English Skills

The English Skills Department guides students through a sequence of reading and writing courses that prepares them for success in college, in their chosen vocation, and in daily life. We offer three levels of reading and two levels of writing. All of our classes teach critical thinking and study skills, as well as literacy skills.

Program Student Learning Outcomes

1. Demonstrate comprehension of texts on both literal and inferential levels
2. Apply active reading and study strategies to texts
3. Demonstrate ability to work effectively in group settings
4. Develop a well-organized essay on a topic, including a thesis, topic sentences and supporting details
5. Demonstrate competent use of standard writing conventions
