Parking Fees
Any student who intends to park a vehicle on campus must register his/her vehicle and purchase a parking permit. Parking permits are not required for mopeds and motorcycles. Permits should be purchased online through Pipeline at a discounted rate. Price includes shipping, handling, postage and applicable credit card processing fees.

All Day/Evening permits are $33.25 per semester. Board of Governors Grant Waiver students are eligible for a reduced All Day/Evening permit of $20.00 plus a $3.25 convenience fee which covers shipping, handling, postage and applicable credit card processing fees per semester. Evening only permits are $18.25 per semester. Permits for Summer Session are $18.25. Parking permits are non-transferable, and parking fees are only refundable to students who return permits prior to the first day of the semester. Lost/stolen permits are not replaced. Purchasing a parking permit does not guarantee a parking space.

Parking permits may be purchased online at http://pipeline.sbcc.edu.

Student Transportation Fee
All students are required to pay a “Student Transportation Fee” during registration. This fee is $30.00 per semester for students enrolled in 6 units or more; $29.00 for students enrolled in fewer than 6 units for Fall and Spring; and $13.00 for Summer Session. The Student Transportation Fee entitles a student to unlimited use of local community bus service. Your SBCC I.D. card with the current semester sticker is your pass. Fall Semester passes are valid 7 days prior to the start date of fall classes until 7 days before the start of spring classes. Spring Semester passes are valid 7 days prior to the start of spring classes until the last day of final examinations for spring. Summer passes are valid 7 days prior to the start of the Summer Session until the last day of final examinations for the Session. Students enrolling only in distance learning or off-campus classes are exempt from paying the Transportation Fee. The fee is refundable to students who withdraw from all classes prior to the first day of the semester, provided the student photo I.D. card is returned.

Textbook/Lab Supplies
Students are expected to purchase all textbooks, supplies and uniforms, as needed for instruction. Some materials may be purchased through the Campus Bookstore. In laboratory courses, students are charged for the actual cost of items lost or broken.

Student Activity Fee
Students are expected to pay a Student Activity Fee at the time of registration. The $10.00 yearly fee entitles the student to free admission to numerous college events, in addition to discounts from the Bookstore and businesses in the community. A student activity sticker is affixed to the student photo I.D. card. Duplicates will not be issued for cards misplaced or stolen. The fee is only refundable to students who withdraw from all classes prior to the first day of the semester. The student photo I.D. card with activities sticker must be returned.

Student Representation Fee
The $1.00 Student Representation Fee provides support for students and/or representatives who state positions/viewpoints before city, county and district governments and before offices/agencies of state and federal governments. A refund may be requested, after registration by going to the Associate Dean, Educational Programs—Student Support Services, CC-222, with proof of payment.

Financial Aid
Santa Barbara City College offers several types of financial aid which are funded through federal, state and local agencies and the college itself. The major categories include:

- **Grants.** These awards are based on financial need and do not require repayment. Some grant programs have lifetime limits.
- **Loans.** Such awards must be repaid after the student leaves school or drops below half-time enrollment. Most have a low rate of interest. Some features of the loan program are limited based on how long a student is pursuing a particular program of study.
- **Employment.** This type of award is based on financial need and provides the student with an opportunity to earn money for school through employment with participating Federal Work Study employers.
- **Scholarships.** These awards are based on scholastic achievement and/or financial need and/or student activity involvement. They do not require repayment.
- **Special Programs.** Some students qualify for benefits through the Veterans Administration, California State Department of Rehabilitation and Bureau of Indian Affairs, among others. Eligibility requirements vary.

For additional information and the most recent updates, refer to www.sbcc.edu/financialaid.
Where Do You Go to Apply?
Financial aid information and application forms may be obtained from Santa Barbara City College’s Financial Aid Office, Room 210, Student Services Building. Call (805) 730-5157. You may apply for federal financial aid on the Internet at www.fafsa.ed.gov.

When Do You Apply?
Students should apply beginning in January for the following Fall Semester. Priority for aid will be given to students who apply early. A complete application and all corresponding documentation must be in the Financial Aid Office. If you apply late or complete your Financial Aid application late, your application will be treated on a “first-come, first-served” basis until funds are exhausted.

There are various Financial Aid deadlines throughout the year. Check the financial aid website for a complete listing of deadlines: www.sbcc.edu/financialaid.

Board of Governors Fee Waiver (BOGW)
California community college students are charged an enrollment fee. However, there are fee waivers available for qualified California resident and AB540 classified students through the Board of Governors Fee Waiver Program.

Students may be eligible for a Board of Governors Fee Waiver (BOGW) if (1) you or your family are receiving Temporary Assistance for Needy Families (TANF), General Assistance, or Supplemental Security Income (SSI) or State Supplemental Program (SSP) aid; (2) you are qualified for and are receiving other financial aid; (3) your family’s income meets the established guidelines; or (4) you qualify under Special Classifications Enrollment Fee Waivers, see questions on the BOGW.

Applications and BOGW-related information are available in the Financial Aid Office, Room SS-210, or download the application at www.sbcc.edu/financialaid.

Pell Grants
A Pell Grant is federal aid designed to provide financial assistance for those who need it to attend post-high school educational institutions. Basic grants are intended to be the “floor” of a financial aid package, and may be combined with other forms of aid in order to meet the full cost of education.

The actual amount of your grant is determined by your estimated family contribution, the total cost of attending college and your enrollment status. Pell Grants have a lifetime limit of six years of full time attendance.

