SBCC
13/14 Enrollment

In 13/14 we had 30,687 unduplicated headcount for the year. Here are multiples ways to examining the data:

**Tri-County Perspective**
70% from the Tri-Counties (SB, SLO, Ventura) (21,615 students)
20% from other counties in California (6,100 students)
4% out-of-state
6% international students

**Santa Barbara County Perspective**
64% from Santa Barbara County (19,727 students)
26% from other counties in California (7,988)
4% out-of-state
6% international students

**In-District Perspective**
63% in-district (19,483 students)
27% out-of-district (8,232 students)
4% from out-of-state
6% international students

- 2,080 dual enrollment students in fall semester 2013 and 1,987 dual enrollment students in spring semester 2014
- 38% Hispanic in fall semester 2013 and 41% Hispanic in spring semester 2014
- 60% under the age of 25 (that is, traditional-age college students)
- 43% of the June 2013 local high school graduates (CUSD and SBUSD) enrolled at SBCC in Fall semester 2013
- Fall semester 2013 unduplicated headcount = 23,020 and spring semester 2014 unduplicated headcount of 25,544
- 2013/14 FTES = 14,294 (borrowed 716 FTES from 2014/15). This represents a 5.7% increase over 2012/13 actuals for credit courses.
