The Blue Cross Blue Shield National Doctor and Hospital Finder

You have access to the Blue Cross and Blue Shield network within the U.S., Puerto Rico, and U.S. Virgin Islands. You may visit any Blue Cross and Blue Shield provider you choose, nationwide. More than 92% of doctors and 96% of hospitals participate in the Blue Cross and Blue Shield network.

How to Find a Doctor or Hospital

To find a doctor or facility, click on the U.S. Provider Finder in the Get Care section of the Member Hub on www.geobluestudents.com or in the GeoBlue app.

After you launch the Blue National Doctor and Hospital Provider Finder, follow these four easy steps to find a provider near you.

1. Enter your city and state. You can also enter your zip code.

2. Click on "Select a plan."

3. Enter the first three letters on your member ID card and click "Go."

(If you choose "select by plan name", please choose BlueCard PPO/EPO as your plan.)

4. Fill in the "Select a category" section and click to find a Provider.
