Santa Barbara City College will begin the Fall 2020 Semester with remote instruction. In-person instruction will take place for a very select few classes. The following are mandatory requirements for any student coming on to any SBCC Facility.

**TOP TIPS FOR SBCC STUDENTS FOR FALL 2020**

- Students are only permitted on SBCC facilities for an authorized purpose. For example, attending a scheduled in-person class.

- Students are required to complete the Online Health Self-Assessment before arrival on campus.

- Students are prohibited from congregating or gathering on District campuses or participating in recreational activities (unless part of an authorized College activity).

- Students are required to wear a face covering at all times that covers the nose and mouth while on campus and physically distance at least 6 feet.

- Students should arrive no more than 15 minutes before their scheduled activity and, whenever possible, leave within 15 minutes of the activity’s conclusion. If there are gaps between these activities, you should socially distance yourself from others.

- Students are required to wear lanyards with your Student ID for identification purposes. Students attending in-person classes will be provided a lanyard by their instructor. If you do not have a student ID, you are still required to wear the lanyard while on campus.

- Currently, water fountains and water refilling stations are unavailable. Please plan to bring your own water.

- There will be no food or coffee services available for students. Please plan to bring your own snacks.

**Follow these tips to keep yourself and our campus community safe and healthy**

- Avoid touching face, eyes, and mouth with hands.
- Avoid handshakes or other forms of greeting that break physical distance.
- Wash your hands frequently and use hand sanitizer as needed.
