11. Budgeting for the 4000 and 5000 accounts
12. Scenarios for reducing expenditures over three-years (Attachment 2)

13. Maintain center status (minimum 1,000 FTES per center) for Schott and Wake through a combination of non-credit and credit FTES

14. Maintain the commitment that all regular employees of the college will be employed – no layoffs of regular employees due to budget reductions

15. For 2011-12, maintain the same total additional support for categorical programs (EOPS, DSPS, matriculation) from the general fund as in 2010-11 $825,173

16. Continue effective and prudent fiscal management to ensure that the college does not need to borrow

17. Maintain a cash fund balance equal to 5% + cost of TLU liability + annual deferrals paid into the next fiscal year. This is the minimum level of cash needed to ensure that we meet cashflow needs throughout the year without the need to borrow. Minimum cash reserve of $19 million

18. Transfer at least $2 million/year into the construction fund and $1.5 million/year into the equipment fund.
