The District is committed to a healthy learning and work environment and to promoting wellness. One component of this commitment is a drug-free environment. The unlawful possession, use, manufacturing, dispensing, or distribution of drugs on District property and at District-sponsored events is prohibited.

The Superintendent/President shall develop procedures to implement this policy and assure that the District distributes annually to each student and employee the information required by the Drug-Free Schools and Communities Act Amendments of 1989 and complies with other requirements of the Act.
