- The submission of material edited, in part or whole, by another person that results in the loss of the student’s original voice or ideas (i.e. while an editor or tutor may advise a student, the final work submitted must be the work of the student, not that of the editor or tutor)

First Offense in a Course or Non-Course Activity

In course-related activities, when a student commits a first offense, decisions regarding the severity of penalties imposed for academic dishonesty shall reside with the instructor. An instructor may give written or verbal notice to a student that continuation or repetition of specified conduct may be cause for further disciplinary action. If the instructor chooses further disciplinary action, the instructor shall notify the student, the appropriate department chair, and Dean, Educational Programs—Student Support.
Programs, of the incident and the penalties imposed on an “Academic Integrity Violation Form”. The Dean, Educational Programs—Student Support Services, shall retain this documentation in his/her files.

**Alcohol and Drug Use Policy**

The Drug-Free Schools and Communities Act Amendments of 1989 require institutions of higher education to implement a drug prevention program, which includes the annual dissemination of the following policy on alcohol and drug use:

Santa Barbara City College is committed to the success of each student and, as a college, it realizes that the use of alcohol and drugs can be a major impediment to success.

There are physical and psychological health risks associated with drug and alcohol use, including decreased immunity, exhaustion, decreased muscle coordination, depression, confusion and paranoia, among other conditions. In most cases, anyone who uses drugs and abuses alcohol can expect a decline in the quality of his/her life and difficulty with academic success.

The Student Health Services Program offers educational programming, peer health education programs, resources and counseling, as well as referrals to community service agency counseling and rehabilitation programs.

According to the *Standards of Student Conduct*, possession, use or distribution of illicit drugs and alcohol on college property or during campus-related activities are subject to disciplinary action. This can be up to, and including, expulsion from SBCC, as well as punishment under California State law, including from six months to one year in county jail, or up to five years in state prison.

**Animals on Campus**

The college does not permit animals on campus—except “seeing eye” and “hearing ear” dogs and animals to be used for instructional purposes. At no time should dogs be left in vehicles. Animals will be controlled by the local Animal Control Department. Questions on college and municipal regulations in this area should be directed to the Campus Security Office.

**Attendance**

All students enrolled at Santa Barbara City College are expected to be punctual and to attend class regularly. Students who are not in attendance at the first class meeting are considered “no-shows” and the instructor may drop such persons in order to give their seats to non-registered students seeking to enroll. Also, an instructor may withdraw a student from semester-length courses at any time for excessive absence through the 9th week of the Fall/Spring semesters, and the 60% point of the class for Summer and courses less than a semester in length. As a guideline, absence is considered excessive if a student misses three (3) meetings, or the equivalent of one week of class attendance or according to absence guidelines as published in the course syllabus.

Absence due to a verified illness may be accepted as an excused absence for a limited period of time. Students are expected to notify their instructor by e-mail and/or phone message if they are absent for a medical reason. Students are expected to make appointments for medical and dental treatments at times other than when classes are scheduled. Students anticipating or encountering extended absences due to medical, personal or family emergencies should contact the Dean, Educational Programs—Student Development, Room SS-120, ext. 2237.

It is the student’s responsibility to officially withdraw online or in person in Admissions & Records prior to the published deadline. Students failing to officially withdraw may receive an “F” grade.

**College Records**

It is the responsibility of each student to:

1. Inform Admissions & Records of changes in personal data.
2. Withdraw officially from the college or drop classes when the student stops attending and to observe established deadlines.
3. Submit legal, not fraudulent, documents.
4. Repay any money received or owed as a result of the submission of fraudulent documentation or any other reason.
**Conduct**

We, at Santa Barbara City College, as members of an institution of higher education, believe that our special contribution to the achievement of the ideal of social justice is to provide a setting in which ideas may be freely explored and objectively examined. We believe that “justice for all” can be achieved only when each person recognizes the right of all others to study, to learn, to grow and develop. The democratic educational process of free exploration of ideas must be kept free from interference. Neither coercion, intimidation, nor disruption may be allowed to interfere with the educational process.

A student enrolling at Santa Barbara City College assumes an obligation to act in a manner compatible with the college’s function as an educational institution. These regulations apply on campus and at all college-sponsored activities, or at activities sponsored by college clubs or organizations on or off campus, except where specifically limited.

_Education Code_ Section 66300 states that the Board of Trustees shall adopt specific rules and regulations governing student behavior, along with applicable penalties, and that each student shall be provided with a copy of such policies. In compliance with this _Education Code_ section, the Board approved _Standards of Student Conduct_ policies. A copy of these policies is available at in Admissions & Records, SS-110 and are also available from the Dean, Educational Programs—Student Support Services, CC-222.

**Financial Aid Responsibilities**

It is the responsibility of an applicant for, and recipient of, financial aid to:

1. Provide complete and accurate information regarding financial aid enrollment status, and any changes which may occur, knowing that he/she is responsible for any consequences which may result from misreporting information.

2. Understand the college’s refund policy.

3. Understand the college’s academic standards policy.

4. Repay all student loans and notify the lender of any changes in name, address, or enrollment status.

5. Perform the work that is agreed upon on acceptance of a Federal Work Study (FWS) award.

**Financial Aid Satisfactory Progress Standards**

Federal regulations mandate that all institutions of higher education establish minimum standards of “satisfactory academic progress” for students receiving financial assistance.

All students who apply for and receive financial assistance are expected to meet the academic standards described in Santa Barbara City College’s _Financial Aid Satisfactory Academic Progress Policy_.

Copies of the _Financial Aid Satisfactory Academic Progress Policy_ are available in the Financial Aid Office, Room SS-210, or read it online at [www.sbcc.edu/financialaid](http://www.sbcc.edu/financialaid) under Downloadable Forms.

**Injury/Accident Reporting**

All class-related, accidental injuries must be reported to the Student Health Services Office, Room SS-170, within 72 hours of the incident to be eligible for student accident policy insurance coverage. This coverage is limited to accidental injuries, as defined by the insurance policy, while participating in college classes or activities and is secondary to any other medical insurance the student may have. Coverage and limitations are outlined in a brochure available in the Student Health Services Office.

**Matriculation Responsibilities**

It is the responsibility of the matriculated student to:

1. Identify a broad educational intent upon admission and a specific educational goal after completing 15 semester units of degree-applicable coursework.

2. Cooperate with the college in the development of an _Individual Educational Plan_ within the prescribed time period and to abide by the terms of that plan.
3. Participate in counseling if student is an undecided student, is on probation, and/or is enrolled in English, reading or math courses that do not count toward the Associate Degree.

4. Diligently attend class and complete assigned coursework.
