 Course where the cost of the textbook is zero dollars and no cost to the student (SB 1359).

## ECE - Early Childhood Education

### ECE NC011 - Child, Family, Community at the Parent-Child Workshop (0 Unit)

Within context of cooperative preschool, students will develop a framework for positive communication, child guidance and discipline, and navigating parenting challenges of the 21st century. Students will discover community resources, learn about kindergarten readiness, and develop strategies to support children's education at home and school. Includes lecture, lab, discussion and activities.

**Hours:** 127.5 (42.5 lecture,85 lab)

**Transfer Information:** None

### ECE NC083 - Encouraging Learning Using Local Parenting and Community Resources (0 Unit)

Class teaches parents how to use local community resources as enhanced learning opportunities for 3 - 5 year old children. Students explore locations such as museums, parks and trails, children's activity centers, and tide pools, and expand the experiences with stories, crafts and other activities designed to enhance, enrich and engage both parent and child. Students bring a snack, a drink, and comfortable shoes.

### ECE NC140 - Music Times For Parents with Babies Aged 3-16 months (0 Unit)

Class explores the power of rhythm, melody, tonality and beat. Students learn how music nurtures children's physical, social, emotional, and intellectual development while strengthening the bond between parent and child. Participants are exposed to various genres of music, play a variety of instruments, listen to stories with dramatization and puppets, and learn songs, rhymes, sign language and finger plays in an interactive environment. Students also learn how music can be used as a tool to guide daily routines and transitions.
