Campus Resources
Encouraging Students to Seek Help

SBCC offers many forms of free student support services. Because many factors, both in and outside of the classroom, affect a student’s academic success, tutors can support students to meet their academic goals by sharing information about valuable campus resources. If a student is unsure which services might be most helpful, see an academic counselor in the Academic Skills area of the Student Services building.

The Tutorial Center Coordinator verifies the job assignment and recent tutoring employment. (If the tutor has not worked on campus in the past two years, consult new hire flowchart.)

The Tutorial Center Coordinator creates an EPAF

The EPAF is completed and a timesheet is created. An auto generated email is sent to the tutor and the supervisor. The Tutorial Center Coordinator will also send an email to confirm that the tutor is hired and can begin working.

Acceptance of Employment by all SBCC Student Employees

A. All Student Employees may not work more than 175 calendar days during a fiscal year (July 1 - June 30). Employment during inter-sessions and Summer session applies toward this limit.

B. All Student Employees are limited to 8 hours per day, 5 days a week (Monday – Sunday), and 19.5 hours per week of employment during Fall, Spring and Summer semesters (if student is enrolled for Summer Session) and 1,000 hours per fiscal year (July 1 – June 30).

C. Student Employees may work in excess of 19.5 hours per week (not to exceed 8 hours per day, 5 days a week or 40 hours per week) during intersessions or Summer session if they are not enrolled in Summer Session and if there are sufficient funds and the department has the need for the assistance. The ability to work these longer hours during intersessions and Summer session does not constitute a guarantee that FWS and GSE students will be given such employment.

D. During the academic year, FWS and GSE students must be enrolled in a minimum of 6 units during the semester in which they work. International students must be enrolled in a minimum of 12 units.

E. During the Summer or intersession, FWS and GSE students do not need to be enrolled, but must be pre-enrolled at SBCC in a minimum of 6 units in the subsequent term (12 units for International Students).

F. Hours worked beyond those permitted in these rules or hours worked beyond those authorized by the supervisor will be considered voluntary and will not be compensated. Hours worked in excess of these rules and/or in excess of those authorized by a supervisor may not be "banked" and paid during a pay period when fewer hours are worked.

G. A Student Employee may have more than one job on campus, but the combined hours from all jobs must not exceed the limits described above.

H. If a FWS or GSE student will conclude all SBCC work during an intersession or Summer session, the student may work during that intersession or Summer session without being pre-enrolled in the subsequent SBCC session or semester if he/she is enrolled in at least ½ units during that final intersession or Summer session. International students are not eligible to work in the summer unless they qualify under D or E above.

Acceptance of Hourly Staff Employment at SBCC

Hourly Staff are employees hired on a temporary basis to work no more than 19.5 hours per week, and no more than 175 days per fiscal year, to fulfill a temporary need for the District. As a short-term hourly employee, you are not considered a regular employee of the District, and do not receive any employee benefits (i.e., sick pay, vacation pay, medical/dental, etc.). If your assignment extends to 175 days in a fiscal year, you will be terminated once that limitation is reached.

- Hourly Staff employees may not work more than 175 calendar days during a fiscal year (July 1 - June 30). Employment between terms and during Summer term applies toward this limit.
- Hourly Staff employees are limited to 8 hours per day, 19.5 hours per week of employment during Fall, Spring and Summer terms and 1,000 hours per fiscal year (July 1 - June 30).
- Hours worked beyond those permitted in these rules will be considered voluntary and will not be compensated. Hours worked in excess of these rules and/or in excess of those authorized by a supervisor may not be “banked” and paid during a pay period when fewer hours are worked.
- Hourly Staff employees may have more than one job at SBCC, but the combined hours from all jobs must not exceed the limits described above.

