All other students are strongly advised to assess prior to enrollment. Assessment may include options other than testing. It is important that students read the list of acceptable Assessment Options noted below for alternatives to testing. Students seeking to defer or refuse assessment should contact the Academic Counseling Center, SS-120, for procedures. For additional information about testing, call (805) 730-4149. If you have a verified disability that requires accommodation, contact the Learning Disabilities Specialist, (805) 730-4164, to request alternative test-taking arrangements.

Prerequisites and Corequisites
Many courses at Santa Barbara City College have enforced prerequisites or corequisites, which are noted in the Schedule of Classes. All students are required to meet prerequisite and corequisite standards prior to registering in such courses. Prerequisites and corequisites satisfied by SBCC coursework or SBCC assessment will be checked automatically at point of registration. Satisfaction of prerequisites through external course work and/or other means requires submission of a prerequisite challenge petition. Challenge forms and Instructions may be accessed at www.sbcc.edu/prerequisites.

Prerequisite Challenge
A student may challenge a prerequisite based upon (1) knowledge or ability to succeed (e.g. student has prior coursework, assessment levels, certification, license or work experience that satisfies the prerequisite, or by other criteria presented by the student); (2) prerequisite course has not been made reasonably available; (3) prerequisite is discriminatory; (4) prerequisite is not necessary for success in the course (is not valid) and (5) prerequisite was not established in accordance with the college’s process for establishing prerequisites. A prerequisite challenge petition must be filed no later than 5 days prior to the semester start date.

Proof of prerequisite completion may include external transcripts or assessment as well as options other than testing. It is important students read the assessment options noted below for alternatives to testing.

Skills Advisory Recommendations
In addition to prerequisites, many Santa Barbara City College courses have recommended minimum math and/or English advisories, which are noted in the Schedule of Classes. Advisories have been established as a means of alerting students to the minimum standards necessary for class success. Enrollment in such courses is recommended for students who have met the eligibility level prescribed.

Test Availability
Assessment tests are given many times prior to registration each semester. Testing is available in the Assessment Computer Lab on a drop-in basis, without an appointment. Appointment tickets may be obtained online, in the Assessment, Orientation or the Admissions and Records offices for paper and pencil exams. Specific test dates and times are listed at the Assessment website, www.sbcc.edu/assessment.

Assessment Options (Testing not required)
Please check the options to assessment listed below, and bring verification to the Counseling Center (Rm. SS-120) for counselor evaluation and review prior to enrollment. Note: Submission of test scores listed below also require a high school transcript and a counselor conference.

4. Orientation

Orientation is required for all first-time students who have a goal of earning an Associate Degree, developing basic English/reading or math skills, or transferring to a four-year college or university. All other students are strongly urged to participate in Orientation. By participating in Orientation, students will learn about college services, programs and enrollment procedures. Options for completing orientation may be found at www.sbcc.edu/orientation.

5. Counseling/Advisement

Counseling/advising is required for first-time new students with a goal of earning an Associate Degree, developing basic English/reading or math skills, or transferring to a four-year college or university. All other students are strongly urged to participate in counseling/advising activities prior to enrolling. Students will be assisted with developing an individual educational plan appropriate to their skill levels and educational goals. Options for advising may be found at www.sbcc.edu/advising. Students transferring to the college with coursework from other colleges are encouraged to attend an individual advisement session for evaluation of prior coursework. Options for completing academic advising may be found at www.sbcc.edu/advising.

6. Register in Classes

Following assessment, orientation and advising, students will have sufficient information to register in classes. Registration is available online and in person in Admissions & Records (SS-110). Priority registration requires an assigned appointment. Registration appointment dates are based on units completed at SBCC, educational goal, transfer plan and enrollment status. No appointment is required during open registration.

During the first two weeks of the semester (first week in summer), program changes are allowed online and in person in Admissions & Records.

Late Registration: Applicants who do not register during the registration period may officially add classes during the first two weeks of the semester (first week during Summer Session). Applicants registering in this manner will be required to obtain add approval (add authorization codes) from instructors and officially add classes online or in person in Admissions & Records by the published deadline date. An instructor may refuse to admit a late registrant when the total number of class hours missed by the student exceeds the number of hours the class meets in one week; when the work missed cannot be made up; when the class is full; or when normal progress in the course would be impossible or unsafe. Special instructions for late registration are available from Admissions & Records. Throughout the enrollment process (including class adds, drops and withdrawals), certain deadlines are established. These deadlines are necessary in order to comply with State of California attendance regulations and must be complied with by all students. Failure to comply with these deadlines may mean that the student will not be registered and will not receive credit for, or be allowed to attend, classes.

