Members of the Facilities Committee:
Members of the Board of Directors:

The Carpinteria Parent-Child Workshop is one of the four cooperative preschools in the Continuing Education Division of Santa Barbara City College. The college pays the salary of the Director, but the school itself is a non-profit organization incorporated in the State of California and supported by a small tuition and the fund raising efforts of the parents. The parents take part in the morning educational program for their preschool children and attend a weekly 2½ hour evening class in parent education. These programs have long standing in the area and have proven themselves valuable to, by now, thousands of young families, as well as to the community.

The Carpinteria Parent-Child Workshop originated in Montecito as a parent cooperative in 1951, came under Adult Education in 1956 and moved to Carpinteria in 1966. It enjoyed 11 years of facility security at the Carpinteria Community Church, but in 1978 the Church started its own day care center and the Workshop was forced to move. During an interim year, 1978-79 the devoted parents, committed to involvement in their children's education and to the enhancement of their own parenting skills, carried on the program in El Carro Park in Carpinteria, using Canalino School for the adult classes. During this year, thanks to donations from the Santa Barbara Foundation and the City of Carpinteria (which appreciates the contribution the school makes to the life of the community), and through various fund raising events, the Workshop was able to purchase a portable classroom. Carpinteria Boys Club has generously allowed the Workshop to locate the building temporarily on its property, so that the program could continue.

Meanwhile, the Workshop has located a parcel of land in the City of Carpinteria on Sixth Street which belongs to the State of California. Thanks to the efforts of Assemblyman Gary Hart and with the cooperation of City College's Charles Hanson, the State has tentatively agreed to lease the land for the use of the Workshop for 5 years with a 5 year option to renew. However, according to the law, the State can only lease to another State supported agency. It could lease to Santa Barbara City College, but not directly to the Carpinteria Parent-Child Workshop.

We come now to the Facilities Committee for conceptual approval urging you to make possible the continuation of our program. We are not asking for money, we would pay all of the...
Members of the Facilities Committee
Members of the Board of Directors:

expenses, just as we have in our locations at the Community Church
and the Carpinteria Boys Club.

We appreciate your time in considering this matter and any
help you can give us.

Yours very truly,

[Signature]

Susan Anderson
President, Carpinteria
Parent-Child Workshop
Carpinteria Parent-Child Workshop

July 27, 1980

Dear Dr. Dobbs and Members of the Santa Barbara City College Board of Trustees,

The parents of the Carpinteria Parent-Child Workshop respectfully ask that you conceptually approve our request to allow Mr. Charles Hanson to begin negotiations with the State of California, General Services Agency, for the lease of surplus park land on 6th Street in Carpinteria (Assessor Parcel #3-33-5). Additionally, we ask that Mr. Hansen seek to obtain a long term lease, and in consideration of the expenses for on and off site improvements, a very minimal yearly rent.

Through the generosity of several local businesses, a site plan has been developed for the site (see attachment #1). Members of the Workshop have researched the estimated costs to implement the plan (see attachment #2) and have developed a funding strategy. The Carpinteria Parent-Child Workshop plans to raise $17,000 by September 1, 1981, in the following ways:

1. 1979/80 Savings $1700
2. Fall, 1980 Vanishing Tea Party $3000
3. Fall, 1980 Auction $3000
4. Fall, 1980 Grant Applications
   - Santa Barbara Foundation $3000
   - Alice Tweed Tucky Foun.
6. Christmas Boutique $500
7. Spring, 1981 Western Bar B Q $2000
8. Spring, 1981 Grant Applications
   - County Revenue Sharing $2000
   - City Revenue Sharing
   - United Way

School Address: 4849 Foothill Rd. • Mailing Address: 1880 Cravens Ln. • (805) 684-5310
Carpinteria, California 93013
It is the intent of the Workshop to be fully responsible for the expenses and continued operation of the school. Any additional expense incurred by the City College, such as increased insurance coverage, should be minimal. For your information, we have enclosed a copy of our financial statement (see attachment #3), the 1979/80 income-expense statement and proposed 1980/81 budget (see attachment #4).

In closing, we wish to thank you for your consideration of this matter and to thank Mr. Hanson for his guidance in bringing this request to you.

