SBCC Associate of Science: Early Childhood Education (28 specified ECE units; SBCC GE pattern; 60 units total)

SBCC Certificates of Achievement (five options):
- Associate Child Care Teacher (15-17 units)
- Early Childhood Education (28 units)
- Infant/Toddler Development (34 units)
- Diversity Issues in ECE (34 units)
- School-Age Care (18 units)

Students will earn SBCC's Associate Child Care Teacher Certificate once they have completed the required 15-17 units (102, 120, 103, 6 units of electives from the list on the curriculum guide). SBCC's certificate is not required for students to get the state permit. However, it is in line with the permit, so that if they complete SBCC's Associate Child Care Teacher Certificate they should also earn the Child Development permit through the state!

In order to earn the "Child Development Permit: Associate Teacher" from the California Commission on Teacher Credentialing, 12 core units of Early Childhood Education (ECE) or Child Growth & Development are required:
- ECE 102 3 units (Area 1 -- Child, Family & Community)
- ECE 120 or Psych 140 3 units (Area 2 -- Child Growth & Development)

And choose 6 units from this list (which includes Area 3 -- Curriculum)

*Recommended because these are six of the eight courses required to earn SBCC's ECE certificate and AS degree: 102, 120, 103, 104, 108, 121, 128, 132

# Students must have 12 core units of ECE. Field experience is not being enforced.

The following ECE classes will NOT fulfill the state requirements for the Associate Teacher Permit:
- ECE 107, 109, 111, 117, 131, 131*, 142, 290. However, they will fulfill requirements for other permitting options.

^ In order to be a caregiver in an infant/toddler center, students will need to complete ECE 141 in addition to the 12 core units.

Once the student has the 12 core units and 50 days (3+ hours per shift) of documented teaching experience s/he can obtain the packet from the Santa Barbara County Education Office 805-964-4711, and apply for the Associate Teacher Permit. Students can earn the 50 days of teaching experience in ECE 103 (fall only) or ECE 290 (minimum 3 units). However, if the student has documentation without taking our classes, s/he can still earn the permit.

Child Development Permit Matrix listing Assistant to Program Director: See the bottom right hand side for matrices in English and Spanish: www.childdevelopment.org/cs/ctdc/print/htdocs/services_permit.htm or www.ctc.ca.gov CA educators: Applications, forms, leaflets and manuals; leaflets CL-723a http://www.ctc.ca.gov/credentials/leaflets/cl723a.pdf (Assistant: ANY six units of ECE coursework, not limited to the core).

SBCC: Summer ECE classes usually start TWO weeks prior to the regular summer session. They are EIGHT week classes. ECE 290 (which requires 6 units of ECE completed and a job in a preschool) usually begins at the end of May.

Local programs
- CSUCI: BA in Early Childhood Studies - Preparation for major: ECE 102, ECE 103 (taught fall only), ECE 120 or Psych 140, ECE 108, ECE 115, Span 101 (or higher). Full time program starting Fall 2014 -cohort model in Goleta.
- Antioch: BA in Liberal Studies - Child Development & Education
