ORIENTATION

Completing Orientation is required of all students who have never attended college, or attended while in high school, and indicated a goal of Associates Degree, Certificate, transfer, basic English/math skills, or undecided goal on their Santa Barbara City College Application. If you have not reported these goals on your application, but intend to enroll in English 60-111, Math 1-150, Philosophy 111, Psychology 150, or any English as a Second Language reading, writing, or grammar course, you will also need to assess for placement into your course.

Prerequisite course completion is computer-controlled at time of registration. If you completed your prerequisite course at another college, transcript review is required prior to enrollment. For details, please visit www.sbcc.edu/prerequisitepolicy.

For most students, assessment consists of taking an English test and one of four different math tests. For details regarding exemptions or alternatives to testing, visit the Assessment website at www.sbcc.edu/assessment.

Follow the directions below:

Refer to ‘Frequently Asked Questions’ in your Enrollment Checklist, or go to ‘Alternatives to Testing’ at the Assessment website.

Read all information at the Assessment website, which includes drop-in test hours, information for out-of-area students, sample test questions, and information for students who need extended time or another accommodation for disability.

After you have read about Assessment, check all that apply:

- A. I am required to take a math assessment test.
- B. I am required to take the English assessment test.
- C. I have a college transcript that may exempt me from testing.
- D. I have specific test scores that may exempt me from testing.

If you checked box A and/or B, go to ‘Preparing for Assessment’ at the Assessment website. Download and complete the 4 steps on the REAP Test Preparation Form.

If you checked box C and/or D, download and complete a Prerequisite Challenge Form at www.sbcc.edu/prerequisitepolicy. Complete the form and submit it with supporting documentation for review and possible exemption from testing.

Important: Your SBCC Student I.D. number is required for testing.

ADVISING

Completing Advising/Academic Planning is required of all students who have never attended college, or attended only while in high school, and have a goal/plan of:

Associate Degree, Certificate, transfer to 4-year school, basic English/Math/Reading Skills or undecided goal.

Advising is also strongly recommended for returning students and students transferring to SBCC from another institution. If you are transferring from other colleges or universities, you should confirm that your official college transcripts are on file with the Admissions & Records Office by reviewing your Pipeline account prior to meeting with a counselor. You should bring unofficial copies to the advising session.

At Academic Advising/Planning we will assist you in:

- Learning about SBCC degree requirements
- Learning about transfer requirements
- Choosing appropriate courses to meet your educational goal
- Interpreting English and math assessment test results
- Understanding prerequisites and skills advisories
• Understanding registration procedures
• Developing a first semester course schedule that considers your assessment results, educational goals, timeline, study skills, work and personal responsibilities

For Summer/Fall 2014 registration, complete one of these options:

Option 1: Online New Student Academic Advising:
 This online program will assist you in the development of your first and second semester educational plan. You will learn about key concepts to consider when selecting your classes. You should take the assessment tests in English and math before completing new student advising. To begin the program, you will be asked to log into your Pipeline account, so be sure to have your log-in information ready. Your advising hold will be cleared within 2 to 3 business days. If you are a new student you will not be able to register until the hold is cleared. Once you have completed advising, and have your assessment results, you should be prepared to choose your first semester classes. If you are still unsure about how to proceed, download the online handout with a summary of guidelines for first semester course planning. www.sbcc.edu/advising

Option 2: On-Campus New Student Academic Advising Sessions:
 For new Summer/Fall 2014 students, Academic Advising Sessions are held from April to August. All Academic Advising sessions take place in a computer lab on the SBCC campus with counselors. You will be notified of your session date within 2 business days. Space is limited to 18-26 students per session depending on computer availability. If you sign up and then complete online advising instead, or if you need to cancel, call (805) 965-0581, ext. 2491, so space will be available for other new students. Before you attend the 2.5-hour Academic Advising Session, you must take your assessment exams and complete Orientation. Bring your assessment results, if available, and Pipeline username and password to the session. You will be able to register for classes provided you have your assessment results and you attend a session that takes place on or after your individual registration date. To access your personal registration date, log on to your Pipeline account; click on registration; then check your pre-registration requirements and appointment. The specific dates and times for New Student Academic Advising will be listed by the first week of April, at which time you can save a space, 2-3 weeks in advance, for an on-campus session. We recommend that local high school students attend an on-campus session at SBCC in April or May prior to registration. See your high school counselor for other options. www.sbcc.edu/advising