Sincerely,

Susan Anderson

Dear Dr. Dobbs and Members of the Santa Barbara City College Board of Trustees,

The Junior League of Santa Barbara is committed to increasing the availability of parenting education within our community. Our League joined with the 14 other California Leagues in 1976 to survey the services available for children in their communities. Many respondents, in addition to pointing out needs for direct services to children, stressed repeatedly the need for prevention in areas such as child abuse and juvenile delinquency. Those who were professionally involved in helping children or families in crisis situations most often pointed to better "parenting" as a starting point.

A follow-up study on "Parenting" was done by the Junior League of Santa Barbara in 1978. It was designed to find out what good parenting is, whether parenting education should take place outside the home, who needs parenting education and what resources are available on parenting in Santa Barbara. This study formed the basis for a formal position statement, adopted by the 15 California Junior Leagues in 1978, supporting increased availability and access to parenting education beginning in elementary school and continuing through secondary school. This study also formed the basis for development of a local project utilizing the findings and recommendations. You know it as the Santa Barbara Parent Support Center and it is supported by both the City College and the City Schools. The underlying philosophy of the Center parallels that of the Parent-Child Workshops - that parents learn best in a laboratory situation, working with children under the supervision of trained educators.

Members of the Junior League are active participants in all four Parent-Child Workshops in the South Coast area. When news of the up-coming hearing regarding the Carpinteria Workshop's relocation plans was presented to our membership last November, they overwhelmingly voted to support their efforts. We realize that the stress on their program of two recent moves and temporary cramped facilities could ultimately threaten the long term viability of this Workshop. Members of our Public Affairs Committee have been working with the Workshop Board of Directors to facilitate development of the plan and to help in any way as the Workshop works its way through the various government agencies.
The Junior League of Santa Barbara wishes to thank you for your consideration of this matter.

Sincerely,

Carole Mac Elhenny
President
Junior League of Santa Barbara

Mrs. Reece Duca  
Chairman, Public Affairs Committee  
Junior League of Santa Barbara, Inc.  
3003 Padaro Lane  
Carpinteria, California 93013

Dear Mrs. Duca:

This letter is to state that the Board of Directors of the Girls Club of Carpinteria fully supports the Junior League of Santa Barbara, Inc. in acting as an advocate on behalf of the Carpinteria Parent Child Workshop in their effort to obtain a lease agreement between Santa Barbara City College and the State Department of General Services for an unused piece of State land in downtown Carpinteria which will provide the CPCW with a permanent site on which to place its portable classroom. The Carpinteria Parent Child Workshop is one of four parent child workshops operating under the auspices of Adult Education, Santa Barbara City College.

The Carpinteria Parent Child-Workshop present situation is very tenuous since the Carpinteria Boys Club is culminating their drive to build a gym on the CPCW present rental site. It is, therefore, imperative that a permanent lot be obtained.

The CPCW has been an integral part of the Caprinteria Community for the past 21 years and the Board of Directors of the Girls Club of Carpinteria would like to express its gratitude to the Junior League of Santa Barbara, Inc. for its efforts on behalf of the CPCW. The CPCW program of providing parenting skills is a vital element in the sphere of Youth Services and a necessary part of the continuing well being of a small close community such as Carpinteria.

Respectfully,

[Signature]
Linda Schlageter, President  
Girls Club of Carpinteria
February 1, 1980

Mrs. Reece Duca
Chairman, Public Affairs Committee
Junior League of Santa Barbara, Inc.
3003 Padaro Lane
Carpinteria, California 93013

Dear Mrs. Duca,

This letter is to inform you that the Board of Directors of Starr-King Parent Child Workshop supports the Junior League in its advocacy position for the Carpinteria Parent-Child Workshop. The Carpinteria Parent-Child Workshop needs advocates in its effort to obtain a lease agreement between Santa Barbara City College and the State Department for General Services for an unused piece of State owned land in downtown Carpinteria. The lease for this piece of land would provide the Workshop with a permanent site for their program.

The Carpinteria Parent-Child Workshop has been in operation for 21 years and has served as a national model for the development of other programs. It operates under the theory that parents learn parenting skills best in a laboratory situation - such as working directly with children. For the past two years, they have been temporarily located on property owned by the Carpinteria Boy's Club. As the Boy's Club is planning to build a new gymnasium on this location within the year, the need for a new and permanent location is imminent.

