"Temporary" certificated personnel are employed to replace "regular" employees on leave or for special
temporary enrollment situations.

Several outstanding certificated employees are
serving the District this year as in past years in "temporary" assignments. It is necessary to take
official action prior to March 15 of the year in the
case of "temporary" employees who are employed over
60 percent of a full assignment if they are not to

d. RECOMMENDED APPROVAL OF PAYMENT OF RADIOLOGIC TECHNOLOGY ANNUAL REGISTRATION FEE IN THE AMOUNT OF $350

Attachment 5.2-d

In the past, the yearly fees have been customarily paid by the six participating hospitals. However, in keeping with the philosophy that a program must be totally under college control, the Joint Review Committee has stated that the fees must be paid by the college responsible for the program.

Payment of this fee has been reviewed by the Resources Allocation Review Board and carries their recommendation. The Superintendent/President concurs in the recommendation of payment by the college.

It is recommended that approval be given for payment of the 1977 Annual Registration Fee - Radiologic Technology - in the amount of $350 and that this amount be added to the Health Occupations budget.

e. RECOMMENDED RATIFICATION OF UPDATING OF SIMPLEX CAMPUS MONITORING AND CONTROL SYSTEM, BOND FUND ($20,500)

An examination of the District's control system indicates that with the addition of the Occupational Education and Humanities Buildings, and with the completion of the new Drama/Music Building, the present control system cannot adequately handle the heating and ventilation control and the fire alarm systems for all of the new buildings. This type of updating is usually done within the construction contract, but was not included in these projects. Therefore, it is essential that the system be brought up to date.

The Superintendent recommends ratification of the updating of the Simplex Campus Monitoring and Control System in the amount of $20,500 from the Bond Fund.

f. RECOMMENDED APPROVAL OF CONTRACT MODIFICATION, DRAMA/MUSIC FACILITY, DON GREENE CONTRACTOR, INC., CONTRACTOR

Attachment 5.2-f

The construction contract for the Drama/Music Facility with Don Greene Contractor, Inc., specifies monthly payments to the contractor amounting to 90% of the value of the labor and materials incorporated in the work. The additional time required for this project, due to the lack of high voltage power, has also extended the time the contractor must wait for final payment. The contractor has, therefore, requested the contract be modified to allow payment up to 95% of the value of labor and materials.

It is recommended that approval be given of a modification to the Drama/Music Facility contract with Don Greene Contractor, Inc., to allow payment of 95% of approved labor and materials incorporated in the work.
