ACCEPTANCE OF BIDS AND AUTHORIZATION TO AWARD CONTRACT FOR LIGHTING IMPROVEMENTS - EAST CAMPUS (BID #509)

On May 18, one bid was received for lighting improvements on the East Campus (T buildings - upper field area). Based upon a review of the material/labor costs by the electrical engineer and our original cost estimate for this improvement, the bid is too high to consider. Staff is recommending we re-bid the project later this summer or early fall when the bidding climate is more favorable.

The Superintendent/President recommends Bid #509 for lighting improvements be rejected.