Option 3: Individual Advising Session ONLY for New Transfer Students from other Colleges and Universities:
 New transfer students from other colleges and universities may meet with an academic counselor on a drop-in basis (15-minute session) or by scheduling a same-day appointment in person during regular service hours. Students may schedule a maximum of two same-day appointments per semester. Before new transfer students come to campus for a same-day appointment, they should check their Pipeline account to confirm that SBCC has received all outside college transcripts, www.sbcc.edu/admissions/files/IncomingTranscriptsReceived.pdf. If not, they should have them with them at the time of the appointment. We strongly recommend calling in advance to inquire about counselor availability and for more details.

HIT/CIM students must go to www.sbcc.edu/bit for student educational plans, transcript evaluations and academic counseling support.

In-Person Service Hours:

After the start date, request an Add Authorization Code from the instructor and follow the instructions before 20% of the course has been completed.

Waitlisting: Some classes may offer the option of waiting. Check the web Schedule of Classes to see if a class has a waitlist. Students may place themselves in an available waitlisted slot on Pipeline. If a seat becomes available, the first student on the waitlist will be sent a notification to his/her Pipeline e-mail. has 72 hours from the time of notification to log on to Pipeline and register for the available seat. Do not contact faculty of classes with wait-lists to ask for an Add Authorization Code prior to the first day of class.

For In-Person Classes, if you are still on a waitlist on the first day of class and you still wish to add the class, you MUST attend the first class meeting.

For Online Classes, you MUST e-mail the instructor to determine if there is space available in the class on the first day of class.

Provided there are seats available, the instructor will distribute Add Authorization Codes in priority order from the waitlist on the first day only. If the instructor gives you an Add Authorization Code, you will need to drop yourself from the waitlist and then add yourself to the class, using the Add Authorization Code.

To Add a Closed Class, attend the first day of class. For online classes, you can e-mail the instructor to determine if there is space available in the class. If space is available, ask the instructor for an Add Authorization Code. Log on to http://pipeline.sbcc.edu and go to Registration and Student Records. On the Add/Drop Classes page, input the CRN (Course Reference Number) of the class you wish to register for and click on “submit changes.” Enter the Add Authorization Code and click “verify” to continue. Submit your changes, review your schedule and pay fees. Complete these steps prior to the last day to add deadline.

Dropping a Class: As the student, you are responsible for dropping classes by the stated deadlines. If you register in a class and later change your mind, it is your responsibility to drop the class. Review your Schedule/Bill for course deadlines. Log on to http://pipeline.sbcc.edu and go to Registration and Student Records. Follow the instructions on the Add/Drop Classes page for dropping a class.

Dropping with Eligibility for Enrollment Fee and Tuition Refund: Drop classes by the refund deadline for enrollment and non-resident tuition. Short courses must be dropped before 10% of the course has been completed to be eligible for an enrollment/tuition refund. View critical course dates or review your Schedule/Bill for your course deadlines.

Dropping without a “W”: Drop a class without record (without a “W” notation) prior to the deadline. Short courses must be dropped before 20% of the course has been completed to be eligible for a drop without “W”. For some very short courses, 20% of the course may be the first day of class. View critical course dates or review your Schedule/Bill for your course deadlines.

Withdrawal from Class(es): Withdraw from a class prior to the deadline. Students who withdraw after the last day to drop without a “W” notation and before the last day to withdraw will have a withdrawal notation (“W”) for that class on their academic record. Short courses must be withdrawn from before 60% of the course has been completed. View critical course dates or review your Schedule/Bill for your course deadlines.

Students registered in a class after the last day to withdraw deadline must receive an evaluative grade (A+, A, A-, B+, B, B-, C+, C, D+, D, D-, F, P, NP) or Incomplete (I) for the class. Students registered in short courses after the day that 60% of the course has been completed must receive an evaluative grade.

Pass/No Pass Grading: Petitions may be obtained from Admissions & Records or online from www.sbcc.edu/forms and must be returned, with the approval signature from your instructor, no later than June 20, 2014. Pass/No Pass grading is not permitted within a student’s major.

