Reclassification of Resident Status requires that an application for change of resident status be filed with Admissions & Records. Applications are available from Admissions & Records. ORIENTATION
Completing Orientation is required of all students who have never attended college, or attended while in high school, and indicated a goal of degree, transfer or basic English/math skills on their SBCC application.

Orientation is strongly recommended for all others.

For more information about Orientation, contact the Student Outreach & Orientation office at (805) 730-4450, or visit www.sbcc.edu/orientation.

You have two options for orientation.

1. Online Orientation: Complete SBCC Online Orientation by going to http://orientation.sbcc.edu. You will need your student I.D. number and a valid e-mail address in order to log-in and receive credit for completing Online Orientation. Online Orientation may be completed from any computer with a high-speed Internet connection.

2. Santa Barbara Area High School Orientation: You may attend an on-campus Orientation event in April. This is coordinated by your high school and is for local high school students only. Ask your high school counselor about dates.

ENGLISH AND MATH ASSESSMENT – SUMMER 2013 REGISTRATION
Assessment is required for students who have never attended any college, or only attended while in high school, and who have indicated a goal of degree, transfer or basic English/math skills on their SBCC application.

If you have not reported these goals on your application, but intend to enroll in English 60-111, Math 1-150, Philosophy 111, Psychology 150, or any English as a Second Language reading, writing, or grammar course, you will also need to assess for placement into your course.

Prerequisite course completion is computer-controlled at time of registration. If you completed your prerequisite course at another college, transcript review is required prior to enrollment. For details, please visit www.sbcc.edu/prerequisitepolicy.

For most students, assessment consists of taking an English test and one of four different math tests. For details regarding exemptions or alternatives to testing, visit the Assessment website at www.sbcc.edu/assessment.

Follow the directions below:

Refer to ‘Frequently Asked Questions’ in your Enrollment Checklist, or go to ‘Alternatives to Testing’ at the Assessment website.

Read all information at the Assessment website, which includes drop-in test hours, information for out-of-area students, sample test questions, and information for students who need extended time or another accommodation for disability.

After you have read about Assessment, check all that apply:

- A. I am required to take a math assessment test.
- B. I am required to take the English assessment test.
- C. I have a college transcript that may exempt me from testing.
- D. I have specific test scores that may exempt me from testing.

If you checked box A and/or B, go to ‘Preparing for Assessment’ at the Assessment website. Download and complete the 4 steps on the REAP Test Preparation Form.

If you checked box C and/or D, download and complete a Prerequisite Challenge Form at www.sbcc.edu/prerequisitepolicy.

Complete the form and submit it with supporting documentation for review and possible exemption from testing.

Important: Your SBCC Student I.D. number is required for testing.

ADVISING
Completing Advising/Academic Planning is required of all students who have never attended college, or
attended only while in high school, and who plan to earn an Associate Degree, and/or transfer to a four-year college. Advising is also strongly recommended for returning students and students transferring to SBCC from another institution. If you are transferring from other colleges or universities, you should confirm that your official college transcripts are on file with the Admissions & Records Office by reviewing your Pipeline account prior to meeting with a counselor. You should bring unofficial copies to the advising session.

At Academic Advising/Planning we will assist you in:
- Learning about SBCC degree requirements
- Learning about transfer requirements
- Choosing appropriate courses to meet your educational goal
- Interpreting English and math assessment test results
- Understanding prerequisites and skills advisories
- Understanding registration procedures
- Developing a first semester course schedule that considers your assessment results, educational goals, time line, study skills, work and personal responsibilities

For Summer/Fall 2013 registration complete one of these options:

1. Online New Student Academic Advising: This online program will assist you in the development of a first semester course plan. You will learn about key concepts to consider when selecting your classes. You are strongly urged to take the assessment tests in English and math before completing new student advising. To begin the program, you will be asked to log into your Pipeline account, so be sure to have your log-in information ready. Your advising hold will be cleared within 48 business hours. (If you are a new student you will not be able to register until the hold is cleared.) Once you have completed advising you should be prepared to choose your first semester classes. If you are still unsure about how to proceed, download the online handbook with a summary of guidelines for first semester course planning. [www.sbcc.edu/advising](http://www.sbcc.edu/advising)

