

BP 3255 PROGRAM EVALUATION

References:

Education Code Section 78016;
Accreditation Standard I.B

The District requires systematic review of all educational programs and administrative units for the purpose of evaluating and improving effectiveness and integration with the institution's planning and budgeting processes. The Superintendent/President, in consultation with the appropriate participatory governance groups, as stipulated in Board Policy 2510 Participation in Local Decision Making, ensures that procedures are developed and implemented.
