Prerequisites and Corequisites
Many courses at Santa Barbara City College have enforced prerequisites or corequisites, which are noted in the Schedule of Classes. All students are required to meet prerequisite and corequisite standards prior to registering in such courses. Prerequisites and corequisites satisfied by SBCC coursework or SBCC assessment will be checked automatically at point of registration. Satisfaction of prerequisites through external course work and/or other means requires submission of a Prerequisite Challenge Form. Satisfactory completion of prerequisites and corequisites by internal and external coursework requires a “satisfactory grade”. Satisfactory grades are defined as A+, A, A-, B+, B, B-, C+, C or P (California Code of Regulations, Title 5, Chapter 6, 55000(l)).

Challenge forms and instructions may be accessed at www.sbcc.edu/prerequisites.

Prerequisite Challenge
A student may challenge a prerequisite based upon (1) knowledge or ability to succeed (e.g. student has prior coursework, assessment levels, certification, license or work experience that satisfies the prerequisite, or by other criteria presented by the student); (2) prerequisite course has not been made reasonably available; (3) prerequisite is discriminatory; (4) prerequisite is not necessary for success in the course (is not valid) and (5) prerequisite was not established in accordance with the college’s process for establishing prerequisites. A prerequisite challenge petition must be filed no later than the semester deadline posted at www.sbcc.edu/prerequisites.

Proof of prerequisite completion may include external official transcripts or assessment as well as options other than testing. It is important students read the assessment options noted below for alternatives to testing.

Challenge forms and instructions may be accessed at www.sbcc.edu/prerequisites.

Skills Advisory Recommendations
In addition to prerequisites, many Santa Barbara City College courses have recommended minimum math and/or English advisories, which are noted in the Schedule of Classes. Advisories have been established as a means of alerting students to the minimum standards necessary for class success. Enrollment in such courses is recommended for students who have met the eligibility level prescribed.

Test Availability
Assessment tests are offered many times prior to registration each semester. Testing is available on computer in the Assessment Computer Lab on a drop-in basis, without an appointment. Appointments are required for paper and pencil exams. Specific test dates and times are listed at the Assessment website, www.sbcc.edu/assessment.

Assessment Options (Testing not required)
Options to assessment testing are listed below. Students may bring or mail verification to the Admissions Office or Assessment Center (Rm. SS-110 or SS-251). To fax proof of an option, use this number: (805) 892-3664. Visit prerequisites@sbcc.edu to begin the evaluation and review process prior to enrollment. Note: Test scores listed below must include submission of an official high school transcript and counselor approval.

English
(1) AP scores of 3, 4, 5; or higher on the International Baccalaureate English Exam; (2) SAT Writing Test, score of 680 (660 prior to Spring 2005); (3) ACT Combined English/Writing test score of 30; (4) proof of AWPE exam passage at UC, or EPT or EAP (pilot program for Summer/Fall 2010–2015) exam passage at CSU; (5) an equivalent English 110 course (Freshman Composition), with a grade of “C” or better; or (6) BA or BS degree from a regionally accredited college or university in the United States.

Mathematics
(1) Scores of 3, 4, 5 on the Mathematics-Calculus AB or BC Advanced Placement Exam; (2) a score of 3 on the Advanced Placement Statistics Exam; (3) transcript or grade report which shows an equivalent prerequisite math course from another college, with a grade of “C” or better; (4) qualifying raw score report from an MDTM math test taken at another college; (5) passage of the EAP at CSU (pilot program for Summer/Fall 2010-2015); (6) elect to begin at the Math 1, Basic Math level (students must notify a counselor, or Assessment staff for option 6).
6. Counseling/Advisement
Advising/Academic Planning is required of all students who have never attended college or attended while in high school, and who plan to earn an Associate Degree, a certificate or transfer to a four-year college. Advising is also strongly recommended for returning students and students transferring to SBCC from another college. If you are transferring from other colleges or universities you should confirm that your official college transcripts are on file with the Admissions & Records Office, by reviewing your Pipeline account, prior to meeting with a counselor. Alternatively, you may bring unofficial copies to the advising session. Academic Advising/Planning will assist you in:

- Learning about SBCC degree requirements
- Learning about transfer requirements
- Choosing appropriate courses to meet your educational goals
- Interpreting English and math assessment test results
- Understanding prerequisites and skills advisories
- Understanding registration procedures
- Developing an abbreviated student education plan based on your educational goals, study skills, work and personal responsibilities

7. Register in Classes
Following Assessment, Orientation and Advising, students will have sufficient information to register in classes. Registration is available online and in person in Admissions & Records (SS-110). Priority registration requires an assigned appointment which is visible in the student portal—Pipeline. No appointment is required during open registration.

During the first two weeks of the semester (first week in Summer) (see each course reference number at www.sbcc.edu/classes for deadlines), program changes are allowed online and in person in Admissions & Records.

Late Registration
Once a class closes or the registration period concludes, classes may only be added by obtaining permission from the instructor through the last day to add deadline.

1. Full semester-length Fall/Spring classes must be added with instructor permission and add authorization code by the end of the second week of the semester.
2. Fall/Spring courses less than full semester in length and all Summer courses must be added prior to the 20% length of the class. Find the last day to add by clicking on the CRN from the semester web schedule of classes.