2. On-Campus New Student Academic Advising Sessions: For new Summer/Fall 2013 students, Academic Advising Sessions are held from April to August. All Academic Advising sessions take place in a computer lab on the SBCC campus with counselors. You will be notified of your session date within 48 business hours. Space is limited to 18-24 students per session depending on computer availability. If you sign up and then complete online advising instead, or if you need to cancel, let us know as soon as possible by replying to your confirmation email, so space will be available for other new students. Before you attend the 2.5-hour Academic Advising Session, you must take your assessment exams and complete Orientation. Bring your assessment results, if available, and Pipeline username and password to the session. You will be able to register for classes provided you have your assessment results and you attend a session that takes place on or after your individual registration date. To access your personal registration date, log onto your Pipeline account, click on registration, then check your pre-registration requirements and appointment. The specific dates and times for New Student Academic Advising will be listed by the first week of April, at which time you can save a space, 2-3 weeks in advance, for an on-campus session. [www.sbcc.edu/advising](http://www.sbcc.edu/advising)

3. Individual Advising Session ONLY for New Transfer Students from other Colleges and Universities: New transfer students from other colleges and universities may meet with an academic counselor for quick questions at the front desk or by scheduling a same-day appointment in person during regular service hours. Students may schedule a maximum of two same-day appointments per semester. Before new transfer students come to campus for a same-day appointment, they should check their Pipeline account to ensure SBCC has received all outside college transcripts.

[www.sbcc.edu/admissions/files/IncomingTranscriptsReceived.pdf](http://www.sbcc.edu/admissions/files/IncomingTranscriptsReceived.pdf). If not, they should have them with them at the time of the appointment. We strongly recommend calling in advance to inquire about counselor availability and for more details.

HIT/CIM students must go to [www.sbcc.edu/hit](http://www.sbcc.edu/hit) for student education plans, transcript evaluations and academic counseling support.

In-person service hours:
- Mon., Thurs.: 8:00 a.m. - 4:15 p.m.
- Tu., Wed.: 8:00 a.m. - 6:00 p.m.

SCHEDULE CHANGES

• Last day to add
• Last day to drop with a refund
• Last day to drop without a “W”
• Last day to withdraw

Adding a Class
Open classes may be added to your schedule prior to the start of the Summer Session.

After the start date, request an Add Authorization Code from the instructor and follow the instructions before 20% of the course has been completed.

Waitlisting: Some classes may offer the option of waitlisting. Check the web Schedule of Classes to see if a class has a waitlist. Students may place themselves in an available waitlisted slot in Pipeline. If a seat becomes available, the first student on the waitlist will be sent a notification to his/her Pipeline e-mail. The student has 72 hours from the time of notification to log on to Pipeline and register for the available seat. Do not contact faculty of classes with waitlists to ask for an Add Authorization Code prior to the first day of class.

For In-Person Classes, if you are still on a waitlist on the first day of class and you still wish to add the class, you MUST attend the first class meeting.

For Online Classes, you MUST e-mail the instructor to determine if there is space available in the class on the first day of class.

Provided there are seats available, the instructor will distribute Add Authorization Codes in priority order from the waitlist on the first day only. If the instructor gives you an Add Authorization Code, you will need to drop yourself from the waitlist and then add yourself to the class, using the Add Authorization Code.

To Add a Closed Class, attend the first day of class. For online classes, you can e-mail the instructor to determine if there is space available in the class. If space is available, ask the instructor for an Add Authorization Code. Log on to http://pipeline.sbcc.edu and go to Registration and Student Records. On the Add/Drop Classes page, input the CRN (Course Reference Number) of the class you wish to register for and click on “submit changes.” Enter the Add Authorization Code and click “verify” to continue. Submit your changes, review your schedule and pay fees. Complete these steps prior to the last day to add deadline.

Dropping a Class: As the student, you are responsible for dropping classes by the stated deadlines. If you register in a class and later change your mind, it is your responsibility to drop the class. Review your Schedule/Bill for course deadlines. Log on to http://pipeline.sbcc.edu and go to Registration and Student Records. Follow the instructions on the Add/Drop Classes page for dropping a class.

Dropping with Eligibility for Enrollment Fee and Tuition Refund: Drop classes by the refund deadline for enrollment and non-resident tuition. Short courses must be dropped before 10% of the course has been completed to be eligible for a drop without “W”. For some very short courses, 20% of the course may be the first day of class. View critical course dates or review your Schedule/Bill for your course deadlines.

