Student Academics

Santa Barbara City College’s mission is to provide superior quality instruction in all programs and to maintain an environment that emphasizes teaching and learning and encourages the free discussion of ideas. The college’s outstanding faculty is committed to master teaching in small classes where students have direct, one-on-one access to their professors throughout the year.

The college offers transfer programs, which provide the first two years of study toward the baccalaureate degree and associate degree and certificate programs in a wide range of career technical fields. A variety of general educational opportunities is available for those wishing to develop new or expanded career skills or enhance their cultural awareness or artistic talents.

Begin a Bachelor’s Degree
Santa Barbara City College is recognized as a national leader in transferring well-prepared students to the University of California, California State University, in-state independent colleges, and out-of-state four-year colleges and universities.

Student Admission

How & When to Apply
Graduates of high schools, or equivalent—as well as persons 18 years of age or older who have not received a high school diploma—are eligible for admission.

Apply online, in person, or by mail. SBCC accepts applications throughout the year; online applications are limited to specific enrollment periods. Applications for Fall will be processed in January; Spring applications in October; and Summer Session applications in January.

Santa Barbara City College Transfer Academy
The Transfer Academy guides students through the process and courses needed to qualify for transfer admission guarantee (TAG) programs offered by the following universities:

UC: Santa Barbara, Davis, Irvine, Merced, Santa Cruz, San Diego and receive priority consideration in admission to UCLA (upon completion of the Honors Program at SBCC)

CSU: Channel Islands, Northridge

Private School: Antioch University

Our agreement with these campuses guarantees your admission to the university and potentially to the major of your choice.
Prepare for a Career
With access to some of the most advanced and best-equipped career technical and business programs in California, SBCC students develop a competitive edge for today’s—and tomorrow’s—job market. A wide array of certificate and degree programs prepares students for immediate entry into a high-demand career field.

Schall Career Center
Students clarify their interests, select a major, find a job and get information on careers. The Schall Career Center offers career-planning courses, training in job-seeking skills and drop-in counseling.

Student Life

Housing
The Office of Student Life maintains a listing of local property managers, a website for rental/roommate referrals, and limited opportunities for private residence hall housing.

Student Government
Participate in college governance through involvement in the Associated Student Body. The Student Senate plays an important role in the decision-making process at the college, while providing an array of services and activities that enhances the total student experience.

Clubs
A wide variety of student clubs and organizations provides an opportunity to be involved with peers in activities that enhance an academic major, hobby or special service to the community or college.

Athletics
Santa Barbara offers the ideal climate for year-round athletics. Whether it’s football in La Playa Stadium overlooking the Pacific Ocean, basketball in the Sports Pavilion or golf on one of the many beautiful courses around town, Santa Barbara has something special for all athletes. SBCC offers intercollegiate athletic competition for men in baseball, basketball, cross-country, football, golf, soccer, tennis, track and field and volleyball. Intercollegiate athletic competition for women is offered in basketball, cross-country, golf, soccer, softball, tennis, track and field and volleyball. Visit the Athletic Department website to complete a recruitment form.
Special Programs

Honors Program
The Honors Program is a rigorous series of stimulating academic courses taught by some of the most outstanding SBCC professors. Honors courses meet general education requirements and provide excellent preparation for success in upper division courses after transfer.

Phi Theta Kappa
The International Honor Society of the Two-Year College recognizes superior scholarship and provides opportunities in the areas of scholarship, leadership, service and fellowship. Transfer scholarships exclusively for society members are offered by more than 330 four-year colleges and universities.

Study Abroad
Spend one SBCC semester or summer session living and studying in a foreign country. Earn academic credit and experience firsthand the culture of Spain, France, China, Italy, England, Germany and the Czech Republic.

Music & Drama
Opportunities abound to participate in performance activities in theatre and music. The SBCC Theatre Group has a full season of performances, utilizing students in all areas of production: costuming, makeup, stagecraft and acting. Concert productions include choir and chamber singers, jazz, symphony, concert band, and electronic and commercial music.

Campus Safety & Transportation
Campus Security officers patrol 24/7 and provide escort service and tram transportation as needed. The campus has proven to be extremely safe with little reported crime. Students may purchase permits for on-campus parking. Student fees include a photo I.D./bus pass valid for unlimited use of local MTD buses throughout each semester.