Applicable for both student and hourly staff employees:

I understand that this is “at will” employment. This means that I may be released at any time without notice or reason and I may resign my position at any time without notice or reason. I agree to work within the procedures described above. I will file time sheets that accurately report the hours worked. I understand that I must report all hours on the days actually worked. I understand that falsification of timesheets may be considered grounds for termination.
REGULATIONS REGARDING WORK HOURS FOR PERMANENT, HOURLY & STUDENT EMPLOYEES

Per Human Resources, the labor laws are the same for students as they are for hourly staff as they are for permanent classified staff. Please refer to the CSEA agreement, Article 7.4 for detail.

WORK 6 HOURS OR MORE:

If you are scheduled to work 6 hours or more in a day, you must take a 30-minute, non-paid, work-free meal break during the 6 hours (somewhere in the middle of your shift, not at the end of it).

Student & Hourly Workers
If you want to earn 6 hours pay, you must be here for 6.5 hours since you must clock out for a 30 minute break somewhere in the middle of your shift. If you do not want to take a 30-minute break, then you will be scheduled to work only 5.5 hours.

You also are entitled to a separate, paid 15-minute break within the first 4 hours worked.

Student, Hourly & Permanent Staff
If you want to earn 8 hours pay, you must be here for 8.5 hours. You cannot skip or postpone your 30-minute break until the end of your 8 hours and say, “I’m taking it the last half hour” and leave duty ½ hour earlier than scheduled. Similarly, if you take a 1-hour meal break, you will leave the job 9 hours after you arrived in order to earn 8 hours pay. You cannot skip your 30 minute break.

You are also entitled to two separate, paid 15-minute breaks during your shift, each to be taken within a stretch of 4 hours. You cannot skip or postpone these breaks or combine them.

WORK 4 HOURS OR MORE:

For each period of 4 hours you work in a day, you must take a 15-minute break sometime during the middle of those 4 hours (not at the end of your shift), but you are paid for this time and you do not clock out for this break. You cannot skip your 15 minute break(s).

WORK FEWER THAN 4 HOURS

If you work fewer than 4 hours, you are not entitled to a 15 minute break.

TAKE YOUR BREAKS!

❖ They are important for your mental, physical and emotional well-being.
❖ They help your focus and concentration and your ability to manage stress.
❖ They allow you to work and assist others with patience and presence.
SBCC Non-Discrimination/Sexual Harassment Policy

The policy of the Santa Barbara Community College District is to provide an educational and employment environment in which no person shall be denied full and equal access to, the benefits of, or be subjected to discrimination, in whole or in part, on the basis of ethnic group identification, national origin, religion, age, sex, race, color, ancestry, sexual orientation, or physical or mental disability, or on the basis of these perceived characteristics or based on association with a person or group with one or more of these actual or perceived characteristics, in any program or activity that is administered by, funded directly by, or that receives any financial assistance from the State Chancellor or Board of Governors of the California Community Colleges.

The policy of the Santa Barbara Community College District is to provide an educational and employment environment free from unwelcome sexual advances, requests for sexual favors, sexual favoritism, or other verbal or physical conduct or communications constituting sexual harassment.

The following definition will aid in identifying the kinds of behavior which constitute sexual harassment:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

(1) Submission to or rejection of such conduct is made either explicitly or implicitly a term or condition of instruction, employment, or participation in other college activity;

(2) Submission to or rejection of such conduct by an individual is used as a basis for evaluation in making academic or personnel decisions affecting an individual; or

(3) Such conduct has the purpose or effect of unreasonably interfering with an individual's performance or creating an intimidating, hostile, or offensive college environment.

The policy of the Santa Barbara Community College District is to comply with the accessibility requirements of Section 508 of the Rehabilitation Act of 1973 in the development, procurement, maintenance, or use of electronic or information technology and respond to and resolve discrimination complaints regarding accessibility.

Such complaints will be treated as complaints of discrimination on the basis of disability. This non-discrimination policy covers admission, access and treatment in college programs and activities—including, but not limited to, academic admissions, financial aid, educational services and athletics—and applications for, and treatment in, college employment.

In conformance with the requirements of Title II of the Educational Amendments of 1976, amending the Vocational Education Act of 1963, the college is committed to overcoming sex discrimination and sex stereotyping in vocational education programs.