Dropping without a “W”: Drop a class without record (without a “W” notation) prior to the deadline. Short courses must be dropped before 20% of the course has been completed to be eligible for a drop without “W”. For some very short courses, 20% of the course may be the first day of class. View critical course dates or review your Schedule/Bill for your course deadlines.

Withdrawal from Class(es): Withdraw from a class prior to the deadline. Students who withdraw after the last day to drop without a “W” deadline and before the last day to withdraw deadline will have a withdrawal notation (“W”) for that class on their academic record. Short courses must be withdrawn from before 60% of the course has been completed. View critical course dates or review your Schedule/Bill for your course deadlines.

Students registered in a class after the last day to withdraw deadline must receive an evaluative grade (A+, A, A-, B+, B, B-, C+, C, D+, D, F, P, NP) or Incomplete (I) for the class. Students registered in short courses after the day that 60% of the course has been completed must receive an evaluative grade.
Pass/No Pass Grading: Petitions may be obtained from Admissions & Records or online from www.sbcc.edu/forms and must be returned, with the approval signature from your instructor, no later than June 21, 2013 at 1:00 p.m. Pass/No Pass grading is not permitted within a student’s major.

ATTEND CLASSES
Students are expected to attend classes regularly. A student who does not attend the first meeting of a class may be dropped as a “no show.” An instructor may drop students prior to the last day to withdrawal for excessive absences. As a guideline, absence is considered excessive if a student misses the equivalent of one week of class meetings. For Summer Session courses, the equivalent of one week may be one class meeting.

If you decide to drop a class, it is your responsibility to officially withdraw by the deadline.

Non-attendance does not constitute an official drop. Do not depend on the instructor to drop you. Failure to officially withdraw by the deadline may result in a failing grade.

GENERAL INFORMATION
Course Repetition: A course may be repeated if:

1. The course has been identified in the General Catalog as repeatable and you have not taken the course more times than allowed; or
2. You are repeating an eligible course to alleviate a D, F, NP or NC grade; or
3. You are repeating a course by approved petition. All petitions requesting to repeat in excess of the maximum MUST be reviewed by the Scholastic Standards Committee prior to the first day of the term. Check with Admissions & Records for deadlines.

Under conditions (2) and (3), you may only enroll in a course for a maximum of three enrollments, including withdrawals (W). Under condition (3), you must have an approved petition on file prior to registering. Students who do not comply with the above will be administratively dropped from the class.

If you have previously taken a class and received P, CR, C or a higher grade, or have taken a course the maximum number of times, you may audit the course with instructor permission. The audit fee is $15 per unit, plus the Health Services Fee. Audit cards are available in Admissions & Records, and must be returned and fees paid by June 28, 2013.

Credit by Examination and Independent Studies: Applications may be obtained in Admissions & Records and must be returned with approval signatures and fees paid by June 28, 2013.

Full-time Status: A full-time student is registered in 4 or more units. Students may register for a maximum of 8 units. Permission is required to register in more than 8 units. For more information visit, www.sbcc.edu/register.

PAY FEES
You are encouraged to pay your fees at time of registration. Payment must be received within seven (7) days of registration or you may be dropped for non-payment.

Payment of fees may be made:

- In-person at the SBCC Cashier’s Office by cash, check, money order, or credit card. There will be a $20 service charge on all returned checks.

Go to www.sbcc.edu/financialaid for information on financial aid opportunities, or visit the Financial Aid Office (SS-210) before registering in classes.

HELP FOR REGISTRATION PROBLEMS
Application Submitted?
If you received an error message stating “You require re-admission prior to registration”, you need to submit an application for admission. If you are not a current SBCC student, your first step is to complete the online application for admission at www.sbcc.edu/apply. Once your application is received and processed and you complete any pre-registration requirements, you will be eligible to register on or after your appointment date.

What’s my Username and Password?
Go to Pipeline at http://pipeline.sbcc.edu. Follow the instructions at ‘Start Here’.

When to Register?
Log on to Pipeline, http://pipeline.sbcc.edu, go to Registration and Student Records. Review your registration status, which will include your preregistration requirements and your registration appointment time.