After your application is processed, you will receive a Student Aid Report (SAR), which constitutes official notification of your expected family contribution (EFC). The lower the EFC, the higher your award will be.

Supplemental Educational Opportunity Grants (SEOG)
The SEOG is a federal grant designed for students with financial need who receive the Pell Grant. Funds are limited.

Extended Opportunity Program and Services (EOPS)
EOPS is intended to provide special support services to students with extreme financial need and a history of being economically and educationally disadvantaged. To be eligible for EOPS, a student must:
- Be a California resident;
- Be enrolled as a full-time student (12 units or more per term);
- Have fewer than 70 units of degree-applicable college credits;
- Qualify to receive a Board of Governors Fee Waiver under either Method A or B; and
- Be educationally disadvantaged.

Student Loans
These loans are available to students who are enrolled at least half-time. The Federal Government may pay interest on subsidized loans during the in-school period and during the grace period following the student’s termination or graduation. The grace period is for six months. The student is responsible for paying the interest on unsubsidized loans during the in-school and grace periods. Students are eligible if they meet the Department of Education’s criteria, as listed with the Financial Aid Office. Some features of the loan program are limited based on how long a student is pursuing a particular program of study.

Federal Work Study (FWS)
FWS is a program financed by both the Federal Government and Santa Barbara City College (or some other local nonprofit agency) and is designed to provide part-time employment for students in financial need to continue their educational training.

Whenever possible, students are assigned to work situations which further their educational growth and which also are of value to the college or off-campus agency. Students must be enrolled and be eligible for financial aid.

As with other financial aid, the Work Study award is determined by the Financial Aid Office at a limit that cannot be exceeded. Thus, if you have a $2,700 FWS
award, once you earn the $2,700, regardless of the number of hours worked, you cannot continue to be employed under FWS. Funds are limited.

Scholarships
Scholarships are available from various individuals and organizations. The amounts of, and qualifications for, these scholarships vary.

Students interested in scholarships should check periodically with the Financial Aid Office, as new scholarships are constantly being made available to students—thanks to many community supporters of the college.

Packaging
The practice of offering two or more types of aid to a student is known as packaging. A typical package would include aid from at least two of the following sources: grants, employment or loans.

The package or award offer is designed to meet all or part of a student’s established need for financial assistance. The uniform application of packaging policies ensures that each eligible applicant will receive the most advantageous combination of financial aid monies available at the time eligibility is determined.

Packaging policies take into consideration not only the unique needs of each aid applicant, but also emphasize the order in which different funding sources are included in each financial aid package. The initial source of funding considered for all applicants is grant aid. If needed, the second source of funding considered is employment aid. The last source of funding considered in the packaging process is loan aid.

Disbursement
In order to receive a disbursement, a student must have a completed application/file and be enrolled in the required number of units.

Most aid is distributed on a two-payment per semester basis. Normally, the first payment may be expected immediately prior to the first week of each semester, and the second payment at the end of the fifth week.

Student loans are disbursed in accordance with procedures set forth by federal regulations.

Federal Work-Study recipients will be paid once a month.

Student Consumer Information
Financial aid information included here is limited. Additional information on all financial aid categories is available upon request at Santa Barbara City College’s Financial Aid Office, Room SS-210. SBCC’s Financial Aid Policies and Procedures are also available at www.sbcc.edu/financialaid.

Satisfactory Progress Standards
Federal regulations mandate that all institutions of higher education establish minimum standards of “satisfactory academic progress” for students receiving financial assistance.

All students who apply for and receive financial assistance are expected to meet the academic standards described in Santa Barbara City College’s Financial Aid Satisfactory Academic Progress Policy. Copies of the Financial Aid Satisfactory Academic Progress Policy are available in the Financial Aid Office, Room SS-210. The Satisfactory Academic Progress Policy is also available at www.sbcc.edu/financialaid, under Downloadable Forms.

Student Budgeting
When Santa Barbara City College uses the term “student budgeting,” it refers to the amount of money necessary to complete an academic year with a modest, but adequate, standard of living. A budget does not take into consideration all of the situations in which students find themselves, and it presumes reasonable consumer choices on the student’s part.

Student budgets reflect SBCC estimates for the 2014-2015 college year. This information is available at www.sbcc.edu/financialaid. These guidelines will better prepare you to plan the financing of your education.

Examples of 2014-2015 Student Budgets

I. Dependent Living at Home with Parents: 9 Months
- Registration Fees* .............................................. $1,386
- Books and Supplies ............................................ $1,746
- Room and Board ........................................... $4,600
- Personal Expenses ............................................. $3,132
- Transportation ................................................ $1,134
- Cost of Education ............................................ $11,998

II. Independent and Dependent Living Away from Home: 9 Months
- Registration Fees* .............................................. $1,386
- Books and Supplies ............................................ $1,746
- Room and Board ........................................... $11,494
- Personal Expenses ............................................. $2,872
- Transportation ................................................ $1,278
- Cost of Education ............................................ $18,776
*Registration Fees are based on 14 units at $46 per unit, plus the Health Fee and Transportation Fee. Out-of-state students may base their school expenses on Budget II, plus out-of-state tuition, which is currently $225 per unit.

**Important Note:** The amount of funds allocated to Santa Barbara City College, compared to the large number of needy students who qualify for financial aid, rarely allows the college to meet the total needs of an aid recipient.
