student employed through the Work-Study program.

10. Information regarding the determination of the student's financial need shall be a part of the file of each student in the Work-Study program.

11. The amount of state and local funds expended for Work-Study students during this fiscal year will be at least equal to the average annual expenditure for Work-Study programs of a similar nature conducted during the three fiscal years immediately preceding this application.

12. Money received through Part II, P.L. 576, shall be used solely for the purpose of compensating students employed under the Work-Study program.

13. The requirements of the Act and the California State Plan for Vocational Education will be complied with regarding hours and compensation, age range of eligible students, and enrollment requirements.

14. The Work-Study program will comply with federal and state labor code requirements.

1. Purposes and Goals

PURPOSE: The Work-Study program under P.L. 90-576, Part H, is designed to provide part-time employment for youths who need the earnings from such employment in order to commence or continue their vocational training on a full-time basis.

GOAL: To provide employment for those full-time vocational students who may not otherwise complete the vocational program in which they are enrolled because of financial difficulties, especially those in areas of the state which have a substantial number of youths who have dropped out of school or who are unemployed.

2. Student Needs

2.1 Basis for determining student needs:

ACT - Federally approved external needs analysis.

3. Work Compensation

3.1 Basis for determining hours of work and compensation:

Rules and regulations adopted by the S.B.C.C. Board of Trustees (unless contrary to State guidelines) will be used in determining hours of work and compensation, i.e. 15 hrs./week, $1.80/hr.

3.2 Range of hourly rates of compensation:

One rate is used - $1.80/hr.
4. Estimated Students Served

4.1 Number of full-time vocational education students eligible for compensation

\[\begin{array}{cc}
\text{Male} & \text{Female} \\

\end{array}\]

4.2 Number of students who will probably receive compensation from Vocational Work-Study programs based upon this application

\[\begin{array}{cc}
\text{Male} & \text{Female} \\
15 & 15 \\
\end{array}\]

5. Estimated Student Compensation

5.1 Number of students who will earn $350 or less during the academic year in Vocational Work-Study

\[\begin{array}{cc}
\text{Male} & \text{Female} \\
20 & 20 \\
\end{array}\]

5.2 Number of students who will earn in excess of $500 during the fiscal year in Vocational Work-Study

\[\text{NONE}\]

6. Information Regarding Estimated Number of Dropouts and Unemployed Youth between the ages of 15 and 21

6.1 The percent of youth eligible for participation in the Vocational Work-Study programs who dropped out of school in the preceding fiscal year

\[\text{Estimated at 7\% of total vocational majors.}\]

6.2 The percent of the total school population in this age range who have dropped out of school in the preceding fiscal year

\[\begin{array}{cc}
\text{Male} & \text{Female} \\
6\% & 5\% \\
\end{array}\]

6.3 The rate of unemployment for this age range

\[\text{11-12\% (E.D.D. figures)}\]

7. Maintenance of Effort (Refer to "Limitations," Item 6 of the instruction booklet.) Annual expenditure of state or local funds for Work-Study students

\[\begin{array}{c}
\text{Fiscal Year} \\
71-72 & 8,290 \\
72-73 & 3,157 \\
73-74 & 21,600 \\
\end{array}\]

7.2 Average for these three years 11,060

8. Evaluation

8.1 Describe the evaluation procedures used to determine the success of the program in allowing students to continue their vocational training on a full-time basis:

Make comparisons between attrition rate percentages among two groups, i.e. group who received financial aid and composite group of vocational majors who did not.
