SCHOLARSHIP OPPORTUNITIES
GOVERNING PRINCIPLES

1. **Scholarships for Transferring Students**: Unless specifically stated in the descriptions contained herein, scholarships in this book are for use by students attending SBCC. **Scholarships are not transferable to other institutions unless specifically stated in the scholarship criteria.**

2. **Duration of Scholarships**: Scholarship awards received for the academic year July 1, 2011 through June 30, 2012 must be used during the academic year. Receipt may not be deferred. In the case of transfer scholarships, funds must be requested during the academic year with a deadline of October 31, 2011 for fall semester transfers and March 30, 2012 for spring semester transfers. Requests for payment after June 30, 2012 cannot be honored.

3. **Unit requirement**: Unless otherwise indicated in individual scholarship descriptions, applicants must be full-time students, carrying twelve (12) or more units for each of the academic periods (either semesters or quarters) for which the scholarship award applies.

4. **Criteria for Scholarship Awards**: Every effort has been made to provide complete descriptive information for each scholarship contained herein. In cases of dispute, criteria stipulated in the governing document apply.

5. **Forfeiture of Awards**: In order to receive scholarship awards, students must be enrolled during the applicable semester. If a student fails to enroll for the fall semester by September 2, 2011, his/her scholarship award is forfeited for that semester and will be given to another qualifying scholarship applicant.

   Awards for the subsequent spring semester will likewise be forfeited unless the scholarship recipient notifies the Financial Aid Office that he/she will enroll for the spring semester. Notification must be in writing or email, received no later than the fall semester September 2, 2011, and addressed to:

   Scholarship Coordinator  
   Financial Aid Office  
   Santa Barbara City College  
   721 Cliff Drive  
   Santa Barbara, CA 93109  
   itrjillo@sbcc.edu

   Even if proper notification is received, failure to enroll for the spring semester by February 3, 2012, will result in complete forfeiture of all scholarship awards for the academic year. Scholarship awards will be given to other qualifying applicants.

Scholarships and Financial Aid

Santa Barbara City College offers a great variety of scholarships to its students. Some require the satisfactory completion of a minimum of 12 units of course work at SBCC, while others are open to recent high school graduates and other students attending SBCC for the first time in the 2011 fall semester. Please read the eligibility and criteria requirements of each scholarship carefully!

Scholarships are awarded based upon academic achievement and/or financial need. Criteria vary from scholarship to scholarship. Gifts and endowments from community organizations, private individuals, corporations, as well as foundations fund SBCC scholarships. They are administered by the Foundation for SBCC, a nonprofit organization associated with the college that raises and manages private funds that benefit SBCC students.

Privately funded scholarships are only one form of financial aid available to students. To be considered for other types of financial aid (federal or State grants, federally insured student loans, and/or work study grants), students should complete a separate application with the Financial Aid Office, located on the 2nd floor of the Student Services Building in Room SS210.

The Application Process

Scholarship information can be obtained in the Financial Aid Office, beginning Monday, January 10, 2011. The office is open Monday and Thursday 8:00 a.m. to 4:15 p.m., Tuesday and Wednesday 8:00 a.m. to 6:00 p.m. and Friday 8:00 a.m. to 1:00 p.m. Online application information can be found on the SBCC Scholarships webpage (http://www.sbcc.edu/scholarships) beginning January 10, 2011. For additional information, please contact the SBCC Scholarship Coordinator at (805) 965-0581, ext. 2417.

All 2011 high school graduates and other first year students who will be attending SBCC in the 2011 fall semester are eligible and encouraged to apply for scholarships described in this booklet and indicated by an asterisk (“*”) following the title. Students leaving SBCC and transferring to four-year colleges and universities or to advanced vocational schools in fall 2011 are encouraged to apply for scholarships indicated by a plus (“+”).

The Annual Scholarship Reception honoring all scholarship recipients and donors will be held on Friday, May 13, 2011, from 2:30 to 4:00 p.m. in the Student Services Plaza, adjacent to the Student Services Building. If awarded a scholarship, your presence is requested at the reception.
