WHEN CAN I APPLY? Applications for a degree or certificate may be submitted once all requirements have been fulfilled or if all requirements will be fulfilled by the end of the current semester. In order to be included in the commencement brochure all applications must be filed no later than the posted date in the spring semester.

HOW DO I KNOW IF I AM ELIGIBLE TO APPLY?

Is SBCC the only college you have attended?
If yes, then log on to your Pipeline account and run a U-Achieve report. You will need to identify the catalog year for each degree(s) or certificate(s) for which you will be applying. Your choice of catalog year must be within your catalog rights. Santa Barbara City College students may graduate under the General Education and Department requirements in effect at the time of first enrollment, as long as continuous enrollment is maintained; or under the requirements in effect from the time continuous enrollment is established and maintained; or under the requirements in effect at the time of graduation. Continuous enrollment is defined as enrollment in both Fall and Spring semesters through the first census each academic year. For purposes of determining catalog rights, the catalog year begins with the Fall and goes through the following summer session.

For example, if you started SBCC four semesters ago and have attended continuously each semester (excluding summers), you can enter the current semester on the application as your catalog year.

A student who requests an exception to this policy may submit a Petition to Reinstate Catalog Rights to the Admissions & Records office for consideration. Exceptions may include an interruption or loss of catalog rights due to extenuating circumstances and/or hardship. Extenuating circumstances are verified cases of accidents, illnesses, or other circumstances beyond the control of the student.

Your U-Achieve report considers and applies current semester "in progress" (IP) SBCC course work. Unfulfilled requirements will be marked with a large red X. If your report states "AT LEAST ONE REQUIREMENT HAS NOT BEEN SATISFIED", you are NOT eligible to apply. If all requirements have not been satisfied according to the report and you believe you are eligible, contact an academic counselor. If you are eligible to apply, do so now.

Have you attended other colleges? If yes, then you must meet with an SBCC academic counselor.

HOW DO I APPLY?

If SBCC is the only college you have attended follow the instructions below.

Log on to your Pipeline account and run a U-Achieve report for each degree or certificate for which you are applying. Print out and complete a separate APPLICATION FOR DEGREE OR CERTIFICATE OF ACHIEVEMENT form for each degree and/or certificate for which you will be applying.

   c) Select the degree type: Refer to the catalog for degree types available for your major or program of study
   d) Print the name of the program or major just as it appears on your U-Achieve Report or just as it appears in the catalog under which you are applying.

Part IV. Sign your name and date the form. Submit one application and one U-Achieve report for each degree and certificate. If you have attended other colleges you will need to meet with an SBCC academic counselor to have external coursework evaluated. Official transcripts from all colleges previously attended need to be on file with the SBCC Admissions and Records Office. An academic counselor will assist you in evaluating your external coursework and with filing the degree and/or certificate application(s).