Pre-registration Requirements and Holds?
View preregistration requirements and holds in Pipeline, http://pipeline.sbcc.edu. All preregistration requirements and holds must be cleared to allow registration, to add or drop a class, or to release academic records. Check and resolve pre-registration requirements and holds prior to registering. See ‘Registration Information’ for more information, or contact Admissions & Records, (805) 730-4300.

Class Closed/Full?
You have several options:
1. Search for an open section of the class at www.sbcc.edu/classes or at http://pipeline.sbcc.edu.
2. Keep trying to add the class as seats or waitlist slots may open up during the registration period.
3. Go to the first class meeting; if the instructor has available seats, request an Add Authorization Code. Remember to use your Add Authorization Code to register online before the add deadline.
4. For online courses, students should contact the instructor. Add deadlines are strictly enforced.

Entering Add Authorization Code?
From the Add/Drop Classes page in Pipeline, input the CRN of the class and click on “submit changes.” Enter the Add Authorization Code provided to you by the instructor. Click “verify” and then continue. Submit your changes, verify by reviewing your schedule, and pay fees.

Repeating a Class?
Repeats for a previously earned “D” or “F” grade are automatically approved—no paperwork is necessary. However the maximum number of enrollments in a course, including withdrawals (W), is three. Additional enrollments require a Petition for Course Repetition to be approved by the Scholastic Standards Committee. Refer to the General Catalog for courses with approved repeatability. Check with Admissions & Records for deadlines, and submit Petition for Course Repetition prior to registering.

Time Conflicts?
You will not be able to register for classes that have time conflicts. Under special circumstances, you can request approval for a time conflict of 10 minutes or less if approved by the instructor and Admissions & Records. Obtain Petition to Allow Time Conflict from Admissions & Records or at www.sbcc.edu/forms.

Prerequisites?
Prerequisites are enforced. Students may test into English 60-110; Math 1-150; Psychology 150; and all English as a Second Language (ESL) reading, writing or grammar courses. If you completed your prerequisite course with a grade of “C” or better at Santa Barbara City College, no action on your part is required. If you completed your prerequisite course at another college, you must submit a Prerequisite Challenge and official transcripts. Deadlines apply. For details, www.sbcc.edu/prerequisites.

Corequisites?
You have attempted to add a course that has a corequisite. You must add the corequisite course at the same time. The CRN (Course Reference Number) of the corequisite course is specified in the status message.

### ENGLISH, COMPOSITION AND LITERATURE

**ENGLISH 120, COLLEGE RESEARCH SKILLS:**

Practice in expository composition based on critical reading of short works and one book-length work. English 110 students are required to register and pay for the one-unit corequisite, English 120, College Research Skills, designed to support the development of a research paper. English 120 requirements are reviewed in English 110. Students must enroll in English 120 at the same time as they enroll in English 110 (TR: CSU/UC TRANSFER LIMIT).

Students may locate the CRN for English 120 sections in one of two ways. In the printed version of the Class Schedule, English 120 sections are listed after their corequisite English 110. To access the English 120 CRN in the web version of the Schedule, click on the blue CRN link for English 110. A new window will appear. Scroll down in this window, and locate the portion labeled Section Corequisites. The English 120 CRN is the number that follows.

**GREAT BOOKS:**

Great Books Curriculum courses include 50% readings from among the Core Authors List of classical works. The English Department offers GB sections in English 111 and sophomore literature courses. Great Books courses are designated by GB following the course number. Students who successfully complete 4 or more Great Books courses are eligible for an English Department Award.

**THE FOLLOWING ARE ENGLISH SKILLS CLASSES:**

English 60, 65, 70, 80, 103 and 109. Credit for English 60, 65, 70 and 80 requires completion of all coursework and eligibility for English 70, 80, 100 and 103 respectively. Credit for English 60A, 65A, 70A and 80A requires completion of all coursework.

**THE MULTICULTURAL ENGLISH TRANSFER (MET) PROGRAM:**

Offers a multicultural, multidisciplinary curriculum in designated sections of English 60, 65, 70, 80, 100, 103, 110 and 111 for students wanting to transfer or to complete certificate/degree programs. Each MET section has the designator MET immediately after its ticket number.

**FAMILY EDUCATIONAL RIGHTS AND PRIVACY**

All Santa Barbara City College student records are kept in accordance with the provisions of the Family Educational Rights and Privacy Act (FERPA) and California Code of Regulations, Title 5. A copy of SBCC’s institutional policy complying with this Act may be obtained from the office of the Associate Dean, Student Support Services (CC-222).