Furthermore, in compliance with the Vocational Education Guidelines for Eliminating Discrimination on the Basis of Race, Color, National Origin, Sex and Handicap, lack of English language skills alone will not be a barrier to admission to and participation in vocational education programs. Any screening procedures for vocational programs will evaluate skill levels and proficiencies pertinent to the program as criteria for admission.

Employees, students, or other persons acting on behalf of the District who engage in discrimination as defined in this policy or by state or federal law may be subject to discipline, up to and including suspension, discharge, expulsion, or termination of contract.
Política contra la discriminación/Política contra el acoso u hostigamiento sexual

La política del Distrito de Santa Barbara Community College es la de ofrecer un ambiente educativo y de empleo, en el cual a ninguna persona se le niega el pleno y paritario acceso ni sus beneficios, o ser sujeto de discriminación, totalmente o en parte, en base a su identificación con un grupo étnico, nacionalidad, religión, edad, sexo, raza, color, ascendencia, orientación sexual, discapacidad física o mental, o en base a la percepción de estas características, o en base a la asociación con una persona o grupo con una o más de estas características, ya sea percibidas o reales, en cualquier programa o actividad administrada, patrocinada directamente, o para la que recibe cualquier asistencia financiera del Cánziller del Estado o de la Junta de Gobernadores de las Instituciones Postsecundarias de dos años (California Community Colleges Board of Governors).

La siguiente definición ayuda a identificar los tipos de comportamientos que constituyen el acoso u hostigamiento sexual:

La política del Distrito de Santa Barbara Community College es proporcionar un ambiente educativo y de empleo libre de solicitudes sexuales forzadas, solicitudes de favores sexuales, favoritismos basados en el sexo u otra conducta física o verbal o comunicación que constituye acoso u hostigamiento sexual.

Las solicitudes sexuales forzadas, solicitudes defavores sexuales y otra conducta verbal o física de naturaleza sexual constituyen acoso u hostigamiento sexual cuando:

1. La sumisión o el rechazo a tal conducta se expresa explícitamente como una condición para la instrucción, el empleo o la participación en una actividad de la universidad;
2. La sumisión o el rechazo a tal conducta por un individuo se usa como base para evaluar y tomar decisiones académicas o de personal que afectan al individuo; o
3. Tal conducta tiene el propósito o efecto de interferir desproporcionadamente con el rendimiento de una persona o de crear un ambiente universitario hostil, intimidador u ofensivo.

La política del Distrito de Santa Barbara Community College es la de cumplir con los requisitos de accesibilidad de la Sección 508 de la Ley de Rehabilitación de 1973 en el desarrollo, consecución, mantenimiento, o uso de información electrónica, o información tecnológica, y responder y resolver las quejas de discriminación relacionadas con la accesibilidad. Tales quejas se tratarán como quejas de discriminación basada en la discapacidad en cuestión.

La política de no-discriminación cubre la admisión, el acceso y el tratamiento recibido en los programas y actividades universitarios –incluyendo, pero no limitados a, la admisión académica, ayuda financiera, servicios educativos y deportes– y la solicitud a y el trato en el empleo en la universidad.

En conformidad con los requisitos del Title II de las Enmiendas Educativas de 1976, enmendando el Vocational Education Act de 1963, la Universidad se compromete a superar la discriminación sexual y los estereotipos en los programas de educación profesional.

Es más, en cumplimiento de las Guías para la eliminación de la discriminación en base a la raza, el color, la nacionalidad, el sexo y la discapacidad en programas de Educación Profesional, la falta de lengua inglesa en sí misma no será barrera para la admisión y participación en programas de educación profesional. Cualquier procedimiento de selección para programas profesionales evaluará los niveles de habilidad y destreza pertinentes al programa como criterio de admisión.

Los empleados, estudiantes u otras personas que actúan en nombre del Distrito y que actúen discriminatoriamente tal y como se define en este reglamento o en las leyes del estado o federales, están sujetos a medidas disciplinarias que pueden incluir la suspensión, el despido, la expulsión o la rescisión de contrato.

