***Mission Statement for Educational Policies Committee***

***Our mission is to review educational initiatives, trends, policies, and proposals that may ultimately be presented to the SBCC Board of Trustees in the form of policy recommendations or study topics.***

**1. Hearing of Citizens**

Members of the public at each meeting location have the opportunity to directly address the Committee on any item of interest to the public that is within the jurisdiction of this Committee whether or not it is an item noticed on this agenda.

Unless otherwise determined by the Committee, each person is limited to five minutes (20 minutes per issue). Those wishing to address the Committee at this meeting should complete a written request and return it to the Committee secretary prior to the Committee meeting (Govt Code Sec. 54954.3).

**2. Approval of Minutes from the meeting of May 14, 2013**

**3. Role of Education in Reducing Recidivism**

This will provide an opportunity to hear about SBCC's updated Transitions Program, and other educational outreach efforts, receive feedback from Law Enforcement and Community Leaders, consider alternative courses of action, and develop specific "next steps" as appropriate.