7. Paying Fees

Students are encouraged to pay fees at time of registration. Payment must be received within seven (7) days of registration or students will be dropped for non-payment. Students finding it difficult to pay enrollment fees should visit the Financial Aid Office at (SS-210) or go to www.sbcc.edu/financialaid before registering for classes. All fees are subject to change without notice. Refer to the Fees and Refunds section of this Catalog.

8. Secure Student Identification Card and Arrange Transportation, Parking and Housing

The SBCC photo I.D. card provides access to college services, including computer labs, library and learning resource center, and serves as a student MTD bus pass for those taking classes on the SBCC campus. Additionally, you may select to use your SBCC photo I.D. as a Campus Card which may be used as a cash card for select campus services. Obtain your SBCC photo I.D. card in Admissions & Records (SS-110).

The Office of Student Life (Campus Center, Room 217) maintains listings of available rooms, apartments, and room and board situations in the community. For housing information, go to www.sbcc.edu/housing.
Parking permits are required in order to park vehicles on campus, with the exception of Pershing Park. Parking fines will be issued for parking violations. For parking and transportation information go to www.sbcc.edu/commute.

9. Purchase Books
Students are expected to purchase all textbooks, supplies and uniforms, as needed for instruction. Most materials may be purchased through the Campus Bookstore. Textbooks may be purchased or reserved for pickup at www.sbccbooks.com.

10. Class Attendance
The last step of enrollment will be completed upon attendance at the first class meeting. Students who are not in attendance at the first class meeting are considered “no-shows” and the instructor may withdraw such persons in order to give their seats to non-registered students seeking admission. Also, an instructor may withdraw a student from semester-length courses at any time for excessive absence through the 9th week of the Fall/Spring Semesters, and 60% point of the class for Summer and courses less than a semester in length. As a guideline, absence is considered excessive if a student misses three (3) class meetings or the equivalent of one week of class attendance, or according to absence guidelines as published in the course syllabus.

Absence due to a verified illness may be accepted as an excused absence for a limited period of time. Students are expected to notify their instructor by e-mail and/or phone message if they are absent for a medical reason. Students are expected to make appointments for medical and dental treatments at times other than when classes are scheduled. Students anticipating or encountering extended absences due to medical, personal or family emergencies should contact the Dean, Educational Programs – Student Development, Room SS-120, ext. 2237.

It is the student’s responsibility to officially withdraw either online or in person in Admissions & Records. Students failing to officially withdraw by the deadline may receive an “F” grade. Further information may be obtained from the Dean, Educational Programs – Student Development, Room SS-120, ext. 2237.

Fees & Refunds
Students are encouraged to pay fees at time of registration. Payment must be received within seven (7) days of registration or you may be dropped for non-payment. Students finding it difficult to pay enrollment fees should visit the Financial Aid Office at (SS-210) or go to www.sbcc.edu/financialaid before registering for classes. All fees are subject to change without notice.

Non-Resident Tuition
Tuition for out-of-state students is $190.00 per unit; $205.00 per unit for international students.

Student Enrollment Fee
Santa Barbara City College charges a required enrollment fee of $20.00 per unit. The State of California, through its Board of Financial Assistance Program, has provided fee credits, fee waivers, or special Board of Governors waivers to help defray the cost of the Student Enrollment Fee. Information regarding fee credits, fee waivers, or Board of Governors waivers should be obtained from the Financial Aid Office, Room SS-210, several days before a student enrolls in classes.

Tuition/Enrollment Fee Refund
Both tuition and the enrollment fees will be refunded for semester-length classes officially dropped by the end of the second week of the semester. For six-week Summer classes, tuition/enrollment fees are refunded for classes dropped during the first week of classes. For all other classes, refunds are given for classes dropped by the 10% point of the class. Refunds are not automatic, and must be applied for at the Cashier’s Office, SS-150. A $10.00 per semester processing charge will be deducted from enrollment fee refunds. (This charge does not apply to classes cancelled by the college.)

Health Services Fee
All students pay a required health services fee of $17.00 per semester ($14.00 in Summer). The health services fee is only refundable to students who withdraw from all classes prior to the first day of the semester.