Tutoring Guidelines and Information
General Guidelines for SBCC Tutors

As an employee, you are expected to behave in a professional manner while working with students, even if the students are the same age as you are. Students whom you assist, in the lab, classroom, or in individual sessions, should feel comfortable and know that their needs are being met in a timely, efficient manner. You should also feel comfortable and clear about policies and practices that will ensure a safe and effective working environment. The following guidelines should be helpful to employees and students alike:

1. Your primary focus while tutoring should be on the student. Secondary focus should be the faculty and staff with whom you are working. Keep personal interruptions to a minimum during tutoring sessions. Be sure to turn your cell phone off.

2. Be on time and call well in advance if you are unable to keep your work commitment. See the staff contact list for phone numbers of supervisors. If appropriate, post a notice, or ask another employee to do so for you, in your tutorial area noting your absence.

3. Your attitude with the students and your fellow employees should always convey professional respect and courtesy. Be aware of personality and cultural differences in a way that will foster understanding, acceptance, and consideration for one another.

4. Be considerate of noise levels, behavior, or language that might compromise a learning environment. If you are working with a large group, it might be necessary to use a study room so you can carry on your discussion without interrupting others.

5. Always respect the confidentiality of the students and your fellow employees by refraining from giving out any of their personal information. Direct all such questions to your supervisor, or ask for the name of the person making the inquiry and inform your supervisor of the request.

6. Dress and personal hygiene should be consistent with what you would expect from any other professional work environment. As tutors, you are free to dress casually, but be aware of how your use of perfume, clothing, or other choices may interfere with the students’ comfort level and ability to concentrate.

7. Respect the personal space and learning styles of others and familiarize yourself with the SBCC sexual harassment policy. When you are working with students whom you know as friends, be aware of your dual relationship and keep your tutoring session focused on their academic goals.

8. Remember that you are helping to empower students, not do their work for them. When giving instructions, offer clear verbal directions. When offering technical assistance, allow the student to use the equipment independently. This will foster student self-reliance and reduce over-dependence on the tutor. Do not correct work, but rather assist the student in moving through the process of discovery and adjustment that comes from your use of open-ended questions, patience, wait time, and encouragement.
The DO’S of enjoying my tutoring experience...

BEFORE I start my tutoring job, I will do the following:

- Each semester, **whether I am a new or returning tutor**, I will submit a Tutor Semester Assignment Form.
- If I am a new general (non-Gateway) tutor, I will complete the Mandatory Tutor Training Workshop before I start my tutoring job. I understand that I am also highly encouraged to complete the five-week Tutor Training Seminar for which I will receive the College Reading and Learning Association certificate.
- If I am a new Gateway tutor, I will complete the Tutor Training Seminar my first semester of tutoring.

WHILE I am a tutor, I will do the following:

- I will **not work in excess of my allocated hours**.
- I will follow the **National Tutoring Association Code of Ethics**.
- I will be on time for my tutoring sessions and will stay for the whole session. If I am going to be late or I am not able to make a tutoring session, I will call my supervisor and the Tutorial Center to inform them. I will keep tutorial cancellations to a minimum and give 24 hours notice when possible.
- I will focus my time and attention on tutoring. I will not read papers, run errands, instruct classes, operate labs for instructors, give tests, or talk on my cell phone.
- When I am tutoring as an SBCC employee, I will only tutor on-campus Mondays through Fridays when school is in session in an approved location (see SBCC Tutoring Locations found in the Tutor Handbook). The only exception is for math tutors eligible to work in the MATH Lab when the MATH Lab has weekend hours.
- If I need to change my schedule, I will send my request to my supervisor. I will wait for a response from my supervisor to confirm the change before proceeding.
- I understand my last week of tutoring will generally be the last week of instruction unless I have made special arrangements with my Supervisor to do otherwise.
- I will submit my online time sheets by their due dates each pay period. If I miss submitting a time sheet on time, I will contact the Tutorial Center Coordinator regarding the late time sheet submission procedures.
- I will pick up my paycheck on or near the check issuing date. I will pick up my paycheck at the Payroll Office in the Administration Building, Room 130.
- I will contact the **Tutorial Center (Ext. 2667)** if I have any questions.
- Most importantly, I will enjoy tutoring!
- I am aware that if I do not follow any of the above procedures or guidelines, I may be subject to dismissal.
National Tutoring Association Code of Ethics

