

BP 6910 STUDENT HOUSING

References:

No specific references

The District recognizes that the housing needs of its students impact the community and that the community's housing environment impacts students. Given this dynamic, the District is committed as an engaged member of the community to collaboratively address the housing challenge over the long-term.

As a service to students, the Office of Student Life provides information regarding current housing options.

Date Adopted: May 28, 2015
