SCHOLARSHIP OPPORTUNITIES
2010 ~ 2011

Deadline for application:
Tuesday, March 2, 2010 by 11:59 PM PST
**SCHOLARSHIP OPPORTUNITIES**  
**GOVERNING PRINCIPLES**

1. **Scholarships for Transferring Students**: Unless specifically stated in the descriptions contained herein, scholarships in this book are for use by students attending SBCC. **Scholarships are not transferable to other institutions unless specifically stated in the scholarship criteria.**

2. **Duration of Scholarships**: Scholarship awards received for the academic year July 1, 2010 through June 30, 2011 must be used during the academic year. Receipt may not be deferred. In the case of transfer scholarships, funds must be requested during the academic year with a deadline of October 30, 2010 for fall semester transfers and March 31, 2011 for spring semester transfers. Requests for payment after June 30, 2011 cannot be honored.

3. **Unit requirement**: Unless otherwise indicated in individual scholarship descriptions, applicants must be full-time students, carrying twelve (12) or more units for each of the academic periods (either semesters or quarters) for which the scholarship award applies.

4. **Criteria for Scholarship Awards**: Every effort has been made to provide complete descriptive information for each scholarship contained herein. In cases of dispute, criteria stipulated in the governing document apply.

5. **Forfeiture of Awards**: In order to receive scholarship awards, students must be enrolled during the applicable semester. If a student fails to enroll for the fall semester by **September 4, 2010**, his/her scholarship award is forfeited for that semester and will be given to another qualifying scholarship applicant.

Awards for the subsequent spring semester will likewise be forfeited unless the scholarship recipient notifies the Financial Aid Office that he/she will enroll for the spring semester. Notification must be in writing, received no later than the fall semester **September 4, 2010**, and addressed to:

Scholarship Coordinator  
Financial Aid Office  
Santa Barbara City College  
721 Cliff Drive  
Santa Barbara, CA 93109

Even if proper notification is received, failure to enroll for the spring semester by **February 5, 2011**, will result in complete forfeiture of all scholarship awards for the academic year. Scholarship awards will be given to other qualifying applicants.
Dear Scholarship Applicant:

I am pleased that you are taking interest in our scholarship process that may assist you financially as you pursue your college education at Santa Barbara City College. These scholarship opportunities are made available to you through the Foundation for Santa Barbara City College due to the generosity of donors. Scholarships and Financial Aid

Santa Barbara City College offers a great variety of scholarships to its students. Some require the satisfactory completion of a minimum of 12 units of course work at SBCC, while others are open to recent high school graduates and other students attending SBCC for the first time in the 2010 fall semester. Please read the eligibility and criteria requirements of each scholarship carefully!

Scholarships are awarded based upon academic achievement and/or financial need. Criteria vary from scholarship to scholarship. Gifts and endowments from community organizations, private individuals, corporations, as well as foundations fund SBCC scholarships. They are administered by the Foundation for SBCC, a nonprofit organization associated with the college that raises and manages private funds that benefit SBCC students.

Privately funded scholarships are only one form of financial aid available to students. To be considered for other types of financial aid (federal or State grants, federally insured student loans, and/or work study grants), students should complete a separate application with the Financial Aid Office, located on the 2nd floor of the Student Services Building in Room SS210.

The Application Process

Scholarship information can be obtained in the Financial Aid Office, beginning Monday, January 11, 2010. The office is open Monday and Thursday 9:00 a.m. to 4:15 p.m., Tuesday and Wednesday 9:00 a.m. to 6:00 p.m. and Friday 9:00 a.m. to 1:00 p.m. Application via the internet with step-by-step instructions can be found at http://www.sbcc.edu/scholarshipapplication beginning January 11, 2010. For additional information, please contact the SBCC Scholarship Coordinator at 965-0581, ext. 2417.

All 2010 high school graduates and other first year students who will be attending SBCC in the 2010 fall semester are eligible and encouraged to apply for scholarships described in this booklet and indicated by an asterisk (“*”) following the title. Students leaving SBCC and transferring to four-year colleges and universities or to advanced vocational schools in fall 2010 are encouraged to apply for scholarships indicated by a plus (“+”).

The Annual Scholarship Reception honoring all scholarship recipients and donors will be held on Friday, May 14, 2010, from 2:30 to 4:00 p.m. in the Student Services Plaza, adjacent to the Student Services Building. If awarded a scholarship, your presence is requested at the reception.

APPLICATION DEADLINE

Unless otherwise specified, all completed applications including supporting documentation must be postmarked, physically received, or submitted electronically to the SBCC Financial Aid Office (SS210) by:

Tuesday, March 2, 2010, 11:59 PM PST

Late applications will not be accepted.
Scholarship Application Procedure

**ELIGIBILITY REQUIREMENTS:** Students will be screened for scholarship eligibility based on criteria established for each individual scholarship.

**CONFIDENTIALITY:** Information supplied on all scholarship applications is understood to be confidential. The applicant agrees that the College may reveal or forward the contents of scholarship applications to SBCC faculty, selection committees, and/or funding sources.

**APPLICATION MATERIALS CHECKLIST:** The following supporting materials must accompany each scholarship application unless otherwise stated in the scholarship description:

- **Complete Scholarship Application** – Available online at [http://www.sbcc.edu/scholarshipapplication](http://www.sbcc.edu/scholarshipapplication).
- **For SBCC students** - SBCC transcripts will be provided by the Financial Aid Office and need not be turned in with the application.
- **For high school students** - High school transcripts through first semester senior year are required (unofficial transcripts are acceptable).
- **Personal essay** - A one-page self-introduction with explanation of your goals, interests, major (if declared), and how a scholarship may assist in achieving your goals.

Specific details of any additional required supporting materials are available in the Financial Aid Office. Please check with appropriate departments for possible additional requirements for department-specific scholarships. Incomplete applications will not be considered. Please note: An application with step-by-step instructions for completion and submission via the Internet can be found at [http://www.sbcc.edu/scholarshipapplication](http://www.sbcc.edu/scholarshipapplication).

**DEADLINES:** Unless otherwise noted in the scholarship description, the deadline for submitting applications is **Tuesday, March 2, 2010, at 11:59 PM PST.** Applications may be submitted online or to the SBCC Financial Aid Office, Room SS210.

**SCHOLARSHIP SELECTION COMMITTEE:** Scholarship recipients are screened and chosen by selection committees comprised of faculty, staff and on occasion, interested community members.

**PAYMENT PROCESS:** Unless otherwise noted, scholarship awards are disbursed in two equal payments, at the outset of the fall 2010 and spring 2011 semesters. Students must meet minimum unit requirements of individual scholarships. **A thank you note or letter to each donor is encouraged before checks will be disbursed.** Upon notification of scholarship awards, recipients will receive detailed disbursement instructions.

As noted above, awards to transferring students are available to students transferring to four-year colleges or universities or advanced vocational schools. They are not available for students transferring to other community colleges. Award payment will be sent in a lump sum when the SBCC Financial Aid Office receives verification of enrollment.
