

AP 5210 COMMUNICABLE DISEASE

References:

Education Code Section 76403;
Title 17 Section 2500

The District recognizes that the response protocols for communicable diseases will vary according to the nature and type of pathogen, known modes of transmission, best practices for prevention, and established treatments.

In the event of the identification of a reportable communicable disease, Student Health Services and appropriate District officials will coordinate required responses with the Santa Barbara Department of Public Health.