The Board of Directors of Starr-King Parent Child Workshop feels that the continuation of the Carpinteria Parent-Child Workshop is extremely important to the community. We feel that Santa Barbara City College should make every possible effort to obtain the unused State land for the location of the Workshop with the understanding that the Workshop would be responsible for all financial obligations.

Respectfully,

[Signature]

President

Board of Directors
Starr-King Parent Child Workshop
3162 Calle Fresno  
Santa Barbara, Calif. 93105  
January 15, 1980

Mrs. Reece Duca  
Chairman, Public Affairs Committee  
Junior League of Santa Barbara, Inc.  
3003 Padaro Lane  
Carpinteria, California 93013  

Dear Mrs. Duca,

This letter is to state that the Parent Support Center at La Cumbre Jr. High School supports the Junior League of Santa Barbara, Inc. advocating for the Carpinteria Parent-Child Workshop in their effort to obtain a lease agreement between Santa Barbara City College and the State Department of General Services.  

The Parent Support Center is a cooperative effort of the Jr. League of Santa Barbara, PTA I.D.E.A. and Adult Education. In doing the research for our project, we discovered that the Parent-Child Workshops are doing an outstanding job of teaching parenting to the parents of young children. National research has demonstrated that children who have been in parent-child co-operatives do better in school than children who have not.  

The Carpinteria Parent-Child Workshop is a valuable part of the Carpinteria community. We urge that everything be done to insure that it has a place to put its portable classroom.

Respectfully,

[Signature]

Shirley Ann Hurley, Chairman  
Parent Support Center
December 16, 1979

Mrs. Reece Duca
Chairman, Public Affairs Committee
Junior League of Santa Barbara, Inc.
3003 Padaro Lane
Carpinteria, California 93013

Dear Mrs. Duca:

The Board of Directors of the Oaks Parent-Child Workshop supports the Junior League of Santa Barbara, Inc. in their efforts to act as an advocate on behalf of the Carpinteria Parent-Child Workshop as they work to obtain a lease agreement between Santa Barbara City College and the State Department of General Services for an unused piece of land in downtown Carpinteria. This land could provide the Carpinteria Parent-Child Workshop a permanent site on which to place its portable classroom. Since the Carpinteria Boys’ Club is completing its drive to build a gymnasium on the Carpinteria Parent-Child Workshop’s present temporary location, it is now necessary for them to obtain an alternative facility.

Knowing that a goal of the Junior League of Santa Barbara is to increase the public’s awareness of the need for parenting education, we encourage such efforts on behalf of our own common enterprise. The Carpinteria Parent-Child Workshop is one of four parent-child workshops operating under the auspices of Adult Education, Santa Barbara City College and like the Oaks Parent-Child Workshop, seeks to provide the preschool children with a broad range of stimulating activities at the same time involving the parents in an educational program in child development. We feel this is a valid community endeavor for the Junior League of Santa Barbara to support and express gratitude for their continuing concern.

Respectfully,

Judy Nakamura, Chairman
Board of Directors
Oaks Parent-Child Workshop
Mrs. Reece Duca  
Chairman, Public Affairs Committee  
Junior League of Santa Barbara, Inc.  
3003 Padaro Lane  
Carpinteria, California  93013

Dear Mrs. Duca,

May I state that as President of the Board of Trustees of CALM, I fully support the Junior League of Santa Barbara, Inc., in acting as an advocate on behalf of the Carpinteria Parent-Child Workshop. The Workshop is trying to obtain a lease agreement between Santa Barbara City College and the State Department of General Services for an unused piece of State land in downtown Carpinteria which will provide a permanent site for the Workshop's portable classroom. The Workshop is one of four parent-child workshops operating under the auspices of Adult Education, Santa Barbara City College. The Carpinteria Parent Child Workshop's present situation is soon to be terminated and it is imperative that a permanent lot be obtained.

This Parent Child Workshop has been an integral part of the Carpinteria Community for the past 21 years and the program it provides in parenting skills is vital to the continuing well-being of a small close community such as Carpinteria. I should like to commend the Junior League of Santa Barbara, Inc. for its efforts in advocating for the continued stability and a new location of the Carpinteria Parent-Child Workshop.

Respectfully,

Mrs. Melville Haskell  
President, Board of Trustees  
CALM