The Family Educational Rights and Privacy Act (FERPA) afford students certain rights with respect to their education records.

They are:

1. The right to inspect and review the student’s education records within 15 days of the day the College receives a request for access.

   Students should submit to the Associate Dean, Student Support Services, or other appropriate official, written requests that identify the records they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. A student may request a copy of a record which the student has requested or consented to be released. If a student desires a copy of file material subject to his/her review, it will be provided at a cost of $1 for the first copy and 50 cents for each additional copy.

   Educational records are maintained in the college’s Admissions & Records Office (SS-110), which is supervised by the Associate Dean, Student Support Services. Students also have the right to review their personal information at the Student Health Office (Nurse, SS-170); Financial Aid Office (Financial Aid Specialist, SS-210); Disabled Student Programs (Coordinator, SS-240); and Disabled Student Programs/Services (Director, SS-160).

2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading.

   Students should write the College official responsible for the record, clearly identify the part of the record they want changed, and specify why it should be changed. If the College does not amend the record as requested, the College will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment.

3. The right to provide written consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

   FERPA authorizes the disclosure of education records without a student’s consent to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including Security and Health Services staff); a person or company with whom the College has contracted (attorney, auditor, consultant); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

   A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Santa Barbara City College to comply with the requirements of FERPA:

   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue, SW
   Washington, DC 20202-5901

Santa Barbara City College has designated the following as directory information which may be released without prior written consent: confirmation of current enrollment at SBCC, degrees/awards received, names of students participating in recognized activities, sports and those who are members of athletic teams (including height and weight), names of student officers, and students on the President’s Honor Roll. Visit [www.sbcc.edu/ferpa](http://www.sbcc.edu/ferpa) for information regarding opting out of the directory.

**NON-DISCRIMINATION/Sexual Harassment Policy**

The policy of the Santa Barbara Community College District is to provide an educational and employment
environment in which no person shall be denied full and equal access to, the benefits of, or be subjected to discrimination, in whole or in part, on the basis of ethnic group identification, national origin, religion, age, sex, race, color, ancestry, sexual orientation, or physical or mental disability, or on the basis of these perceived characteristics or based on association with a person or group with one or more of these actual or perceived characteristics, in any program or activity that is administered by, funded directly by, or that receives any financial assistance from the State Chancellor or Board of Governors of the California Community Colleges.

A copy of District Policy and Procedures, BP 3430, Prohibition of Discrimination/Sexual Harassment, is available at www.sbcc.edu/policies/harassment or in the Human Resources Office, SS-230, or the Student Affairs Office, CC-222.

The policy of the Santa Barbara Community College District is to provide an educational and employment environment free from unwelcome sexual advances, requests for sexual favors, sexual favoritism, or other verbal or physical conduct or communications constituting sexual harassment.

The policy of the Santa Barbara Community College District is to comply with the accessibility requirements of Section 508 of the Rehabilitation Act of 1973 in the development, procurement, maintenance, or use of electronic or information technology and respond to and resolve discrimination complaints regarding accessibility. Such complaints will be treated as complaints of discrimination on the basis of disability.

This non-discrimination policy covers admission, access and treatment in college programs and activities—including, but not limited to, academic admissions, financial aid, educational services and athletics—and applications for, and treatment in, college employment.

In conformance with the requirements of Title II of the Educational Amendments of 1976, amending the Vocational Education Act of 1963, the college is committed to overcoming sex discrimination and sex stereotyping in vocational education programs.

Furthermore, in compliance with the Vocational Education Guidelines for Eliminating Discrimination on the Basis of Race, Color, National Origin, Sex and Handicap, lack of English language skills alone will not be a barrier to admission to and participation in vocational education programs. Any screening procedures for vocational programs will evaluate skill levels and proficiencies pertinent to the program as criteria for admission.

Posibles dificultades con el inglés no son una barrera para matricularse en programas de carreras académicas o educación técnica.

Employees, students, or other persons acting on behalf of the District who engage in discrimination as defined in this policy or by state or federal law may be subject to discipline, up to and including suspension, discharge, expulsion, or termination of contract.

