Theatre Arts

The Theatre Arts Department at Santa Barbara City College offers a variety of programs of study and experience suited to the needs of the serious theatre student, as well as those students who wish to include theatre arts as part of their liberal arts education. With curricula in Acting/Directing, Design/Lighting, Costuming and Technical Production, the program provides an intensive two-year course of study that prepares Theatre Arts majors for transfer to a four-year college or university—ready to do advanced, upper-division work.

Hands-on practical experience is stressed through a wide-ranging production program. Students have the opportunity of working in all phases of production and performance and are encouraged to take on increasing levels of responsibility. By the time they complete their Associate in Arts degrees, many of our students have appeared in principal roles in student showcase and/or Santa Barbara City College Theatre Group productions, served as crew heads and stage managers on specific productions, and designed or directed showcase performances. These experiences, combined with intensive classes in the various theatre arts disciplines, have contributed greatly to the success of those who have chosen to continue in theatre or related pursuits beyond City College—either through further study or by entering the job market directly.

For the liberal arts student, ample opportunities to participate in productions, either by performing or working behind-the-scenes, combined with the freedom to select courses in areas of interest, provide an exciting and enriching addition to their other studies.

The unique combination of state-of-the-art facilities, professional faculty and staff, and an active, respected production program make theatre studies at Santa Barbara City College worthy of any student’s consideration.

Degrees Awarded
Degree programs are offered to serve both students with a general interest in Theatre Arts, as well as students seeking preparation for a professional career in either acting and directing, design and lighting, or costuming and makeup. Students seeking an Associate in Arts degree with a specialized emphasis may switch to either a different emphasis or to the general Theatre Arts A.A. program at any time prior to finishing their program. Degrees awarded include:

Associate in Arts Degree, Theatre Arts: General
Associate in Arts Degree, Theatre Arts: Acting/Directing
Associate in Arts Degree, Theatre Arts: Design/Lighting and/or Costuming/Makeup

College Requirements
For complete information, see “Graduation Requirements” in the Catalog Index.

A.A. Degree Requirements
The Theatre Arts Department encourages both part-time and full-time students to pursue one of the Associate in Arts degrees that are offered. Both full- and part-time students are strongly urged to consult with department faculty to plan the course sequence for their desired program, as some classes are not offered every semester.

### Preparation for Transfer

Course requirements for transfer vary depending upon the college or university a student wishes to attend. Therefore, it is most important for a student to consult with his/her counselor, departmental adviser, and/or Theatre Arts faculty member before planning an academic program for transfer. Information sheets for majors, outlining transfer requirements, are available in the Counseling Center.
Facilities & Staff
Santa Barbara City College’s programs are produced in the state-of-the-art Garvin Theatre and Jurkowitz Theatre, located on SBCC’s West Campus. Productions are constructed in well-equipped scene and costume studios located adjacent to the theatres. All production work is performed by students under the guidance of professional staff. Students are offered a variety of opportunities and practical experiences in all areas of theatre production.

Special Offerings
SBCC Theatre Group
The Santa Barbara City College Theatre Group is the production arm of the SBCC Theatre Arts Department. It seeks to further student education by providing a practical performance experience and by integrating full-time students, community talent and professional guest artist teachers into a productive family for mutual growth and professional and educational enrichment.

Students involved in productions are required to commit themselves to a six- to eight-week rehearsal and performance period.

Student actors/actresses enroll in the Santa Barbara City College Theatre Group production program (TA Workshop 141-144: contact Rick Mokler) by auditions for the individual season shows. Technical Theatre students enroll by interview in TA 151-154, Theatre Production (contact Tom Garey). If accepted, students may enroll in from 0.5 to 2.0 units for each production assignment.

Student Production Program
Theatre students who have completed the bulk of their theatre studies at Santa Barbara City College and who have demonstrated superior commitment and accomplishment in their work are encouraged to propose independent production projects for departmental support. Upon approval by the departmental faculty and staff, such students may be given the opportunity to assume principal responsibility for the production and direction of a showcase production in the Jurkowitz Theatre and/or principal design responsibility for a theatre group, showcase, or dance production. For more information, contact the Department Chair.

Honors and Awards
Each year, one student who has excelled both in academics and in his/her participation in the theatre production program is selected by the theatre faculty and staff as the department’s “Outstanding Student of the Year” and is honored at a campus-wide event. Additional students are selected for honors in acting, theatre production, scenic production and costume. The names of all students so honored are permanently displayed in the Garvin Theatre lobby.

Scholarships
Numerous scholarships are available for new, continuing and completing theatre students. For specific information and application forms, contact the Financial Aid office (SS-210).
