Santa Barbara City College

Santa Barbara, Ca.

REFERENCE: Resignation of Student Representative

Dear Dr. MacDougall, Mr. President, and Members of the Board,

Try as I might, I could not find in any library on OR off campus a book on how to write a resignation letter save one, the Bible. Once again, as always, it has called me to present myself in truth.

After much thought on the priority of my goals and their degree of importance, I have arrived at the conclusion that I am quite over extended and need to dedicate more of my self to first, seeking GOD; secondly, to my new marriage; and lastly, to my work as a computer consultant.

In the best interest of the student body of City College, and the responsibilities inherent to the Student Representative to the Board of Trustees, I am giving formal notice of my resignation.

The level of dedication to the goals and standards of education by you, the Board of Trustees of Santa Barbara City College, is an asset that will be reflected in the lives of all our community members. I consider it a privilege to have known you and regret that time does not allow me the opportunity to serve out my term.

Respectfully Submitted

Sean Steingraeber