IGETC – GENERAL INFORMATION

The IGETC is a pattern of courses that California Community College students can use to satisfy lower division general education/graduation requirements of any California State University (CSU) or University of California (UC) campus. There are specific rules, policies, procedures and limitations governing the completion and use of IGETC. Completion of the entire IGETC pattern is generally not required for admission to CSU or UC (consult with an academic counselor for admission requirements to the UC and CSU systems). In addition, IGETC may not be appropriate for science majors. Complete information on IGETC can be found at www.sbcc.edu/transfercenter/files/IGETC.pdf, or by contacting the SBCC Transfer Center or the SBCC Academic Counseling Center. CALIFORNIA STATE UNIVERSITIES GENERAL EDUCATION BREADTH REQUIREMENTS

California State University (CSU) General Education Breadth Pattern (G.E.B.): Students have the option of completing the SBCC-CSU General Education Breadth Pattern to satisfy the 39 lower division general education breadth requirements for any campus of the California State University system in place of completing the CSU campus-specific General Education pattern.

Students following the SBCC-CSU General Education Breadth Pattern should complete it prior to transfer; however, completion of the entire pattern is not generally required for admission to CSU (consult with an academic counselor for admission requirements to the CSU system). Students who are also considering transferring to a campus of the University of California may want to follow the Intersegmental General Education Transfer Curriculum (IGETC), instead of the SBCC-CSU General Education Breadth Pattern. Complete information on the SBCC-CSU General Education Breadth Pattern can be found at www.sbcc.edu/transfercenter/files/CSUGE.pdf, or by contacting the SBCC Transfer Center or the SBCC Academic Counseling Center. CALIFORNIA NONRESIDENT TUITION EXEMPTION

For Eligible California High School Graduates (The law passed by the Legislature in 2001 as AB540)

General Information
Any student other than a nonimmigrant alien who meets all of the following requirements shall be exempt from paying nonresident tuition at the California Community Colleges, the California State University and the University of California (all public colleges and universities in California).

• Requirements:
  • The student must have attended a high school (public or private) in California for three or more years.
  • The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency Exam).
  • An alien student who is without lawful immigration status must file an affidavit with the college or university stating that he or she has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.
  • Students who are nonimmigrants [for example, those who hold F (student) visas, B (visitor) visas, etc.] are not eligible for this exemption.
  • The student must file an exemption request, including a signed affidavit, with the college that indicates the student has met all applicable conditions described above. Student information obtained in this process is strictly confidential unless disclosure is required under law.
  • Students eligible for this exemption who are transferring to another California public college or university must submit a new request (and documentation, if required) to each college under consideration.
  • Nonresident students meeting the criteria will be exempted from the payment of nonresident tuition, but they will not be classified as California residents. They continue to be “nonresidents.”
  • AB540 does not provide student financial aid eligibility for undocumented alien students. These students remain ineligible for state and federal financial aid.

Procedures for Requesting this Exemption from Nonresident Tuition

California Community Colleges:
Complete the form on the next page. Submit it to the Admissions Office at the community college where you are enrolled or intend to enroll. You may be required to submit additional documentation. Call the college Admissions Office if you have questions.

University of California:
The University of California (UC) system has its own nonresident tuition exemption application and affidavit form, but it will accept the exemption request form used by the California Community Colleges and the California State University. Your campus has established deadlines for submission of exemption requests; however, requests are not to be submitted until you have been admitted to a UC campus. Some students, such as transfer, graduate and professional students, also must submit their official high school transcripts; check with your campus for specific instructions. Once you are determined to be eligible for the exemption, you will continue to receive it as long as you fulfill the eligibility requirements or until the University no longer offers this exemption. The exemption covers the Nonresident Tuition Fee and the Educational Fee differential charged to nonresident students. Applying for the exemption does not alter your responsibility to pay by the campus deadline any nonresident tuition and associated fees that may be due before your eligibility is determined. General information is available at: www.ucop.edu/sas/sfs/Programs_and_Policies/ab540fags.htm.
For campus-specific instructions regarding documentation and deadline dates, contact the campus Office of the Registrar.

California State University:
Complete the form on the next page. Contact the Office of Admissions & Records at the CSU campus where you are enrolled or intend to enroll for instructions on submission, deadline information and additional requirements. You will be required to submit final high school transcripts and appropriate records of high school graduation or the equivalent, if you have not done so already. Call the Office of Admissions & Records at the campus if you have questions.