The National Tutoring Association is dedicated to providing its members with opportunities to achieve and maintain high professional standards for tutors and administrators of tutoring programs and services.

- I understand that my role as a tutor is to never do the student's work for him or her.
- I will give honest feedback to the student I serve and will not insult my student with false hope or empty flattery; I will always demonstrate faith in my student's learning abilities.
- I understand that my relationship to the student is professional and not personal.
- I will show respect for my student's cultural background and personal value system.
- I recognize that I may not have all the answers to student questions. In this event, I will seek assistance in finding answers to the student's questions and/or direct the student to an appropriate resource for the information.
- I will maintain accurate records of tutoring sessions as expected and required.
- I will respect my student's personal dignity at all times.
- I will be on time for tutoring appointments, not only out of courtesy, but to be a good example for my student to follow.
- I will keep all information about the student whom I am assigned confidential.
- I understand that my ultimate goal is to assist my student in learning how he or she best learns and to help my student develop the skills to achieve his or her best, most efficient learning.
- I will share any concerns I have with my supervisor.
- I expect to learn along with my student.
- I will keep current in both my subject area(s) and learning methodologies.
- I will remain flexible to my approach to student learning, respectful of the various learning styles.
- I will share techniques for improved study skills with my students.

Steps to an Effective Tutoring Session

Remember, you are not tutoring a subject (art, math, English, etc.), you are tutoring a student. Your goal is to guide the student through his or her own learning processes in order to foster independent learning, discovery, and confidence. Tutoring is guiding and supporting, not preaching or doing the work for the student. Use the following to keep the student in an active role during and after the tutoring session.

<table>
<thead>
<tr>
<th>Beginning Steps</th>
<th>Task Steps</th>
<th>Closing Steps</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Step 1</strong> - Greeting and Climate Setting: welcome the person, not the project</td>
<td><strong>Step 5</strong> - Set the agenda for the session: agree on what you will seek to accomplish together</td>
<td><strong>Step 9</strong> – Confirmation: did you accomplish what you set out to do? Ask the student if the session met their needs and expectations</td>
</tr>
<tr>
<td><strong>Step 2</strong> - Identification of task: help the student figure out what needs to be done</td>
<td><strong>Step 6</strong> - Addressing the task: use resources and open ended questions to help the student get the task done</td>
<td><strong>Step 10</strong> - What's next?: help the student identify what task or assignment is to be done at home or in the next session.</td>
</tr>
<tr>
<td><strong>Step 3</strong> - Breaking the task into parts: help the student learn the process instead of doing it for him or her</td>
<td><strong>Step 7</strong> - Tutee summary of content: confirm understanding by asking the student to summarize what was just accomplished</td>
<td><strong>Step 11</strong> - Arranging and planning the next session: be sure to choose mutually convenient times – and honor that commitment</td>
</tr>
<tr>
<td><strong>Step 4</strong> - Identification of thought processes which underlie task: what does the student understand and where does that understanding break down?</td>
<td><strong>Step 8</strong> - Tutee summary of underlying process: help the student's metacognitive awareness by talking about how the work got done</td>
<td><strong>Step 12</strong> - Closing and Goodbye: again, connect with person, not just the pride of accomplishing something together; leave on an encouraging note!</td>

Creative Ways to Tutor

Here is a list of possibilities you and your Instructor or Tutor Supervisor may want to explore as you work together this semester. Let us know if you are doing something successful you want to share with other instructors and tutors and we’ll include it here. Contact the Tutorial Center Coordinator at 805-965-0581 X 2667.

