b. APPROVAL OF STUDENT SERVICES CENTER ARCHITECT

Proposals to provide architectural services for the Student Services Center (remodel of the old Library) were received from four architects by the September 18 deadline. From the four proposals two architects were selected for interviews which were conducted on October 1 based on the proposal and additional discussion with the architects. Architects West, Jerry A. Zimmer, AIA, is unanimously recommended at a fee of $135,700 as the Student Services Center Architect.

Funds for the working drawings have been approved. The project includes the design, development phase, construction documents, bidding and construction supervision. The Architect estimates working drawings can be complete by April 30, 1988.

The Superintendent/President recommends appointment of Architects West, Jerry A. Zimmer, AIA, as the Architect for the Student Services Center (Library remodel) for a fee of $135,700.
