Pursuant to Education Code Section 88013, the Board’s determination of the sufficiency of the cause for disciplinary action of a classified employee shall be conclusive. (Also see AP 7365 Discipline – Classified Employees.)

No disciplinary action shall be taken for any cause that arose prior to the employee becoming permanent, or for any cause that arose more than two years preceding the date of the filing of any charge against the employee, unless the cause was concealed or not disclosed by the employee when it could be reasonably assumed that the employee should have disclosed the facts to the District.

A permanent member of the classified service shall be subject to disciplinary action, including, but not limited to, oral reprimand, written reprimand, reduction in pay, demotion, suspension, or dismissal, for any of the following grounds:

The record of conviction shall be conclusive evidence only of the fact that the conviction occurred. A plea or verdict of guilty, or a conviction showing a plea of nolo contendere made to charge a felony or any offense involving moral turpitude, is deemed to be a conviction within the meaning of this section.