A few options for weekly tutorial times are:
- requiring tutoring appointments for some or all students
- having the tutor circulate a sign-up list at the beginning of the semester for individual, pair, or small group weekly appointments

- offering extra credit for tutorial appointments
- filling out a referral form to specify what work a student is to do during a required tutorial session
- arranging drop-in hours during a variety of time slots
- having the tutor meet with students to review their notes and discuss note taking strategies

In the classroom or lab, tutors can:
- help facilitate small group exercises or discussions
- assist students with peer response for essay writing
- work with individual students who require additional support
- assist students to learn how to effectively utilize software, tools, etc.
- work with individual students who require additional support

During drop-in appointments, tutors can:
- answer content-related questions or concerns
- assist students with study and organizational skills
- review essay drafts or work-in-progress with students
- review lecture material with students in preparation for exams, essays, or projects
- review Directed Learning Activities and short response assignments

On-going communication between the instructor and tutor will ensure the most effective support of classroom instruction, course objectives, and student learning outcomes.
THE SBCC TUTOR NETWORK

You are not alone. Tutors are part of a network of academic support resources and personnel at SBCC. As you work with your tutees, remember that there are other types of assistance from which they may benefit. Get to know what other classes your tutees are taking to get a broader view of their academic interests and possible needs. Tutors can further support these students by referring them to additional campus resources. Use the list of CLRC services and the list of subject and tutoring sites found at the Tutorial Center and online (http://www.sbcc.edu/clrc/tutorial_center/tutor_schedules.php) to refer your tutees to additional resources.

Computer Tutor
Computer tutors assist in the CLRC and other computer labs across campus. Students receive help with technical problems, computer applications, options for saving their work, and other computer-related issues. Computer tutors also enforce computer and web activity guidelines for appropriateness in an academic setting.

DSPS Tutor, SS 160 (dspshelp@sbcc.edu or ext. 2364)
Disabled Students Programs and Services (DSPS) tutors work with students who have learning disabilities. Sometimes this tutoring involves special computer programs in the computer lab. DSPS tutors often work in the class and are mentored by the instructor.

EOPS Tutor, SS 240 (eops@sbcc.edu or ext. 2279)
EOPS tutors assist students who are enrolled in the Educational Opportunity Program with their course material in most subject areas (e.g. Math, English, Science, etc.) as well as with program guidelines. EOPS students are mostly fulltime students, who often work and raise families as well.

Gateway Tutors, ECC 4 (gateway@sbcc.edu or ext. 4770)
Gateway tutors are assigned to specific classes and perform a variety of tutorial functions: one-on-one, small group, pre-exam review sessions, and/or in-class assistance.

STEM Tutor, CC 228 (stem@sbcc.edu or 805-730-4396)
STEM stands for Science, Technology, Engineering and Mathematics. The STEM Transfer Program’s priority is to assist Hispanic and/or low income students in creating and following a streamlined educational plan that ensures transfer to a four-year institution in a STEM area.

Student Athlete Academic Achievement Zone, PE 214
The Student Athlete Academic Achievement Zone (AAZ) tutors assist student athletes in reaching their educational goals while attending SBCC. The program targets student athletes who are entering their first semesters at the college and who are considered academically underprepared and second-year students deemed academically at risk.

Subject Tutor (Visit Tutorial Center URL mentioned above for tutor schedules and locations.)
Subject tutors may work with students from a specific class or provide drop-in assistance to any student who is taking a course in that subject (e.g., history, Spanish, accounting, etc.). Subject tutors assist students in many different locations depending on the subject. Students can receive assistance with course content, exam preparation, essay content development, note taking, and other course-related issues.

Writing Tutor, CLRC (writingcenter@sbcc.edu or ext. 2663)
Writing tutors assist students in the CLRC Writing Center with essays and other papers for any SBCC course. Tutors assist students with pre-writing, organization, thesis and content development, sentence structure, essay format, and MLA and other citation guidelines. Writing Center resources and information are also available online.
