These regulations apply on campus and at all college-sponsored activities or at activities sponsored by college clubs or organizations on or off campus, except where specifically limited. Students shall be subject to college discipline for any of the following misconduct, which occurs at any time on campus, or at any off-campus facility or college-approved or sponsored function.

Alcohol & Drug Abuse Policy

THE DRUG-FREE SCHOOLS and Communities Act Amendments of 1989 require institutions of higher education to implement a drug prevention program, which includes the annual dissemination of the following policy on alcohol and drug use.

Santa Barbara City College is committed to the success of each student and as a college; we realize that the use of alcohol and drugs can be a major impediment to success.

There are both physical and psychological health risks associated with drug and alcohol use, including decreased immunity, exhaustion, decreased muscle coordination, depression, confusion and paranoia, among other conditions. In most cases, anyone who uses drugs and abuses alcohol can expect a decline in the quality of his/her life.

Through the Health Services and Wellness Program, SBCC offers classes, educational programming, resources and counseling as well as referrals to community service agency counseling and rehabilitation programs.

According to the Standards of Student Conduct, possession, use or distribution of illicit drugs and alcohol on college property or during campus-related activities are subject to disciplinary action. This can be up to, and including, expulsion from SBCC, as well as punishment under California State law, including from six months to one year in county jail, or up to five years in State prison.
