This procedure addresses the responsibilities of District employees if they believe unsafe work conditions have or are occurring in the workplace.

It is the responsibility of all employees to immediately report an emergency, threats or acts of violence, crisis or conflict, or any other behavior which deliberately hurts or harms another person at the workplace to their immediate supervisor, the Campus Security Office, and/or local law enforcement. Such reports will be promptly and thoroughly investigated.

In the event of an emergency that threatens life or property and demands an immediate response of police, fire, or medical personnel the employee shall immediately report by first dialing 911, thereby notifying law enforcement, then notifying his/her immediate supervisor or the Campus Security Office.
