Stay on YOUR Chosen Path

You successfully completed SBCC dual enrollment courses while you were in high school. That means you already have a college transcript.

But what now?

Now it’s time to enroll at SBCC. Even though you filled out a college application for your dual enrollment classes, now it’s time to formally apply at SBCC...as a college student!

Take the insert from this brochure and show it to your counselor. It will help your counselor guide you to classes that will keep you on your path to success!
