

**RESOLUTION
OF THE GOVERNING BOARD OF THE
SANTA BARBARA COMMUNITY COLLEGE DISTRICT**

Whereas, California's Community College system has already experienced very significant reductions in State funding during the past 2 years, and

Whereas, this reduction has resulted in the denial of access for thousands of otherwise eligible students to the first two years of college, and

Whereas, further reductions in state funding would negatively impact Santa Barbara City College as well as the rest of our community college system,

BE IT THEREFORE RESOLVED THAT

The Santa Barbara Community College District Board of Trustees hereby goes on record as supporting Governor Brown's tax initiative, Proposition 30, on the November 6, 2012 ballot.