An instructor may refuse to admit a late registrant when the total number of class hours missed by the student exceeds the number of hours the class meets in one week; when the work missed cannot be made up; when the class is full; or when normal progress in the course would be impossible or unsafe. Special instructions for late registration are available from Admissions & Records.

Students who miss the last day to add deadline for a course due to extenuating circumstances may submit a Petition for Late Add to Admissions & Records. In order to be eligible for consideration of a late add a student must have begun attending the course prior to the last day to add deadline. Instructor approval and signature is required for consideration. The final deadline to submit a Petition for Late Add is the end of the 4th week of the semester for full semester-length classes (25% length of the class for classes less than full semester in length).

Throughout the enrollment process (including class adds, drops and withdrawals), certain deadlines are established. These deadlines are necessary in order to comply with State of California attendance regulations and must be complied with by all students. Failure to comply with these deadlines may mean that the student will not be registered and will not receive credit for, or be allowed to attend, classes.

8. Final Steps
Paying Fees
Students are encouraged to pay fees at time of registration. Payment must be received within seven (7) days of registration or students may be dropped for non-payment. Students will not be dropped for non-payment after instruction has begun. As the student, you are responsible for dropping classes by the stated deadlines. If you register in a class and later change your mind, it is your responsibility to drop the class. Students finding it difficult to pay enrollment fees should visit the Financial Aid Office at (SS-210) or go to www.sbcc.edu/financialaid before registering for classes. All fees are subject to change without notice. Refer to the Fees and Refunds section of this Catalog.

Secure Student Identification Card and Arrange Transportation, Parking and Housing
The SBCC photo I.D. card provides access to college services, including computer labs, library and learning resources center, and serves as a student MTD bus pass for those taking classes on the SBCC campus.
Additionally, you may select to use your SBCC photo I.D. as a Campus Card which may be used as a cash card for select campus services. Obtain your SBCC photo I.D. card in Admissions & Records (SS-110). Photo I.D. is required prior to issuance of the SBCC photo I.D. card.

The Office of Student Life (Campus Center, Room 217) maintains listings of available rooms, apartments, and room and board situations in the community. For housing information, go to www.sbcc.edu/housing.

Parking permits are required in order to park vehicles on campus, with the exception of Pershing Park. Parking fines will be issued for parking violations. For parking and transportation information, go to www.sbcc.edu/commute.

Purchase Books
Students are expected to purchase all textbooks, supplies and uniforms, as needed for instruction. Most materials may be purchased through the Campus Bookstore. Textbooks may be purchased or reserved for pickup at www.sbccbooks.com.

Class Attendance
The last step of enrollment will be completed upon attendance at the first class meeting. Students who are not in attendance at the first class meeting are considered “no-shows” and the instructor may drop such persons in order to give their seats to non-registered students seeking to enroll. Also, an instructor may withdraw a student from semester-length courses at any time for excessive absence through the 9th week of the Fall/Spring Semesters, and 60% point of the class for Summer and courses less than a semester in length. As a guideline, absence is considered excessive if a student misses three (3) class meetings or the equivalent of one week of class attendance, or according to absence guidelines as published in the course syllabus.

Absence due to a verified illness may be accepted as an excused absence for a limited period of time. Students are expected to notify their instructor by e-mail and/or phone message if they are absent for a medical reason. Students are expected to make appointments for medical and dental treatments at times other than when classes are scheduled. Students anticipating or encountering extended absences due to medical, personal or family emergencies should contact the Dean, Educational Programs—Student Support Services, Room SS-260, ext. 2278.

It is the student’s responsibility to officially withdraw by stated deadlines either online or in person in Admissions & Records. Students failing to officially withdraw by the deadline may receive an “F” or “FW” grade.

Fees and Refunds
Students are encouraged to pay fees at time of registration. Payment must be received within seven (7) days of registration or you may be dropped for non-payment. Students will not be dropped for non-payment after instruction has begun. As the student, you are responsible for dropping classes by the stated deadlines. If you register in a class and later change your mind, it is your responsibility to drop the class. Students finding it difficult to pay enrollment fees should visit the Financial Aid Office at (SS-210) or go to www.sbcc.edu/financialaid before registering for classes. All fees are subject to change without notice.

Non-Resident Tuition
Tuition for out-of-state students is $225 per unit; $225 per unit for international students.

Student Enrollment Fee
Santa Barbara City College charges a required enrollment fee of $46 per unit. The State of California, through its Board of Financial Assistance Program, has provided fee credits, fee waivers, or special Board of Governors waivers to help defray the cost of the Student Enrollment Fee. Information regarding fee credits, fee waivers, or Board of Governors waivers should be obtained from the Financial Aid Office, Room SS-210, several days before a student enrolls in classes.

Tuition/Enrollment Fee Refund
Both tuition and the enrollment fees will be refunded by course deadlines. Check your Schedule/Bill for deadline dates. Refunds are not automatic. For additional information on refunds, go to www.sbcc.edu/fiscalservices/cashier A $10 per semester processing charge will be deducted from enrollment fee refunds. (This charge does not apply to classes cancelled by the college.)

If classes are dropped after the first two weeks of the semester, the following fees are not eligible for a refund: Health Services, Student Representation, Transportation and Student Activity. Parking Permits must be returned intact to the Cashier’s Office (SS-150) prior to the first days of the session for a refund.

Health Services Fee
All students pay a required health services fee of $18 per semester/$14, summer session.