ATTEND CLASSES

Students are expected to attend classes regularly. A student who does not attend the first meeting of a class may be dropped as a “no show.” An instructor may drop students prior to the last day to withdraw for excessive absences. As a guideline, absence is considered excessive if a student misses the equivalent of one week of class meetings. For Summer Session courses, the equivalent of one week may be one class meeting.

If you decide to drop a class, it is your responsibility to officially withdraw by the deadline.

Non-attendance does not constitute an official drop. Do not depend on the instructor to drop you. Failure to officially withdraw by the deadline may result in a failing grade.

GENERAL INFORMATION

Course Repetition: A course may be repeated if:

1. The course has been identified in the General Catalog as repeatable and you have not taken the course more times than allowed; or

2. You are repeating an eligible course to alleviate a D+, D, D-, F, FW, NP or NC grade; or

3. You are repeating a course by approved petition. All petitions requesting to repeat in excess of the maximum MUST be reviewed by the Scholastic Standards Committee prior to the first day of the term. Check with Admissions & Records for deadlines.

Under conditions (2) and (3), you may only enroll in a course for a maximum of three enrollments, including withdrawals (W). Under condition (3), you must have an approved petition on file prior to registering. Students who do not comply with the above will be administratively dropped from the class.

If you have previously taken a class and received P, CR, C or a higher grade, or have taken a course the maximum number of times, you may audit the course with instructor permission. The audit fee is $15 per unit, plus the Health Services Fee. Audit cards are available in Admissions & Records, and must be returned and fees paid by June 27, 2014.

Pre-Registration Requirements and Holds?
View pre-registration requirements and holds on Pipeline, http://pipeline.sbcc.edu. All pre-registration requirements and holds must be cleared to allow registration, to add or drop a class, or to release academic records. Check and resolve pre-registration requirements and holds prior to registering. See ‘Registration Information’ for more information, or contact Admissions & Records, (805) 730-4300.

Course Repetition?
Repeats for previously earned substandard grades are automatically approved—no paperwork is necessary. However, the maximum number of enrollments in a course, including withdrawals (W), is three. Additional enrollments require a Petition for Course Repetition to be approved by the Scholastic Standards Committee. Refer to the General Catalog for courses with approved repeatability. Check with Admissions & Records for deadlines, and submit Petition for Course Repetition prior to registering.

Time Conflicts?
You will not be able to register for classes that have time conflicts. Under special circumstances, you can request approval for a time conflict of 10 minutes or less if approved by the instructor and Admissions & Records. Obtain Petition to Allow Time Conflict from Admissions & Records or at www.sbcc.edu/forms.

Prerequisites?
Prerequisites are enforced. Students may test into English 60-110; Math 1-150; Psychology 150; and all English as a Second Language (ESL) reading, writing or grammar courses. If you completed your prerequisite course with a grade of “C” or better at Santa Barbara City College, no action on your part is required. If you completed your prerequisite course at another college, you must submit a Prerequisite Challenge and official transcripts. Deadlines apply. For details, www.sbcc.edu/prerequisites.

Corequisites?
You have attempted to add a course that has a corequisite. You must add the corequisite course at the same time. The CRN (Course Reference Number) of the corequisite course is specified in the status message.

For more information on refunds, go to www.sbcc.edu/fiscalservices/cashier. Last day to submit a refund application is September 26, 2014. Students are not eligible for a refund after this date.

A $10 per session processing charge will be deducted from enrollment fee refunds. The charge does not apply to classes cancelled by the college.

If classes are dropped after the first two weeks of the semester, the following fees are not eligible for a refund: Health Services, Student Representation, Transportation and Student Activity. Parking Permits must be returned intact to the Cashier’s Office (SS-150) prior to the first day of the session for a refund.

IGETC – GENERAL INFORMATION
The IGETC is a pattern of courses that California Community College students can use to satisfy lower division general education/graduation requirements of any California State University (CSU) or University of California (UC) campus. There are specific rules, policies, procedures and limitations governing the completion and use of IGETC. Completion of the entire IGETC pattern is generally not required for admission to CSU or UC (consult with an academic counselor for admission requirements to the UC and CSU systems). In addition, IGETC may not be appropriate for science majors. Complete information on IGETC can be found at articulation.sbcc.edu/IGETC/IGETC.pdf, or by contacting the SBCC Transfer Center or the SBCC Academic Counseling Center. For General Education transfer options, visit articulation.sbcc.edu or the ASSIST website at www.assist.org.

CALIFORNIA STATE UNIVERSITIES GENERAL EDUCATION BREATH REQUiREMENTS
California State University (CSU) General Education Breadth Pattern (G.E.B.): Students have the option of completing the SBCC-CSU General Education Breadth Pattern to satisfy the 39 lower division general education breadth requirements for any campus of the California State University system in place of completing the CSU campus-specific general education pattern.
Students following the SBCC-CSU General Education Breadth Pattern should complete it prior to transfer; however, completion of the entire pattern is not generally required for admission to CSU (consult with an academic counselor for admission requirements to the CSU system). Students who are also considering transferring to a campus of the University of California should follow the Intersegmental General Education Transfer Curriculum (IGETC), instead of the SBCC-CSU General Education Breadth Pattern. Complete information on the SBCC-CSU General Education Breadth Pattern can be found at articulation.sbcc.edu/CSU/CSUGE.pdf, or by contacting the SBCC Transfer Center or the SBCC Academic Counseling Center. For General Education transfer options, visit articulation.sbcc.edu or the ASSIST website at www.assist.org.
CALIFORNIA NONRESIDENT TUITION EXEMPTION

For Eligible California High School Graduates (The law passed by the Legislature in 2001 as AB540)

General Information

Any student other than a nonimmigrant alien who meets all of the following requirements shall be exempt from paying nonresident tuition at the California Community Colleges, the California State University and the University of California (all public colleges and universities in California).

- Requirements:
  - The student must have attended a high school (public or private) in California for three or more years.
  - The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency Exam).
  - An alien student who is without lawful immigration status must file an affidavit with the college or university stating that he or she has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.
  - Students who are nonimmigrants [for example, those who hold F (student) visas, B (visitor) visas, etc.] are not eligible for this exemption.
  - The student must file an exemption request, including a signed affidavit, with the college that indicates the student has met all applicable conditions described above. Student information obtained in this process is strictly confidential unless disclosure is required under law.
  - Students eligible for this exemption who are transferring to another California public college or university must submit a new request (and documentation, if required) to each college under consideration.
  - Nonresident students meeting the criteria will be exempted from the payment of nonresident tuition, but they will not be classified as California residents. They continue to be “nonresidents.”
  - AB540 does not provide student financial aid eligibility for undocumented alien students. These students remain ineligible for state and federal financial aid.

Procedures for Requesting this Exemption from Nonresident Tuition

California Community Colleges:

Complete the form on the next page. Submit it to the Admissions Office at the community college where you are enrolled or intend to enroll. You may be required to submit additional documentation. Call the college Admissions Office if you have questions.

University of California:

The University of California (UC) system has its own nonresident tuition exemption application and affidavit form, but it will accept the exemption request form used by the California Community Colleges and the California State University. Your campus has established deadlines for submission of exemption requests; however, requests are not to be submitted until you have been admitted to a UC campus. Some students, such as transfer, graduate and professional students, also must submit their official high school transcripts; check with your campus for specific instructions. Once you are determined to be eligible for the exemption, you will continue to receive it as long as you fulfill the eligibility requirements or until the University no longer offers this exemption. The exemption covers the Nonresident Tuition Fee and the Educational Fee differential charged to nonresident students. Applying for the exemption does not alter your responsibility to pay by the campus deadline any nonresident tuition and associated fees that may be due before your eligibility is determined. General information is available at: www.ucop.edu/sas/sfs/Programs_and_Policies/ab540fags.htm. For campus-specific instructions regarding documentation and deadline dates, contact the campus Office of the Registrar.

California State University:

Complete the form on the next page. Contact the Office of Admissions & Records at the CSU campus where you are enrolled or intend to enroll for instructions on submission, deadline information and additional requirements. You will be required to submit final high school transcripts and appropriate records of high school graduation or the equivalent, if you have not done so already. Call the Office of Admissions & Records at the campus if you have questions.
